THE JAYCEE CREED

We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

Message from National President

I send my heartiest congratulation to the Queensway Jaycees on the occasion of their Fund Raising Ball.

In the past two years, the Queensway Jaycees, as a team, has shown their outstanding success in organizing meaningful community projects for the betterment of our society as well as leadership training programmes for their members.

Under the dynamic leadership of President Sarita, Queensway Jaycees would again achieve another year of tremendous success.

On behalf of the National Board, I have much pleasure in sending my best wishes to all those who have participated and worked hard in organizing the Fund Raising project and wish you every success for the coming event.

Ng Leung Yau
National President

Message from Supervising National Vice President

When Queensway Jaycees pledged for affiliation to the Hong Kong Jaycees at the 1984 National Convention, I was but an observer stunned to witness the speedy birth of a new LOM. Two years later today, I find myself in a supervisory capacity to extend my congratulations to Queensway Jaycees for their Fund-raising Dinner Show.

Changes in time and events reflect the gradual development of this baby Chapter. Despite its brief history, Queensway Jaycees has achieved a satisfactory growth in membership and successfully launched series of balanced programmes on all 4 areas of opportunities. Chartered members have invested much of their efforts in building a solid base on which Queensway Jaycees now stand; whereas new recruits constantly add force to strengthen LOM's status. Unity among themselves, therefore, constitutes a winning formula for LOM's success.

I take pride to be the National supervisor to this group of enterprising young men and women; and I earnestly wish them all the best for this Fund-raising drive and the year of 1986.

Valerie Cheung
National Vice President

Message from Chapter President

Welcome to the Fund-Raising Fashion Show!

Being the President of a relatively new chapter of the Hong Kong Junior Chamber of Commerce, I am proud of the contributions that Queensway has made during the past 2 years. We will continue our efforts in training up young leaders as well as developing the well-being of the local community since we believe "That service to humanity is the best work of life".

1986 is a year of great opportunities and challenges for Queensway. This Fund-Raising Fashion Show project aims at raising sufficient funds to finance our community projects. However, without your support and encouragement, we would not be able to achieve our ambition.

Taking this opportunity, I appeal to your generosity to make this dinner show a success for us; your contribution would be greatly appreciated by all members of Queensway.

With best wishes.

SARITA LO
PRESIDENT OF QUEENSWAY JAYCEES

Message from Project Chairlady

I am very pleased to see so many of you here this evening and on behalf of Queensway Jaycees, I welcome all of you to this Fund-Raising Dinner Show.

It is also my great honour to be the Chairlady of this dinner show which gives me a chance to serve for Queensway Jaycees.

As a non-profit making organization, the fund-raising show today aims at raising sufficient funds for the many projects which we will organize throughout the year for the betterment of the community.

Taking this opportunity, I would like to extend my wholehearted thanks to all our sponsors and advertisers for their generosity and unfailing support to this function. On top of this, I would like to express my gratitude to our Immediate Past President, National Secretary General, Larry Lau; President Sarita Lo; Hon. Treasurer, Joseph Chu and our Project Advisor, Minnie Kok for their kind advices and assistance. Needless to say, I owe my heartfelt appreciation to my diligent organizing committee for their tremendous efforts in making this dinner show a rewarding success.

Best wishes to you all and do enjoy yourselves tonight!

Jaycees International

Current Facts

NAME:	Jaycees International (JCI) is a worldwide association of young people between the ages of 18 and 40, which welcomes all nationalities, races and religions.
MEMBERSHIP:	Close to 500,000 in nearly 13,000 communities throughout 73 member nations.
PURPOSES:	The purposes of the Jaycees, as outlined in the JCI Constitution, are to "contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change."
HISTORY:	The organization was founded in St. Louis, Missouri, U.S.A., by Henry Giessenbier on October 13, 1915. His idea spread and on December 11, 1944, representatives from eight nations met in Mexico City and the world organization — Jaycees International (JCI) — was founded.
1986 PRESIDENT:	Moncef Barouni of Tunisia.
HEADQUARTERS:	The Jaycees International (JCI) Secretariat is located in Coral Gables, Florida, U.S.A. A staff of 33 provides trilingual membership and development services to its Local and National Organization Members. Its chief administrative officer is the Secretary General, Sam Willits.
THEME:	Each year, Jaycees International adopts a major emphasis theme program which is implemented on a worldwide basis. The theme that is selected relates to a major problem or problems with universal significance. In this theme program members can select from a number of specific projects that are most relevant to the needs of their respective communities. The theme program adopted for 1986 is JAYCEES . . . . . YOUNG PEOPLE FOR WORLD PEACE . It is somewhat unique for an organization like Jaycees International to become so involved in such an enormous issue, but, as a leadership training organization, it has the responsibility of directing this leadership and community initiative into a program that is based on the search for a better world balance and, ultimately, world peace.
AREAS OF OPPORTUNITY:	This concept promotes the adoption, by national and local organizations, of a balanced program of activities which will offer the membership: individual, management, community and international opportunities.
RIGHTS OF THE CHILD:	JCI recognizes and supports the United Nations Declaration of the Rights of the Child. In 1979, Jaycees throughout the world conducted programs which directly affected the lives of more than eleven million children. Since then, national and local Jaycee organizations conduct permanent and continuing programs to assist with providing for the basic needs of children as set out in the Declaration.
OFFICIAL PUBLICATION:	LEADER, printed in English, French, Japanese, Spanish, Chinese and Korean, with a worldwide circulation of nearly 500,00.
ANNUAL MEETING	The 41st JCI World Congress will be held in Nagoya, Japan, from November 9 — 15, 1986.

History of Queensway Jaycees

The Hong Kong Junior Chamber of Commerce is one of the 75 National Organisation members affiliated to the Jaycees International Inc., a worldwide organisation of young people between the ages of 18 to 40 and of different nationalities, races as well as religions. It is a non-profit making organization and plays an important role in organising many successful projects for the advancement and development of the local community in the past 34 years in Hong Kong.

As the Hong Kong Junior Chamber of Commerce grows larger, 13 chapters have been set up. WE, the Queensway Jaycees, became a full-pledged chapter on 14 January, 1984 with the objective to recruit more young men and women from the community to serve the community. It is a mixed chapter with English as its official language.

In accordance with the Jaycees concept of "areas of opportunity", Queensway Jaycees also structured itself into 4 areas, namely,

Individual opportunity:	providing the opportunity for the individual member to realise his or her own personal potential through training programmes and experience in the Jaycees.
Management opportunity:	providing the opportunity for the individual member to develop management skills through managerial training and the chance to gain experience through being a leader at various levels in the organisation.
Community opportunity:	providing the opportunity for the individual member to develop a sensitivity to the problems of society and the chance to solve these problems through Jaycees activities.
International opportunity:	providing the opportunity for the individual member to contribute to the development of the goodwill, understanding and co-operation among all peoples in our international community.
