Message from National President

It is my honor to address as National President of Hong Kong Junior Chamber.

The Inaugural Ceremony is a happy and memorable event for our officers to demonstrate their commitment and determination to serve our beloved organization and to strive for the betterment of our community.

"Golden Anniversary, Golden Opportunity" is the slogan of the Hong Kong Junior Chamber in year 2000. Also, it is our 50th Anniversary in this new millennium. Our aim is to further enhance our corporate image and membership growth. Besides that, continuous support from our senior members can be a great treasure for our JC family.

In 2000, we continue our Major Emphasis Theme of "Develop our Future Leaders, Excel to New Millennium". Hong Kong Junior Chamber, as a prominent organization, will focus our effort on leadership development. Through various aspects of training, our members can strengthen their leadership and management skills. Other than committing to our mission, many community leaders are bred through this organization.

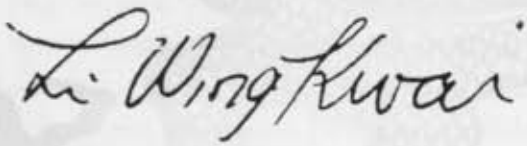

Hong Kong Junior Chamber has launched numerous successful and innovative projects throughout 1999, such as "Greater China Young Entrepreneurs Summit" and "Digital 21 Power for Youth". This year, our national officers are encouraged to further cooperate with other organizations and create greater impact to our community. Thus, our image can be enhanced. In addition, we will continue to organize JCI endorsed program - "Right Decision Program" as our theme project for the youth.

Message from National President

As we go hand in hand, year 2000 will be a year of golden opportunity for us. I look forward to mark another success in our history, that to celebrate 50th Anniversary, previous achievement and build the cornerstone for our future.

At last, I would like to express my gratitude to the hard work and dedication of the organization committee, the Ball Chairman Mercedes Suen, Supervising Officers NGLC Michelle Tang and NHT Cecilia Cheung, and Advisor Senator Connia Chu Lo.

May I wish you all an enjoyable evening and Happy Chinese New Year.

Spencer Li
National President
Hong Kong Junior Chamber

Message from JCI President

First and foremost, let me take this opportunity to congratulate 2000 President Spencer Li and all my friends in Hong Kong Junior Chamber, China on the occasion of the exciting national innstallation ceremony in the new millennium. As Junior Chamber International President for the year 2000, I am honored and pleased to greet you in what will be an exciting year! Together, through our leadership, we will lift the organization to the next level.

In 2000 we must work hard, but I want you to work with balance among all your responsibilities, whether they relate to your family, your business, or Junior Chamber— stay fresh, focused, and energized. Today we find ourselves in a new environment, in which new skills are required. Managing information has become a crucial skill, as we are all being swamped with information from all sorts of sources! This situation contrasts with a few years ago, when the required business skill was to generate information. Now, what we most need—professionally and personally—is a time-effective information management technique.

The main factor I see facing all of us in this new millennium is the unprecedented degree and speed of change. Flexibility and creativity have become the key desirable attributes in the commercial world, and they are just as important in the JCI world.

Traditionally, executives have advanced through organizations by progressively gaining experience—both personally and by observing others in the company, competitors, and even customers. If these experiences were

Message from JCI President

mostly successful, then they rose to senior management and to director level. But this generally also restricted them to operation methods that have worked for them and others in the past (doing what they have always done to get what they have always gotten).

A Key strategic decision for any organization is to decide to what degree to follow the past and to what degree to be innovative. The past offers background, histiory, and experience. For the future, however, it is innovation that will mean that an organization stays relevant, meets the market head-on, and is attractive to potential customers (our current and future members).

As I said in my caucus speech, this organization is as relevant today as it was in the 1940s, 1950s, 1960s and so on. But we cannot be complacent. We must be vigilant and ensure through our leadership that Junior Chamber International moves forward, maintains its position of strength in terms of what it offers, and goes up to that next level.

I am really privileged that you have agreed to join me in this mission.

Together with our passion, our commitment, our experience, and our energy, we can help make the fundamental differences required to continue the proud history of JCI.

What we do today is tomorrow's history. Remember, *Attitude determines Altitude!*

Message from JCI Executive Vice President

As your newly elected 2000 JCI Executive Vice President assigned to Area B, Asia and Pacific it will be a great privilege and honor to serve you in the year 2000.

I take advantage of this opportunity to express my sincere gratitude to all of you for your support in the past and to congratulate you for your Inauguration Ceremony. It will undoubtedly be a great event for Hong Kong Junior Chamber, China.

2000!!! We have long anticipated the year 2000. You may think this next year will bring the answer to all your questions. However, you will soon realize that this is only the beginning of a new era. We the members of Junior Chamber International will need to focus on new ways to reach new members while serving the needs of our present membership; making training available to all and developing programs that will identify our organization around the world.

Last year, in Cannes, France, JCI welcomed two new members from Area B to our family: Bangladesh and Jordan. We are expanding our territory and reaching out to the four corners of the world. Thanks to the great efforts deployed by dedicated members such as yourselves, we can build on past achievements and also focus on the future of our Organization.

As your Executive Vice President this coming year, I pledge to assist Area B's members to accomplish their goals and reach new heights.

Congratulations to Spencer as he takes the oath as National President of Hong Kong Junior Chamber, China; I eagerly look forward to working with all of you next year. Remember, *Attitude determines Altitude!*

Thank you for the opportunity to write a message to all members of Hong Kong Junior Chamber on the occasion of your inauguration ceremony.

My heartiest congratulation to Hong Kong Junior Chamber and the members for their great success and achievements in 1999 under the leadership of Louise Chan. The outstanding leadership, great commitments and dedications of all have contributed to the advancement of not only the local chapters, the national organisation but also the whole global organisation.

Not forgetting your success thus far has also well prepared the organisation to meet new challenges in the new millennium. I am confident Hong Kong Junior Chamber will continue to scale greater heights under the capable leadership of Spencer and his team in the year 2000.

I take this opportunity to congratulate HK Junior Chamber for the 50th Anniversary celebration in year 2000. For the past 49 years you have contributed tremendously to the development of your members, community and organisation. You have certainly make a difference thus far and we are confident you will continue to make the difference in the new millennium.

I like to take this opportunity to echo the call by our 2000 World President that our Attitude will determine our Altitude. Every success began with a dream in the heart but it is about dreaming with our eyes open. Having the vision and articulating the vision is no longer enough—we must inspire action. You have to stay awake to make dreams come ture.

Together we shall move Junior Chamber to highter altitude.

WEN TEIK, LEW
2000 JCI Vice President - Area B

Message from Hon. Life President

The change of administration each year is the Jaycee tradition worldwide. It gives Members an ample opportunity to complete their own direct local or national involvement by getting invaluable experience at the top. It also inspires successful Jaycees everywhere to keep their civic, business or professional commitment to community betterment.

I wish the National President, Senator Spencer Li, Officers and Directors every success and satisfaction in all they do to advance the cause of the Hong Kong Junior Chamber in the Year 2000.

I thank the outgoing President, Senator Louise Chan, Officers and Directors for discharging their responsibility with such dedication and achievement in 1999.

May I also hope that the year will spur all Members to a renewed effort to help bring happiness and prosperity to the people of the S.A.R.

A. de O. Sales
Hon. Life President
Hong Kong Junior Chamber

Message from Senate Chairman

Installation is the most solemn moment each year to all Jaycees. It is my great pleasure to congratulate all the NOM/LOM officers who will be installed tonight. We are proud to witness the determination of a group of young leaders pledging their commitment to serve our organization throughout the year. Commitment and perseverance are the motto behind the words, "I do".

Senatorship is the highest honor that can be bestowed on a member or past member of our organization. By extending the life membership to deserving Jaycees, Senatorship provides such members with an enduring link to our organization. The main task of the Hong Kong Jaycee Senate is to link up fellow senators for the furtherance of our contribution to the development of our organization. In 2000, the Senate group will continue to cultivate a stronger fellowship amongst senators so as to motivate them to actively participate in NOM and LOM affairs. The Senate groups constitute an invaluable resource for the current membership in the areas of training and development. We believe that during the process of experience sharing, we shall be able to maintain continuity of our good tradition and to gather momentum for new breakthroughs.

To all National Officers, Chapter Presidents and their members, I wish them all a very rewarding year. In 2000, under the leadership of National President Spencer, Hong Kong Junior Chamber will set to achieve another successful year.

Louise Chan

Message from Trustees Chairman

On behalf of the Board of Trustees I send my best wishes to the year 2000 new leadership of Hong Kong Junior Chamber and her Chapters.

The Trust Funds, managed by a panel of Past National Presidents with the current National President as an ex-officio member, were set up to support the Jaycee Movement in Hong Kong both for the long term and for the short term.

At this time when the economy of Hong Kong has only just started to recover, the Trustees will continue to adopt a more sympathetic approach in considering subsidies to NOM and LOM applications.

Our Hon. Life President, Mr. A. de O. Sales, GMB, once said, "The best way to retain members is to keep them busy". Let us work together to keep our members busy in projects which the Hong Kong community also benefits.

Message from
Long Range Planning Committee Chairman

Year 2000 is the beginning of a new millennium. To Hong Kong Junior Chamber, it is her 50th Anniversary since its establishment in this community. Being the officers of the NOM and LOM of this organization would have to shoulder great responsibilities to promote Jaycees in this special year. As we all understand that Jaycees provide opportunities for members to explore, to experience, to treasure, I do hope all of you will fully utilize your term of office and make it a valuable experience during performing your duties. What we get most is from the process, not the end result. The experience we gain throughout the participation of projects and management process will definitely of value to your whole life.

Taking this opportunity, I have great pleasure to send my heartiest congratulation to the 2000 NOM board of directors and all 2000 LOM boards. Our success all depends on YOU. Please keep up with your enthusiasm and persistency until the end of Year 2000.

Wish you all the best!
