The JCI Creed

We believe:
That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That Government should be of laws rather than of men;
That earth's great treasure lies in human personality; and
That service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention, visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line. "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Message from National President Hong Kong Junior Chamber

I am delighted to welcome you to this Inaugural Ceremony and annual fund raising event.

Today, National and Chapters' Officers take their pledge to serve the organization and the Hong Kong community. At the same time, we would like to seek your support in our work for 2003. Apart from any fund raised, contribution from members in activities and advice from Past Presidents are highly valued. Indeed, continuity is very important in our organization. It is crucial that experience is passed on and new work is built upon strong foundation laid in past years.

My Presidential Theme is "Entrepreneurship for Positive Change". I sincerely wish we can be like entrepreneurs and take bold actions to improve our organization. This year, we would focus our work on public relations and membership affairs. I challenge you to make Junior Chamber movement more visible in the community and our organization enjoyable and valuable for all members.

Enjoy JC! Enjoy Life!

Message from The Honorable Donald Tsang, Chief Secretary for Administration

Since its establishment in 1950, Hong Kong Junior Chamber has been committed to the well-being of young people in Hong Kong. It promotes their entrepreneurship, social responsibility, leadership and global outlook through a wide range of activities. Through these activities, our young people synergize and gel towards a common goal of serving the community, while attaining personal growth and advancement.

Amongst the various programmes of the Chamber, the annual selection of Ten Outstanding Young Persons stands out as a hallmark event. Over the past 30 years, the selection gives recognition to young leaders who gain prominence in their profession and community services, and encourages more people to follow suit.

On this special occasion of the Hong Kong Junior Chamber, I would like to commend all outgoing National Officers, Chapter Presidents and other members for their persistent diligence and dedication in the pursuit of the goal of the Chamber over the past years. I would also like to wish the incoming team every success.

Donald Tsang

Message from The Honorary Advisor
The Honorable Rita Fan, GBS, JP
President of the Legislative Council

I wish to extend my heartiest congratulations to the Hong Kong Junior Chambers on its Inaugural Ceremony.

Youth development is the key to Hong Kong's competitiveness. Leadership skills and civic awareness are valuable attributes which we would like our younger generation to possess. For the past 52 years, the Hong Kong Junior Chamber has dedicated its efforts in training future leaders and developing their sense of social responsibility. The Ten Outstanding Young Persons Selection, in particular, has inspired many young people to contribute their talents to the community. The Chamber's outstanding achievements are well recognized and appreciated.

All these achievements would not have been possible without the strenuous efforts and selfless devotion of the past directors and members of the Chamber. I would like to extend to them my sincere appreciation. I would also like to congratulate the newly elected Board of Directors. I am sure that under their leadership, the Chamber will continue to prosper in the years to come.

Message from The Honorary Advisor
The Honorable Tam Yiu Chung, GBS, JP

It is a great moment for Hong Kong Junior Chamber to introduce a new group of young leaders, and to inherit the fine tradition to serve the betterment of Hong Kong. I do believe the successors can do as good as the former leaders do.

Hong Kong is facing a hard time. The high unemployment rate, the ailing economy and the large parts of asset "vaporized" that put most people in a sagging confidence. It, thus, can be seen that the challenge faced by the group is very great.

I believe the situation of Hong Kong is not so bad as most people imagine. I am confident that the group can contribute ideas in helping Hong Kong to recover from the sluggish economy and instill hope in people that they can be benefited from the recovery.

Be an international city, Hong Kong needs many intelligent and hard working young people. I truly believe that the fine tradition of the Hong Kong Junior Chamber can foster the young leaders who are brave in facing difficulties and willing to take responsibilities in serving Hong Kong well. Lastly, I wish the Inaugural Ceremony successful.

Message from The Honorary Advisor
Mr. Moses M.C. Cheng, JP

On the occasion of the Inauguration of the National Board of the Hong Kong Junior Chamber for the year 2003, I would like to extend to National President Alice Liu and members of the National Board my heartiest congratulations.

JCI is the international movement committed to provide leadership development for the younger generation through service. Millions of young people (including myself and a lot of my friends) have benefited from its many training programme and services.

Leadership is probably one of the most talked about but least understood topics on earth. It has to be acquired through practical experience rather than learning straight from books. Jaycee training is providing the relevant venue for the acquisition of such practical experience.

May I wish you all a very successful inauguration and a good year of achievements.

Moses M.C. Cheng

Message from The Honorary Advisor
Mr. Peter M.K. Wong, JP

The Hong Kong Junior Chamber has served the community well by cultivating young entrepreneurs to be leaders of our community. It has become an important institute of our society.

Hong Kong is currently restructuring our economic fundamentals, we need many creative and innovative ideas and most important of all the commitments and contributions of young entrepreneurs. I believe Hong Kong Junior Chamber could continue with the tradition of supporting and making contribution to this good cause.

On the occasion of the Inaugural Ceremony for the new Board of Directors of Hong Kong Junior Chamber in 2003, I wish you every success and I am very happy to witness the occasion of introducing new leadership to the Hong Kong Junior Chamber.

Peter M.K. Wong

Message from President Junior Chamber International

Congratulations to you on the occasion of the Inauguration of your 2003 NOM and LOM officers. I am confident that 2003 National President Alice Liu and the other officers being inaugurated will bring great professionalism, energy and respect to the offices to which they have been entrusted.

I have many things in common with these new officers. We have all taken a big step. We have accepted an important position for 2003 in JCI at the local, national or international level. We have all said to our fellow members that we want to be a part of making our organization bigger, better, more well-known and more influential.

I believe that many JCI members like those inaugurated today have already begun to do the work that will take Hong Kong Junior Chamber and JCI higher and further than ever before. I believe in this because I believe in them and I believe in you. Believe in the strength of your hearts and your minds. I believe in the commitment that each one of you brings to the work that you are doing not only for JCI but for yourselves, your community and your country.

My best wishes to the members of Hong Kong Junior Chamber as we go forward through the challenging but promising days ahead. Let us work together as partners in 2003 to show Hong Kong and the world that we are still an organization that is mighty in its youth and powerful in its purpose.

Message from Vice President
(assigned to Area B)
Junior Chamber International

I would like to express my congratulations to Hong Kong Junior Chamber on 2003 Inaugural Ceremony under the theme of "Entrepreneurship for Positive Change".

Through the years, Hong Kong JC has developed JCI level as well as its own member level with its dedication. Especially I could see the close cooperation with the community that is the one of the main theme of Jayceeism. Therefore now I believe that you have more projects and programs as a developed Jaycees.

I hope the continued growth of your organization, NP Alice Liu and 2003 officers also will give opportunities to young men and women in taking advantage of what they will learn from the Jaycees like their ex-officers have done. Sustaining the growth and development of your organization and community will keep going with your new inaugurated officers.

Lastly, I wish to congratulate 2003 Inaugural Ceremony of Hong Kong Junior Chamber again and have a great time together.

Kyung-Ho Lee

Message from Honorary Life President Hong Kong Junior Chamber

The Hong Kong Junior Chamber now welcomes a new National Board of Directors for the current year.

It is an impressive display of the standard procedure of passing the baton to a new administration each year. It offers an opportunity to other young leaders to come forward and work hard to advance the Jaycee Movement while in office.

I wish the incoming President, Officers and Directors every success in all that they will do and hope that their enthusiasm will mean another great year for the Chamber.

I would also like to commend the outgoing President and the Administration in 2002 for their successful tenure of office in difficult times.

A. de O Sales

Message from Chairman of Senate Board Hong Kong Junior Chamber

Congratulations to National President Alice, National Board of Directors, Chapter Presidents and Officers on the occasion of the 2003 Inaugural Ceremony. We are proud of having our committed officers to take up new offices for promoting Junior Chamber movement in Hong Kong.

It is my great honor to serve you as the Senate Chairman this year. A JCI Senatorship confers "Life Membership" in Junior Chamber International. It provides a unique means for recognizing the outstanding achievements of members and former members. In this year, the Senate group will continue our efforts to provide strong linkage, fellowship for Senators and for the furtherance of our contribution to the development of Hong Kong Junior Chamber.

Taking this opportunity, I would like to encourage fellow officers and Senators to join hands in creating an attractive organization for our members, as entrepreneurs for positive change.

Best wishes for a successful year!

Enjoy JC, Enjoy life!

Tony Chan

Message from Chairman Board of Trustee Hong Kong Junior Chamber

On behalf of the Board of Trustees, I write to congratulate the Hong Kong Junior Chamber and her Chapters at its 2003 Inauguration.

As National and Chapter Officers take oath to serve the organisation, they are taking a bold step forward in their life. They pledge their dedication to lead. It is this kind of dedication that gives the Junior Chamber the spirit and the perseverance to strive for greater heights in the fulfilment of the Jaycee ideals.

The seed money of the Trust Funds came from our successful hosting of World Congresses and Conferences in Hong Kong in the past. They have now grown into substantial amounts of money that the Trustee both preserves for future major needs of the organisation and also invests to generate income to support Jaycee pursuits.

Like last year, we encourage Chapters and the National body to run innovative projects of both scale and quality. It is only with such projects that we can attract and retain quality members. It is only with such projects that our members can gain quality experience and be proud of.

Ever since the National Convention last September, I have seen innovative ideas put to work under the leadership of National President Alice. I do hope the Chapter Presidents are equally innovative in bringing about positive changes.

By National Convention time again, we are sure to see happy faces in our National and Chapter officers and the general membership, satisfied with a year's work well done!

Edmond Pang

Message from Chairman Long Range Planning Committee Hong Kong Junior Chamber

In every January, new management teams assume office at all levels in the Junior Chamber family. This practice not only maximizes the leadership opportunities for our members, but also brings forth new initiatives along management change.

With such a short term of office, it would require the new management teams to be highly effective in planning and execution so as to maintain a balance between short-term focus and long-term (and sustainable) development. Strategic vision, sound action plans, and commitment to deliver results are fundamentals to effective leadership.

Taking this opportunity, I like to congratulate all members of the nineteen management teams (for the Hong Kong Junior Chamber and its eighteen Chapters) for their commitment to serve the organization whilst seeking leadership development. The leadership principles - know yourself; explain yourself; expect much; gain commitment; build now; prepare yourself; move fast; find yourself; and remain steadfast - would help guide them through when embarking the leadership challenges.

Queensway Junior Chamber

2003 marks more than half a decade of Junior Chamber presence in Hong Kong. During this time, Hong Kong Junior Chamber has truly lived up to the spirit of the JC creed. Believing in the importance of human personality, HKJC has made personal development a cornerstone of its appeal to the young people of Hong Kong. The various JC activities which have enriched Hong Kong's economic landscapes testifies to a belief in free enterprise. Over the years, with the establishment of relationships with other JC chapters around the world, HKJC also bears witness to the brotherhood of man which transcends national sovereignty. But above all, HKJC's emphasis on service has inspired its various affiliated chapters, spurring them into action, creating values both to their members and to their community at large, for as the JC creed says, service to humanity is the best work of life. On behalf of Queensway Junior Chamber, I would like to extend my Chapter's support to HKJC in the upcoming year with the goal to continue to promote the benefit of JC.

It is my great honor and pleasure to be appointed as the Chairperson of this meaningful Inaugural Ceremony. I treasure very much this gratifying and invaluable experience, especially working with a team of committed, hardworking, co-operative and talented Organizing Committee members.

On this important occasion and on behalf of all Organizing Committee members, I would like to extend my gratitude to all distinguished Guests who have rendered valuable support to our Inaugural Ceremony. In addition to the solemn inauguration, we have somewhat changed the format of the ceremony in order to accommodate more members to participate in this meaningful event and its special programs.

Taking this opportunity, I wish to extend my sincere thanks to all the sponsors, advertisers and our eighteen Chapters for their support and contribution. Moreover, I would like to salute all the Organizing Committee members for their dedication and hard work all the way through. My heartfelt thanks also go to National President Alice Liu , Project Advisor Margaret Wu, National General Legal Counsel Annie Lo and Supervising Officer Alice Wai, for their valuable advice and guidance. Last but not least, my sincere thanks go to my mother Chapter East Kowloon Junior Chamber for their excellent support in arranging several experienced members to be on the Organizing Committee.

Dear members and guests, your presence tonight means so very much for the success of this function. I hope you will all enjoy the program.

I wish you all a very prosperous and successful 2003. Thank you.

Hong Kong Junior Chamber Down Memory Lane

Flashback 1950s - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940s, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training programmes, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congressed, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Commuttee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an aythorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by The then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Flashback 1960s - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60s to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60s were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Golden Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

Flashback 1970s - Many the First and Meaningful Projects

Stepping into the decade of the 70s and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

His Excellency the Governor Sir Murray maclehose sent his message to welcome the delegates of JCI Regional Conference.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Many wee-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One in cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

for the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Flashback 1980s - Challenging Decade

The Jaycees movement in the 80s was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80s, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80s. Senator Jennifer Yu was elected as the first Chinese Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

Approaching the end of 1980s, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading For Peace", 100 pigeons were released into the sky of Statue Square in Central.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

Flashback 1990s - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With

NP Daniel Cham joined the UK delegation to take part in the "International Model United Nation" organised by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarter.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Besides serious training schedule, members also had moment to rejoice in Vanguard Leaders, a prominent training originated by JCI.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

"Right Decisions Program" targets for secondary students in enhancing their judgement values and refining personal characters.

Flashback 2000s - Now and the Future

The reunification Hong Kong with China on July 1, 1997 was hailed with pride by the community as a momentous and historical achievement. In support of the Hong Kong Special Administrative Region Government and in celebrating the 50th Anniversary, Hong Kong Junior Chamber renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory.

Hong Kong Junior Chamber participated in "上環繽紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Person Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

Ten Outstanding Young Persons Selection 2002

The Ten Outstanding Young Persons Selection is one of the most prestigious among the many meaningful projects and activities launched by the Hong Kong Junior Chamber. Organized since 1970, it has grown with prominence and recognition by the general public.

The 2002 TOYP Awardees were
Chan Hing Wan Eva, Chen Wai Man Kelly, Dr Ho Pak Cheong, Hsin Hsiao Hung, Dr George K. K. Lau, Lee Chi Kong, Leung Kin Fung, Dr Leung Tung Yeung, Wong Chun Chun Barbara, and Prof. Yam Wing Wah Vivian.

To celebrate the 30th TOYP Selection, a lyric competition for the TOYP song was organized, Kwok Chi Pong was the winner among many entries.

We strongly believe that all the TOYP Awardees, together with all the other young persons who have or have not taken part in this Selection, will continue to create positive changes for a much better world tomorrow.
