The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Message from Guest of Honor

The Honourable Elsie Leung, GBM, JP

It gives me great pleasure to express my warmest congratulations to the Victoria Junior Chamber on its 55th Anniversary.

A group of forward looking and dedicated young leaders came together 55 years ago with a view to developing leadership potentials among young people and contributing to the advancement of the community. Throughout the years, the Victoria Junior Chamber has upheld its mission by proactively responding to the challenges in the community and providing excellent opportunities for young people to develop their leadership skills, social responsibility, entrepreneurship and fellowship with each other. I am impressed by the many achievements made by past and present members of the Chamber and would like to thank each and everyone in the Chamber for contributing their time and efforts to the betterment of the community.

May I take this opportunity to wish the Chamber and its members every success in the years ahead.

Elsie Leung GBM, JP

Secretary for Justice

Message from Honorary Life President

Victoria Junior Chamber

It is a fitting occasion to celebrate the 55th Anniversary of the Victoria Junior Chamber and to recall its past achievements and successes.

But, doing so should only be taken as a strong challenge for even greater achievements by the Chamber now and in the years to come.

Thus, when I congratulate all members, I urge them also to redouble their effort to make the Chamber even more successful in giving the opportunity to young people in Hong Kong to serve the community together while refining their own qualifications in the process.

Message from President

Victoria Junior Chamber

It is my great pleasure to welcome you to our 55th Anniversary of Victoria Junior Chamber. It is indeed our great honor to have The Honorable Elsie Leung, GBM, JP, Secretary of Justice as our Guest of Honor at this Anniversary celebration.

For fifty-five years, Victoria Junior Chamber has been providing valuable opportunities for the young people of Hong Kong to develop their leadership skills, social responsibilities, entrepreneurship and international vision to create positive change. This achievement cannot be made without the support of our predecessors and our Victorians.

"Positive Value; Vision for Betterment" is the theme this year. It is about time to look forward. Our wishes are to develop positive values for our members and our community, with the vision of making a better Hong Kong. This year is a great challenge for us. I myself together with our Board of Directors will seize opportunities and be committed to bring positive values to our beloved Chapter to a higher horizon.

Last but not least, I would like to extend my heartfelt thanks to Project Chairman Past President Thomas Sun and his organizing committee for their hard work in the past few months to make this event successful. Let's embark another milestone and strive for excellence. I am sure we, Victorian, can make it.

Junior Chamber International

Congratulations to you as you celebrate your 55th Anniversary this year. I am proud of your accomplishments and confident of your very bright future!

Through the committed efforts of many present and past Members of JCI Victoria, you have made significant contributions to your community and inspired JCI Members worldwide. In celebrating the past 55 years, it is important to also remember that the most important years are those ahead. Today marks the beginning of a new journey, during which JCI Victoria will have the opportunity to advance ever further, setting the pace for JCI all over the world.

To achieve the continued success you deserve as JCI Members in Hong Kong, please keep in mind the revolutionary beliefs upon which our forbearers established this organization, which are still at issue around the globe today. I encourage you to remember that we are the heirs of that first revolution and to continue working tirelessly to assure the success of our fundamental principles and the foundation upon which our organization was born.

In 2005, I would like to ask you that, while fostering our fundamental principles and taking advantage of your strengths and competencies - your vision, leadership, achievements, decision-making, analysis, and culture building - you focus on Membership, Marketing and Media.

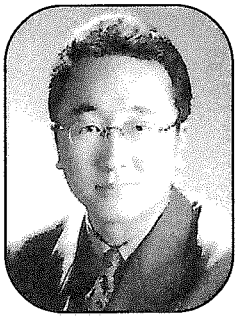

Endeavor to better understand the needs of your Members and promote continuous innovation. Lead by example while challenging and supporting the professional growth of your Members. You will thus ensure the continued success of JCI in Korea and contribute to JCI's success worldwide in 2005.

Congratulations again and best wishes for your next 55 years!

Junior Chamber International

"Happy Birthday Message" from JCI.

I offer my hearty congratulations on your 55th Anniversary. In the long history, Victoria Junior Chamber has been always one of the leading chapters in Area B, and in the world. The current reputation of Victoria Junior Chamber is based on the excellent jobs your seniors and your elders had made in the history. We have to appreciate for their efforts and achievement.

Recently, everything is changing very fast. As young leaders you are the persons to start making the new history of Victoria Junior Chamber. We should keep some traditions to maintain this organization, but it is also true for this organization to change something for the better future. It is your responsibility to keep the sustainable development of this wonderful chapter in the future.

At the end of the year 2004 the disaster of earthquake and tsunami damaged several countries in South Asia. I would like to send the expression of my deep sympathy to the victims. I wish the JCI Network can contribute to the development of the affected areas, and I hope Victoria Junior Chamber will act the leading role in JCI Operation Hope.

I again congratulate Victoria Junior Chamber on the wonderful 55th Anniversary, and wish each one of you is ready to make the new history. I am looking forward to meeting each of you in Macau ASPAC.

Message from Vice President

Junior Chamber International

It is my great honor to be a part of this memorable and auspicious event and it gives me great pleasure to extend my heartiest greetings and congratulations to Victoria Junior Chamber on the occasion of its 55th Anniversary under the theme of "Positive Value; Vision of Betterment".

As a JCI Vice President assigned to JCI Hong Kong, I sincerely appreciate all the hard works of the Past Presidents of Victoria Junior Chamber, and applaud all the members of Victoria Junior Chamber on their dedication and achievement for our organization.

Victoria Junior Chamber is very special for me because we have the same sister chapter in Tainan, Taiwan. My chapter is Gwangju JC and we have kept very close friendship with Tainan JC as a sister chapter for 30years since 1975. Whenever I visited Tainan JC to celebrate their anniversary, I've met many delegations from Victoria JC in Tainan.

I know Victoria Junior Chamber is one of the most excellent and powerful organizations in JCI Hongkong in accordance with its long history. And I have heard excellent comments about the achievement of Victoria JC who has born so many outstanding members and distinguished leaders not only in JCI but also in your society. As we know very well, JCI creates better leaders to create better society and we believe that service to humanity is the best work of life. I trust that all the members of Victoria JC are armed with young spirit and carrying out the JCI missions continuously toward our bright future under the strong leadership of Chapter President, Enda Chan.

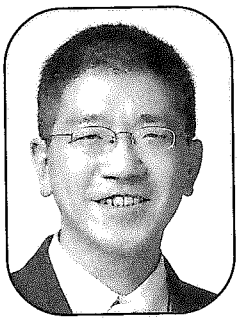

Finally I'd like to share with you the 2005 Business Plan of JCI, 3Ms-Membership, Marketing and Media. JCI will focus on membership growth through the marketing and media this year. I hope you to consider about 3Ms and expect to participate Area B Conference well prepared by JCI Macau, China and World Congress held in beautiful city, Vienna, Austria.

I wish you and Victoria JC all the best !

See you in Macau ASPAC !

In today's changing world, our members face many new challenges each day. It is important to prepare ourselves for these challenges. Through active participation in Junior Chamber activities, members can develop various skills in tackling these challenges.

Message from National President

Junior Chamber International Hong Kong

Congratulations to Victoria Junior Chamber for your 55th Anniversary.

Being the pioneers in JC movement in Hong Kong, past presidents and founding members of Victoria Junior Chamber had the adventurous and long-term vision of founding an organization here in Hong Kong for the good missions that we firmly believe in.

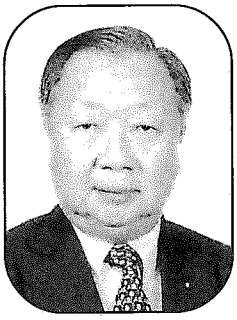

Throughout these 55 years, your contribution towards our organization and the community is truly immense. As the President of the parent NOM of Victoria JC, I would like to call for members of other chapters to salute to our "big brother", to thank you for your great leadership and has been a great aole model for other chapters to look upon.

As I said in JCI Hong Kong's Anniversary Celebration, 55 may be an age for retirement for some people, it is actually a good time for us to review our past and begin our new life with firmer directions and stronger commitments.

Let me wish Victoria Junior Chamber another half century of success, and a fruitful year under leadership of President Enda.

It gives me great pleasure to send this Message of Greetings as you celebrate your 55th Anniversary.

Junior Chamber International is proud to count JCI Hong Kong as among one of its longest established NOMs. This is possible because of the pioneering work of those founders some 55 years ago, and then followed by each successive year of members of the Victoria chapter.

I am happy to say with great satisfaction that Hong Kong Jaycees as a whole, and Victoria Jaycees in particular, continue to participate in many new spheres of JCI programmes throughout these years, keeping the spirit of Jaycees alive.

I would like to invite you to join me in the pioneering work on the Jaycees International Foundation as we reach out to new horizons in fulfillment of JCI's mission for leadership development and world peace.

As a Victorian, I am delighted to share with you the joy and pride of Victoria Junior Chamber as we celebrate the 55-years growth of our beloved organization.

Long Range Planning Commitiee

The objective of the LRPC is to review, discuss and suggest tactical steps for the Chapter to take or adopt so that strategic long term goals can be achieved. Members of the LRPC are basically all the Past Presidents of VJC plus the current President. In recent years, we have devoted most of our emphasis in 2 areas - Financial Resources and Human Resources.

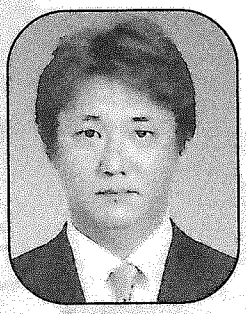

We have set up our own Trust Fund which, despite recent unsatisfactory financials of the Chapter's day-to-day operations, will provide a little buffer and comfort for the Chapter's caring members and future administrators.

Probably we have made bigger strides in terms of Human Resources. Apart from attracting groups and groups of bright young people to join as Victorians, we have provided lots of development programs and opportunities for our members to learn from doing and making mistakes. We have hosted the biggest event/project - National Convention - in 1984, 1994 and 2004. We have also trained numerous members to take up executive positions in both the Chapter as well as in the National level. This includes 3 National Presidents in 10 years - Frank Pak (2004), Spencer Li (2000) and myself (1994).

Definitely we will continue to contribute our efforts in making JCI Hong Kong and Victoria Junior Chamber a wonderful organization for all our members.

Taking this opportunity, I would like to congratulate President Enda and her team who have made this 55th Anniversary enjoyable and I wish all of them a most fruitful 2005.

Osaka Junior Chamber

On behalf of the Osaka Junior Chamber, Inc., it is a great honor and pleasure for me to have this opportunity to deliver a congratulatory address to the Victoria Junior Chamber as a token of the 55th Anniversary.

Firstly, I would like to show much respect for all of the members of the Victoria JC, who have devoted themselves to the growth and prosperity of their chapter for many years. Furthermore, as a sister JC, Osaka JC takes pride in the fact that the Victoria JC has been played a main role in the area of JC activities in Hong Kong over a period of time.

History suggest that the sister JC affiliation was concluded as of September 23rd, 1989. From that day, the Victoria JC and the Osaka JC have been keeping favorable relations each other. We are most pleased that our friendly relations continue to develop steadily through various JC programs. Especially I would like to thank them for agreeing to be with us at the JCI ASPAC as well as the JCI World Congress every time.

From a global standpoint, each and every Asian country is going to establish a firm position in the world. Actually the global people watch the moves of Asia in our own century. With China's remarkable economic growth, the time is not far off when Asia will hold the central place in the world. In the meantime under such circumstances the role of the private-level diplomacy in JC activities is one of the greatest contributions that they can make to society. I believe that the sustainable and good fellowship between Victoria in China and Osaka in Japan will play a major role in continuing to develop the very strong links as the private-level diplomacy.

In closing, may I offer my warmest congratulations again on the occasion of the 55th anniversary of its founding and also congratulations on your brilliant record of achievements to date.

台南青年商會賀詞

欣逢貴會舉辦五十五週年慶典，文福謹代表台南國際青年商會全體會友，致上最誠摯的敬賀之意，並祝大會順利，圓滿成功，會務昌隆。

這是一個偉大的日子，「承先啟後、繼往開來」這五十餘年來，是多少前會長和眾多前輩們的汗水和付出，才能讓我們在這裡拉開慶祝的序曲，凡走過必留下痕跡，青商會是一個自我訓練的社團，是一個培養人才的搖籃，一個青商會的穩定成長，實有賴於一位傑出的會長，更需要許許多多幕後揮汗付出的會友，而今天就是你們帶上榮耀的光環，接受來自四面八方的友誼之手所獻上的喝采及掌聲。

隨著e化世界的來臨，遙遠的距離不再遙遠。人與人之間的交往，也隨著交通便利而縮短距離。也期望在未來的日子裡，貴我兩會能為兩岸的經貿、文化各項交流，做出一番貢獻。去年很榮幸的在台灣見到Polly Chui會長，其落落大方的典範，不愧是九龍奔騰、地靈人傑的香江，所培育出來的領導人才。也利用這個機會感謝徐會長，不辭辛勞的參與本會的慶典。在此致謝!!而今年Enda Chan會長更是傑出優秀，責無旁貸敢於接下大週年慶典的魄力，更是荊幗不讓鬚眉，很榮幸擁有這樣優良傳承、風雅典範的姊妹會，也向維多利亞的諸位前輩先們，致上台南國際青年商會的越洋問候，您們的支持，讓本會也深覺溫馨。過去、現在和未來的歲月，貴我兩會將緊緊攜手邁向一個科技建構的世紀，也將一起迎接大中華商圈共榮共存的時代，預見維多利亞青年商會這顆東方之珠，定能在亞洲地區發出閃耀的光芒。

最後，謹再次恭賀維多利亞青年商會全體會務執行人員及會友，家庭美滿、事業順利、大會圓滿成功、謝謝！

It is indeed with great honor and delight to extend my warmest greetings and congratulations to the officers and members of the Junior Chamber International – Hongkong - Victoria on the occasion of your 55th Anniversary.

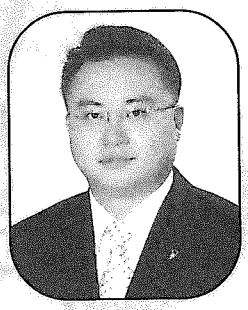

Fifty-five years in the Jaycee movements is indeed a very special milestone. It is a proof of the strength and quality of your chapter. Junior Chamber International Hongkong-Victoria can certainly take pride of its unparalleled history and the accomplishments and the wealth of leaders it has produced.

Tonight as you celebrate your 55th anniversary, we are very honored to have friendship pact with you. The friendship between our chapters that started during the 2002 Asia Youth Forum in Hongkong is even nourished as we bond, had fellowship and shared different views and ideas during the 34th anniversary of our sister chapter JCI Korea - Seoul Dongdaemoon. We hope that the friendship that we established couple of year ago will continue and be sealed with sisterhood pact in the future. In this way both our chapters can be able to work hand in hand in reaching and touching lives, creating positive change and making great leaders of tomorrow.

To president, Enda Chan, I salute you for taking the challenge of leading this prestigious chapter to another year of success. May we continue to nurture our friendship through meaningful projects and activities. We hope that the friendship we have built will continue to flourish.

Seoul Junior Chamber

First of all, congratulations to your 55th anniversary. Today is truly a remarkable day,commemorating the history of more than half a century for JCI Hong Kong Victoria. I am greatly honored to be invited to your anniversary and I hope this occasion will promote bondage for all Jaycee members from overseas.

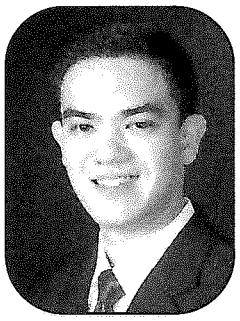

I would like to also express my deepest gratitude to the JCI-Hong Kong Victoria President Enda Chan, the board of directors and members for their diligent effort put in for the preparation for the 8th Asia Pacific International City Conference. It was truly meaningful to have an opportunity to mutually discuss with collaborating Chapters of Tokyo, Hong Kong, Singapore, Taipei, and Manila Jaycees on topics such as economic, environment and security issues in the Asia-Pacific region. I hope occasions like today will serve as a foothold for a stronger bondage between members of Jaycees in Asia, and ultimately bring positive values to not only the members but also the community as a whole to a higher horizon.

I would like to also encourage the members of JCI-Hong Kong Victoria to successfully carry on the JCI traditions for another 55 years. JCI-Hong Kong Victoria is one of the eldest chapters in Asia, and is often viewed as a benchmark to other Asian chapters. A successful and active program of JCI-Hong Kong Victoria will greatly encourage other Jaycee chapters to seek a more active role within their community.

Once again, I would like to congratulate the 55th anniversary, and I wish the best of luck for next 55 years as well.

Thank you and I hope to see every one of you at World Congress next year in Seoul.

Sir Isaac Newton once said "If I have seen further it is by standing on the shoulders of giants." This encapsulates what the different JC chapter's bond with each other should be. As successful as we may be individually, it is thru collaboration that we can together realize our full potential. It is from each others triumphs where we can draw inspiration and guidance from.

The Victoria Junior Chamber is one such giant which should lead the way in the region.

On behalf of JCI-Manila, it is our honor and privilege to congratulate the Victoria Junior Chamber on the auspicious occasion of their 55th Anniversary. I am confident that President Enda Chan, her officers and members will continue to lead the way in promoting the values and ideals of Junior Chamber not just in Hong Kong but also internationally.

Kowloon Junior Chamber

On behalf of Kowloon Junior Chamber ("KJC"), I would like to express my whole-hearted congratulations for the 55th year's anniversary of the great Victor Junior Chamber ("VJC").

As the pioneer chapter, VJC had witnessed the growth of the Junior Chamber in Hong Kong. With the assistance of VJC, the spirit of Junior Chamber could be well spread into different categories of the society, which led to the dramatic expansion of JCIHK. Without VJC, I am sure that we might not have the chance for us to get together tonight and share your joy and success. Your contribution towards both the JCIHK the society should be highly appreciated.

With the passion and energy of your decent ladies and gentlemen, I am confident that VJC can carry on your spirit in order to prepare more future leaders to our society. It is therefore the honor of KJC to witness your success in your happy anniversary year.

Message from Past President

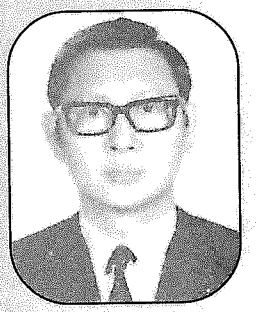

1951 - President

Time flies, it is already Year 2005, I am very glad I had been the President of this organization in 1951. I learnt a lot in leadership and organizing and gained friendship and experience through the sharing of others during the process in organizing projects and functions.

I would like to congratulate all the present and past members for Victoria's 55th Anniversary and sincerely hope that Victoria will have a better future.

Senator J.S. Lee
1951 JCI Hong Kong National President

1968 - President

As you pause to celebrate the 55th Anniversary of the Victoria Junior Chamber, you are entering into another chapter having achieved a higher plateau year after. Your achievements is truly remarakle and admirable. The objectives pertaining to the Jaycee Creed are all carried out with excellent results as reflected by the many awards you receiced at the World Congress and JCI Conventions.

However, never be complacent with the success so far. May you and the future leaders of Victoria achieve further milestone. In 5 years time, you will celebrate the Diamond Jubilee, the 60th Anniversary. I'll be there with you.

Senator Arthur Choa
1970 JCI Hong Kong National President

1974 - President

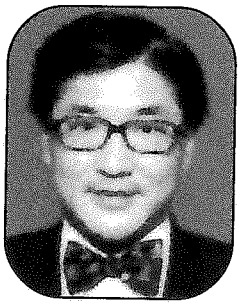

I couldn't believe that time flies so fast that Victoria Junior Chamber is celebrating her 55th Anniversary of establishment this year. On this auspicious occasion, I would like to extend my warmest congratulations to all the current members led by our capable President Enda for achieving another milestone in the history of our Chapter.

As the Chapter's president in 1974, I have witnessed the growth of our Chapter both in membership, fellowship and in all the areas of opportunities. The number of the service projects, either big or small, organized by Victoria Junior Chamber, for the community was just innumerable. It is no doubt that the spirit and the objective of Jaycees, "LEADERSHIP TRAINING THROUGH COMMUNITY SERVICE" has been maintained and upheld by each of the members.

I wish to extend once again my best wishes to the Chapter for a most successful celebration and many more years of meaningful services to our community.

It is my pleasure to congratulate the victoria jaycees on its 55th anniversary. The chapter has grown from strength to strength over five decades and I am sure our members will continue our zest to achieve more successes in this new century.

1985 - President

I wish to congratulate heartily on the 55th Anniversary of Victoria Junior Chamber.

This is indeed a memorable year for all Victorians. I have the privilege and honor to be associated with VJC since 1982. The experiences that I gained during my formative years at VJC certainly help me a lot in my career development. As a management scholar, I practice what I preach (or what JCI peaches.). I salute to all Victorians who contribute to the Jaycee Movement in Hong Kong in the past 55 years!

Senator Mike Nyaw

1986 - President

Over the past 55 years, the Victoria Junior Chamber has been making significant contributions towards developing our leaders for the future. The Organization is committed to not only youth affairs but also services to the elderly and the community as a whole.

Hearty congratulations to all involved in the preparation of this dinner celebrating the 55th anniversary of the Victoria Junior Chamber. Thank you for giving of your time, talent and energy. I am sure we will all enjoy this marvelous occasion as a result of your hard work.

1988 - President

I joined VJC in 1985 and it has already been 20 years. Time really flies. Many things have changed over these years but there are others which have remained the same. My enthusiasm towards VJC is still the same. The friendship with many current and past VJC members have just got better and better. I can still pick up and learn new things from fellow Victorians.

Actually, for some reasons, I was more emotional last year when we hosted the 2004 National Convention; much more so than in the 1994 Convention. Perhaps "Once a Victorian, Always a Victorian" is already deeply rooted in me.

I wish all the Victorians and friends will enjoy this 55th Anniversary and many more to come.

1992 - President

How time flies and I have been a member of Victoria Junior Chamber for 20 years. It is not easy for a voluntary organization like us to grow and sustain in times of economic downturns and adversities. It is the 'magic' that makes every member especially the President devote his or her utmost commitment and enthusiasm in chartering a noble course for the Organization.

I cherish the friendship and acquaintances that I have made over the years and the invaluable experiences, opportunities and challenges that I have encountered.
May I wish my loving mother chapter from strength to strength and the current Board of Directors a fruitful and unforgettable 55th anniversary year.

Message from Past President

1993 - President

It is a precious moment for us to gather together in celebrating our 55th anniversary. Fifty-five years may be old enough for elder to speak about the good old days in front of the youngest. However, in Victoria, we shall not mouth for good old days as we are building up a better club and working for a better tomorrow.

The past fifty-five years in Victoria only represents years of semesters. We accumulating values and pass it semester after semester. I assure you that you shall recognize how your life and career be polished by these values before you fall into the senior crowd suddenly.

When you proudly say "I am Victorian" you qualify to be graduated. Taking this opportunity, I would like to direct my sincere congratulations to the 55th Anniversary Chairman Thomas. He teams up a group of devoted members to accomplish the target assigned. Of course, this is also a good leadership example of our Club president, she appoints a right person to accomplish the right target on time. Once again, congratulations.

David Mak

1994 - President

I extend my warmest congratulations to Victoria Junior Chamber for celebrating 55 years of community service and youth leadership development in Hong Kong. It is indeed a significant milestone that we can all be proud of.

In the past 55 years, Victoria Junior Chamber has been a visible force in promoting positive change in Hong Kong, addressing challenges and opportunities brought forth by contemporary social and economic concerns. We have witnessed the growth of the economy, and weathered the storm of grimmer times. We have prepared young people for leadership roles in the community, and shared resources with those in need with open arms. We are very much a part of Hong Kong's success story for these years.

This year, under the leadership of President Enda, I am confident that Victoria Junior Chamber will continue to go from strength to strength. Once again, may I extend my congratulations to all past and current members of Victoria Junior Chamber for all their achievements and contributions .

Most of my close friends are Jaycess. New faces I met years ago, when I join the Victoria family, and faces I mature with. I hope you may all share my pride as a Jaycee. 2003- President

As the Chapter's president in 2003, I have witnessed the difficult time of our chapter and Hong Kong since the "SARS". That makes us growth and gain the unforgettable experience. The experiences that I gained during my formative years at VJC certainly help me so much in chair of 55th Anniversary Celebration and my life.

The number of the service projects organized by Victoria Junior Chamber in the past 55 years, is like emerald "small but meaningful and valuable". It is no doubt that under this year Vision "Positive Value; Vision for Betterment", our beloved chapter Victoria will maintain our important role to prepare young leaders in the community.

On this auspicious occasion, I would like to extend my heartfelt congratulations to all Victorians led by our wonderful President Enda for achieving another brighten page and success in the history of our Chapter.

JCI Opportunities

Junior Chamber can be called an organization of opportunities. The opportunities available within Junior Chamber are so numerous it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four Areas of Opportunities within the organization: Individual, Community, Internationalism and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

JCI Corporate slogan: Entrepreneurs in Action

The word "Entrepreneur" has a vast range of positive meanings. Primarily denoting "a person who organizes a business undertaking," it can also describe someone who takes bold actions for the community--a social entrepreneur. Innovative, cutting edge, creative, and energetic, an entrepreneur has fresh, original ideas and is ready to risk implementing them. The words "In Action" were selected to indicate that our members are active and proactive, always working toward change. Regardless of the area of enterprise development, training, environment, children, peace, internationalism, our members help improve their communities, their countries and their world.

The slogan "Entrepreneurs in Action" depicts our members' determination and courage to create and use opportunities to generate change, to break barriers and to explore new fields. Pioneers in business and in life, they are trailblazers; they radically redefine limits, and how they can be reached and surpassed. Junior Chamber's ranks include leaders who are investors, venture capitalists, entrepreneurs, and professionals in diverse fields. Their entrepreneurial action empowers them to forge change to make the world a better place. They are visionaries, risk-takers and mavericks; they transform great dreams into reality. With strength and determination, they are reaching new limits, continually striving to do more and be more in their businesses, their communities, and in the lives they help change.

Annual Meeting

The 60th World Congress will be held in Vienna, Austria October 24-29, 2005.
