MESSAGE FROM

Senator Paschal OBINNA DIKE

President of JCI

Dear members of JCI Hong Kong,

Please accept warm greetings!

I am very honored to be addressing you at this time for JCI Hong Kong 51st National Convention – "Active Citizen! Active Life!" This is a great occasion, as we will build on the amazing momentum that we gained with the celebrations of the 100th Anniversary. As we have demonstrated the incredible contributions that JCI has made now for one hundred years, we must capitalize on the publicity and interest we have generated and continue to demonstrate what passionate active citizens are capable of when they partner with all sectors of society for sustainable impact.

This year our focus is that as we continue to analyze the needs in our community, we will have the courage to Just Act and find creative ways to be active citizens. We must feel more and do more. I am confident that JCI members are empowered and eager to continue to create positive change as we adopt and carry the Global Goals for Sustainable Development. The Peace is Possible campaign is mobilizing young people worldwide to create awareness, advocate and take action and commit to an everlasting world peace. The need for JCI is more relevant today than it has ever been, and we must rise up to the challenges of our time.

I have great confidence that JCI Hong Kong will continue to dedicate its efforts to leverage opportunities to expand JCI's influence and impact as we seek to unite all sectors of society for sustainable impact.

We wish you all the best in this momentous event of the JCI Hong Kong 51st National Convention. Remember to Just Act for the future of our world.

Kind Regards,

Paschal Dike

MESSAGE FROM

Senator Marc Brian LIM

Vice President of JCI

It is with great honor and privilege that I extend my warmest congratulations to Junior Chamber International (JCI) Hong Kong, one of the most active national organizations in the world, on the occasion of your 51st National Convention.

2016 marks the start of another century for JCI, and for JCI Hong Kong, the national convention is the gathering of all twenty chapters of JCI Hong Kong to discuss and to "just act" on community concerns, leadership development, social enterprise, and business insights.

JCI's 2016 theme, "Just Act", conceptualized by no less than 2016 JCI World President Pascal Dike, is a great reminder, not only to live up to, but to surpass all that is expected of us as JCI Members. It is also a subtle reminder for all of us to continue to focus on JCI's 2016 Plan of Action and the 2014-2018 Strategic Plan as our road map in creating a more just and peaceful future for the citizens of the world.

Let me take this opportunity to congratulate JCI Dragon for accepting the responsibility of organizing this year's convention and to wish my good friend, National President Brian Kwan, and all the Members of the National Board, a productive and meaningful convention.

I wish you all the best and I look forward to seeing you all at the convention!

Congratulations JCI Hong Kong!

Kind regards,

Marc Brian Lim

MESSAGE FROM

Senator Brian KWAN

National President of JCI Hong Kong

National Convention provides a good opportunity for every member of JCI Hong Kong to evaluate whether and to what extent the goals set in the beginning of the year have been accomplished. We should be proud of ourselves for achieving our goals; meanwhile, if we feel that we have fallen short of it, we should not be discouraged because we can always move forward and do a better job in the upcoming year.

This year, I, together with the members of the National Board, have been advocating JCI Mission, aiming to let all members fully acknowledge and understand the mission set forth by JCI a hundred years ago. I wish that all members would recognize that joining JCI is not just about volunteering, carrying out social services, undertaking training or liaising business. In fact, JCI provides a platform for each and every member to achieve personal growth and breakthrough. At the same time, we should also explore in what ways we can establish people around us so as to live a meaningful life. After a year of hard work, I am very grateful to come to know that most, if not all, members have rightfully regarded undertaking social project as an opportunity to grow and thrown all of their heart to participate fully in it. This amazing result cannot be achieved without the cooperation and collaboration of the local chapters together with the National Board.

With the determined efforts of all 21 local chapters this year, we have totally organized 79 large-scale projects, receiving 516 media coverage, benefiting over 20,000 people and reaching 520,000 people through Facebook. Furthermore, Nothing But Net has been able to raise HK$220,000 to help children in Africa by purchasing mosquito nets to fight malaria; Poverty Simulation has received the support of HKSAR Chief Executive C. Y. Leung GBM, GBS, JP; and Global Partnership Summit has also obtained the support of the three major international organisations. We can only achieve all of the aforesaid with the contributions of our members and by doing this, we can make Hong Kong a better and more harmonious place.

I wish to give my heartfelt thanks to all sponsors who have all along supported JCI movement, in particular, Mr Lau Ming Wai, BBS, JP, Dr. Eddy S. H. Li, BBS, JP and Dr. Albert Wong, MH for their generosity. I would also like to thank the Home Affairs Bureau, Labour and Welfare Bureau, Education Bureau, Food and Health Bureau, Environment Bureau, Commerce and Economic Development Bureau for their long-term support, and also thank all organisations which have co-organised events with us, community leaders, Honorary Advisers, Past National Presidents, members of the National Board and Chapter Presidents. Last but not least, I wish to express my gratitude to JCI Dragon for organising such a wonderful National Convention enabling each and every member to shine.

Last November, the JCI World Congress was held in Kanazawa, here in Japan. Please allow me to take this opportunity to express, once again, on behalf of JCI Japan, as well as JCI Kanazawa and the Kanazawa World Congress COC, my deepest appreciation for your wonderful support and cooperation, throughout the World Congress, which guaranteed the success of this historic event.

It is my greatest pleasure to be invited to send a congratulatory message on this very auspicious occasion on 51st National Convention. To take this opportunity, I would like to extend my heartiest congratulations and best wishes to 2016 National Board of Directors and the affiliated chapters.

"Active Citizen! Active Life!" is the theme of the Convention. To be an active citizen it is essential to apply this attitude to our life instead of just bear in mind. As an active citizen, we should be concerned about the social hot issues and consciously focus on government policies in the social life. We seek targeted solutions to the unique problems in our communities to build a better world, creating global impact.

CREED

We believe that "faith in God gives meaning and purpose to human life; the brotherhood of man transcends the sovereignty of nations; economic justice can best be won by free men through free enterprise; Government should be of laws rather than of men, earth's great treasure lies in human personality; and service to humanity is the best work of Life"

MISSION

To provide development opportunities that empower the young people to create the positive change.

VISION

To be the leading global network of young active citizens.

HISTORY

Our global organization of 200,000 young active citizens grew out of the vision of one St. Louisan more than 90 years ago as a constructive approach to civic problems. Founded in 1915 in St. Louis. Missouri, USA by Henry Giessenbier, the movement spread, and Junior Chamber International was founded with eight other countries in Mexico City on December 11, 1944.

They not only believe that improvement is possible, they but also see it as their responsibility to initiate positive change both in themselves and in their local community. They seek solutions to the problems they see around them to create better nations, better environments and better societies. They also know that true lasting change starts from within. They learn through their experiences, becoming better citizens and better leaders with better skills to create a better future.

Local Chapters of JCIHK

JCI Victoria

Founded in 1950, the most senior and only bilingual chapter of JCI Hong Kong, Junior Chamber International Victoria has been proactively responding to the challenges in the community and helping to generate awareness on important social and economic issues that affect our daily lives.

Recent prominent projects included "22nd Grandparents Day", "innoBrand 2012", "V-Orienteering" and "Asia Pacific International Cities Conference". The outstanding achievement of our annual project "Grandparents Day" won the Most Outstanding Public Relations Award in the Sendai JCI Asia Pacific Conference in 2002, while "SME eMarketing Campaign-Live IT, IT Life" won the Best Business Development Award in the Macau JCI Asia Pacific Conference in 2005.

JCI Kowloon

Established in 1965, is the second senior chapter among the 19 chapters of the Junior Chamber International Hong Kong, which aim to provide development opportunities for young people to learn from 3 JC paths: Project Management, Chapter Management and Leadership Training, as to create positive changes to themselves and to the community.

Members in JCI Kowloon include enterpreneurs, professionals and executives. Through the unique platform of learning by doing offered by Junior Chamber International, our members gain not only personal growth but also business network. In 2014, JCI Kowloon further the support to young active citizens in supporting the establishment of a new chapter in JCIHK – JCI Tsuen Wan and aim to create greater impact to the community.

JCI Island

Established in 1966, JCI Island (港島青年商會) has always been one of the active chapters of the JCI Hong Kong. It has pioneered many large scale projects in various spheres of commission activities towards the betterment of community of Hong Kong and towards the elevation of knowledge and experience of members. JCI Island focuses on providing young men between age 18-40 with opportunities in polishing leadership skills, building social responsibility, motivating entrepreneurship and encouraging fellowship. It is attained through the following four areas of opportunity: Individual, Community, International and Business.
