The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.

Economic justice can best be won by free men through free enterprise.

Government should be of laws rather than of men.

Earth's great treasure lies in human personality.

Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Message from Guest of Honor

President of Junior Chamber International

As the 2008 World President, I am delighted to extend my sincere good wishes to you on the inauguration of your 2008 National Officers. Since the inauguration of JCI Hong Kong in 1950 your organisation has been one of the most dynamic in our global JCI movement.

JCI Hong Kong can be proud of the positive contribution it has made to civil society for well over 57 years and in 2008, I will be asking you to make another positive contribution to Hong Kong society.

In an ever changing world where community spirit is often under threat, the role of volunteers like ourselves is becoming increasingly important.

In 2008 JCI will call upon all young people to fully embrace active citizenship. We know that it is through active citizenship that the fabric of society is greatly improved. Now at the beginning of the twenty first century governmental organisations are now recognising the importance of the volunteer movement and active citizenship. Fortunately we can show the way.

In 2008 I am asking each and every member to become real active citizens and to promote the virtues of the JCI movement at every given opportunity.

By visually living out JCI's philosophies and beliefs we can easily motivate others to join this great organisation.

Finally, I extend every good wish for your celebrations on this wonderful occasion and wish you every success for the future, knowing that you will constantly strive to BE BETTER.

Message from Honorary Advisor

Dr. Pang King Chee, MH

It is indeed my honour to be invited by the JCI to be an Honorary Advisor again for 2008.

It is always a great pleasure to work with such an enthusiastic and dedicated group like the JCI, with members aspiring towards continuous growth and development as their prime objective. I can vividly feel the ideals and passion of the leaders of the JCI as I interacted with them, and particularly from Mr. Woo Kin Man, Clement, the 2007 National President who has set an excellent role model.

I am glad to learn that JCI has been active in promoting CSR or Corporate Citizenship, and I am grateful to the JCI's valuable support as an important Support Organization of the recent Corporate Citizenship Seminar organized by the Committee on the Promotion of Civic Education. After several years' work, the Committee and I are more and more deeply appreciating the importance of corporate citizenship in making important and meaningful contributions to the society, not just externally in committing to ethical practices, minimizing negative impacts to the society, as well as making donations and offering community services, but also internally to the enhancement of the well being of staff including providing important values education, development programmes and enhancing family welfares. A recent study commissioned by the Committee has also shown that engaging in corporate citizenship will enhance team work, sense of belonging, sense of mission, staff dedication, cost-effectiveness and staff quality, which in turn will enhance the quality and image of organizations as a whole. In particular, in developing and further enhancing the values of staff, corporate citizenship work will also greatly contribute to providing meaningful values and civic education for Hong Kong.

With this, I would encourage all JCI members to help in promoting Corporate Citizenship work, both within their own work context, as well as in their social network. Hope everyone will find this a meaningful mission, and will take pride in this important contribution to Hong Kong.

May I take this opportunity to congratulate the JCI for all its impressive achievements in 2007, and wish the JCI every success in 2008!

Pang king Chee

Message from National President

Junior Chamber International Taiwan

It's my pleasure to send the greetings message for JCI Taiwan.

In the beginning of the fire-new year, I believe that we both have many plans for JC Business. I appreciated that Eric has assisted JCI Taiwan a lot in the past year. JCI Hong Kong won several awards in the World Congress, that's what JCI Taiwan needs to learn and imitate. Then I hope JCI-Taiwan and JCI-Hong Kong can work together in the future.

In this year, I will try my best to hang over the good event we had last year, including the Mobile Medical Mission, local Blood Donation activity, training lessons, Economic & Trade Mission to China, and all international interflow programs. We do have similar culture and traditions, I think it's very helpful for our cooperation.

Eric as the JCI VP in 2007 did great job to Area B, and I believe the experience will help him to create more outstanding ideas when he leads JCI Hong Kong. I still remember that how much JCI Hong Kong supported us in ASPAC last year in Taiwan. And I really value the friendship between JCI Taiwan and JCI Hong Kong. May I wish all of you have fruitful and every success in the years ahead!

Message from Senate Chairman
Junior Chamber International Hong Kong

Have a wonderful JC life! Be better!

It is my honour to congratulate the inauguration of the national and chapter officers of Junior Chamber International Hong Kong.

Junior Chamber International is a worldwide federation of 200,000 active young leaders and entrepreneurs from 117 countries. Young people learn by being actively involved in various meaningful projects, to benefit the community on the one hand, to gain leadership skills and project management experience on the other hand. Our senators will continue to support the Junior Chamber movement in Hong Kong and abroad, as coaches, advisors, organization committee members, supporters and donors.

We welcome local organization members to nominate your outstanding and committed members to be senators, recognizing their contribution to Junior Chamber and motivating them to continue their best effort to serve JC and the community.

The national and local chapters' Presidents and officers will be sworn in and committed to grow this organization. Let's work hand in hand to make positive changes to ourselves, our organization, our businesses, our families as well as our community.

I wish Junior Chamber International Hong Kong an exceedingly successful 2008 under the capable leadership of National President Senator Eric Tang, his national team and all the nineteen chapters' leaders.

Clement Woo

Message from Chairman
Hong Kong Junior Chamber Foundation

It is with great pleasure that I will address all the JCI Hong Kong members, supporting organizations and guests who have spared their valuable time to attend this important event, the Inaugural Ceremony.

This Ceremony at the beginning of the year marks the birth of our new group of leaders, at the National level and the Local Chapter level, when they took their oath of office to take responsibility to achieve the noble goals of our leadership development organization. I would urge the presidents to challenge their Board members to take their oath clearly and seriously since their attitude will determine the outcome.

Also it is usually the occasion when a lot of the much needed money, for operating this enormous organization, is raised. That takes a lot of efforts and fund-raising is never really easy. I would suggest to our guests – as much as you are able to do, to give is always feeling better than to receive. Thank you for your support.

The HKJC Foundation also comes from the hard work and carefully-managed savings of our members over nearly 60 years. Through several events like the Conference and Congress, Hong Kong Jaycees managed to generate, maintain and grow the surplus into a healthy pool of funds. We use most of the interest income generated from the investments every year to support our National and Local organizations by providing subsidies to their worthwhile projects. We encourage our members to seek sponsorship externally especially when projects get bigger and bigger, but as either a fall-back procedure or as starting seed money HKJC Foundation try to help in an appropriate manner.

We also welcome your contribution and support.

On behalf of the HKJC Foundation, I would like to wish everyone an enjoyable evening. Under National President Eric, with his capable National Board of Directors, joining up with the 19 marvellous Chapter Presidents and their Board Members, we look forward to welcoming another productive and successful year in 2008 for JCI Hong Kong.

Ronald Ho

Message from Chairman

Long Range Planning Committee
Junior Chamber International Hong Kong

It is my great pleasure to send my heartiest congratulations to all 2008 National Board of Directors of JCI Hong Kong and its 19 local Chapters.

Inauguration is an exciting and joyful moment which also marks the "commitment" you make to serve our beloved organization throughout this year. However, Jaycees always enrich your exposure, organizing experience and uplift your potential which you will probably "be better" afterwards. I hope you all treasure your one year terms of office and upkeep your enthusiasm and persistency till the end of 2008. Your utmost efforts will turn into your valuable experience as well as benefit to the organization / community. Our long term vision will ride on the solid foundation laid down by each one of you respectively.

As you are all our 'role model' for potential members and I would like to share with you :

S = Sacrifice
H = Humility
A = Attentiveness
R = Responsibility
E = Enthusiasm

I have great faith that National President Senator Eric Tang and all Chapter Presidents will lead our beloved organization to another new height ! I would also like to thank other LRPC members for their full support : PNP Senator Roland Ho, PNP Senator Spence Li, PNP Senator Michelle Tang, IG Senator Joseph Ho and Senator Connie Chiu !

Once again, my best wishes to you for a fruitful 2008 !

城市青年商會

城市青年商會是具質素及有組織的培訓領袖才能青年團體之一，我們城市兄弟均抱著同一個宗旨：「服務社會，訓練自己」，用此理念貫穿四大發展機會催生不同工作計劃，進而凝聚一群有理想及抱負的青年人，用實際行動描繪宏大的願景，為社會創造新的價值，與此同時亦譜寫自己人生新的篇章，為個人成長的超界增添了多姿多采色彩。

出任會長一職對我來說，除了是莫大光榮外，也表示背載十字架承擔。肩負本會廿七年光輝歲月，尤其去年榮獲2007年世界最傑出分會殊榮及在總會周年大會經不同的工作計劃榮獲了多項獎項，作為今年會長的我，壓力非輕。我是滿載信心及期盼，因為有著各位前會長、資深顧問、董事局成員及各位會友支持及愛戴，零八年城市會務一定可以百尺竿頭，更進一步。

我以最誠懇及謙卑的心竭盡我和力，藉以團結城市長中青無窮力量，將城市精神感染身邊每一位朋友，藉此歡迎他們加入這個溫馨城市大家庭，編織我嶄生命的希望，泛起關愛的漣漪，攜手打造更精彩更活力的未來城市。

【同心並肩展活力　眾智成城創佳績】是城市青年商會2008年的口號。邁進27周年，08年總會周年大會做得有聲有色、裏掛城市女青商茁壯成長以及維繫新知舊兄弟情感為我們董事局落實理念的方針。各位會員，讓我們和大家共同攜手，一起敢於築夢，一起勇於實試，無懼挑戰，不畏艱辛，創出一個你和我及城市青年商會和諧溫馨家庭生活。最後，謹代表一眾董事局成員祝願大家每天過著很精彩，締造豐盛美滿青商生涯。

Vote of Thanks from Inaugural Ball Chairman

The Inaugural Ball is the most solemn moment each year to all Junior Chamber International Hong Kong Members. It is also a very first official event of the Junior Chamber International Hong Kong. In this dignified event, the officers of the National Board as well as local Chapters will take their oaths of office to commit themselves for the betterment of the beloved organization and our community.

This event, symbolizes a good start of the new year through gathering and witnesses, is not only an installation ceremony, but is also providing an opportunity for officers to know each other and to build the friendship between chapters.

On this special occasion, it is our greatest honor to have Hon. Mrs Rita FAN HSU Lai-tai, GBM, GBS, JP, President of the Legislative Council of the Hong Kong Special Administrative Region Government, Mr. Wang Zhi Min, Deputy Secretary General of the Liaison Office of the Central People's Government in Hong Kong and Junior Chamber International President Senator Graham Hanlon as our Guests of Honor, together with distinguished guests and members to witness the installation of the 2008 officers of Junior Chamber International Hong Kong and its affiliated chapters. Taking this opportunity, I would like to express my sincere gratitude to all sponsors, advertisers, National Officers and the Chapter presidents for their generous donation and contribution to make this event in success, as well as provide sufficient funding for the operation of the Chamber.

It is my great pleasure being the Chairman of the Inaugural Ball 2008 to organize this meaningful event. With the support from the local chapters, a full team of energetic, passionate and experienced members has been formed to work together to create a decent and memorable event for all of you. Without their unfailing devotion and enthusiasm, the project could not be realized in two months. I must extend my utmost appreciation to every Organizing Committee member as well as helpers for their great effort in making this event smooth and fantastic!

My heartfelt thanks also go to the Project Advisor Senator James Tsui for his invaluable advice and guidance throughout the project. His wonderful experience made this event in success. I would also like to express my sincere gratitude to National President Senator Eric Tang, National General Legal Counsel Gene Tang and National Honorary Treasurer Yvonne Wong for their unfailing support. Special thanks go to National Secretary General Benjamin Kong and my Mother Chapter, Harbour Junior Chamber as well as Music Director Alex To for their great assistance.

Last but not the least, your presence tonight has made this event meaningful and perfect. On behalf of the Organizing Committee, we wish you all an enjoyable evening, a prosperous and fruitful year 2008!

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

Todd Opens Library

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children's Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Committee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Two survey teams were set up to inspect the 23 children's libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

"A Better World Tomorrow Through Jaycee Training Today"- Theme of 1966 JCI Conference in Hong Kong.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

History of Junior Chamber International Hong Kong

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

March in of Chief Delegates at Seoul Conference, 1976.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute, Two is ideal, Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.
- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

The 1981 JC Youth Voyage (青年之船) arrived Hong Kong late at 1:30 a.m. due to typhoon.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

1983 Theme Project, "A Diversified Economy, Future Stability & Prosperity", won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1990 theme of Hong Kong Junior Chamber of Commerce "Training the Youth, Heading for Peace", 100 pigeons were released into the sky of Statue Square in Central.

The first-ever JC delegation to visit Beijing, received by All Youth Federation.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

The Opening Ceremony of the New Chamber Office on Sep 11, 1990.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

NP Daniel Cham joined the HK delegation to take part in the "International Model United Nation" organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

Flashback 2000's - Now and the Future

While celebrating the 50th Anniversary in year 2000, we renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory. We continue to provide high quality training programs and learning opportunities to members, and cultivate their sense of belonging to civic matters such as 'Right Decisions Program', 'Basic and Advanced Leadership Management Training', 'You and I bring Hong Kong Back', etc.

"Right Decisions Program" targets for secondary students in enhancing their judgment

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

Hong Kong Junior Chamber participated in "上環繞給我市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Persons Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

First time online interview with JCI President Karyn Bixler was broadcasted to the world during her visit to Hong Kong

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen World Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004 and acquired a new office in Sheung Wan to accommodate our future expansion.

In 2005, JCIHK celebrated her 55th Anniversary and was awarded as "The Most Outstanding National Organization". In 2007, JCIHK was also awarded as the President's Award of Excellence to National Organization in Turkey Congress.

Celebration of 10th Anniversary of the Establishment of HKSAR Project
十載風雲家國情，中華青年專列行

歲月匆匆流逝，香港自**1997**年**7**月**1**日回歸以來，轉眼間就將近**10**年了，我們很快就要迎來香港回歸十週年的大喜日子。

十年，在歷史的長河也許只是短暫的一瞬，但對於香港的青年人來說，則具有重大而深遠的意義，這是不平凡的十年，是香港走向歷史新紀元的十年，是充滿著挑戰的十年，也是廣大青年克服重重困難，迅速成長的十年。

為了迎接和紀念這個不尋常的日子，香港一群青年領袖擬共同發起愛我中華活動—「十載風雲家國情，中華青年專列行」，計劃組織來自兩岸四地的青年**1,000**人，從香港坐火車到北京，舉行慶祝香港回歸十週年，回顧過去，展望未來的大型慶祝系列活動。

合辦和發起團體有：

香港青年聯會、香港民眾安全服務隊少年團、港台青年交流促進會、國際青年商會香港總會、桂港青年交流促進會及粵港青年交流促進會等，爭取中聯辦青年部為支持機構、民政事務局及全國青年聯合會等作為合辦機構。

參加對象：來自內地、香港、台灣、澳門四地的**16**歲至**25**歲的學生及青年

日　　期：**2007**年**7**月**16-24**日共**9**天

參與人數：**1,000**人（香港**800**人、內地**50**人、台灣**100**人、澳門**50**人）

這是一個多元化的旅程！為了是次交流活動，最精彩的莫過於兩次大型表演。「湘港之夜」這個表演節目，有湖南當地各種特色表演，由優雅的歌唱表演到驚險的武術表演，都十分吸引。另外，在北京大學的「青春萬歲」節目中，整個會場在熱鬧興奮的氣氛下進行。一支支光棒左右搖擺的支持著台上每一位表演者。

九天愉快的生活和超過**30**小時的長途火車轉眼間已經過去，來自香港、澳門、台灣和廣東青年朋友打成一片，深入溝通和了解，使大家成為好朋友，同時也使兩岸四地的年青人加深了解我國的風土人情、感受國家對青年的重視……所擁有的經驗既珍貴又特別，還有很多很多非筆墨所能形容的體驗。
