It is one of my greatest pleasures as JCI Vice President to welcome the new members of a new Chapter into our organisation. And I am sure that the presence of the newly formed "East Kowloon Jaycees" in the Hong Kong Junior Chamber of Commerce will become the great strength of Jaycee movements in Hong Kong in the near future.

When young people join together to form a Jaycee Chapter, they have taken the first step towards making a great impact on their community, and to more fully develop the potential which lies within each and every one of us.

All of you, especially President C. K. Tang are to be truly congratulated for your efforts in forming a new Chapter. If there is ever anything that we at JCI can do to help your growth and development, please let us know.

On behalf of all the members of Jaycees International, a very warm welcome to you !

A. DE O. SALES C.B.E., J.P.
Chairman, Urban Council

The inauguration of a new chapter is a happy event anywhere in the Jaycee world.

It means in effect that a new opportunity is being given to the dedicated young citizens of a community to join in a worldwide endeavour to put the goodwill and energy of their generation to good purpose in the betterment of mankind by their practical idealism and universal co-operation. In the process they enrich their experience and personality and make good friends of lasting value while working together for the good of the common man in their respective communities.

My greetings to the new members and congratulations to all who have played a part in founding the East Kowloon Jaycees.

THE HON.CHARLES YEUNG, J. P.

We Jaycees in Hong Kong all share the view that we need a much larger membership to afford more leadership development opportunities to our young people. The establishment of new Chapters will not only speed up the process of attaining our objective above, it is also a unique chance for Charter Officers and Members of the new Chapter to face new challenges.

I am glad to see, within the past 6 months, the establishment of three new Chapters in Hong Kong. To-night we see the founding of the East Kowloon Jaycees, sponsored by the Kowloon Jaycees.

I send my heartiest congratulations to Charter President, Mr. C.K. Tang, his Board and Members and wish many glorious years of the East Kowloon Jaycees in the future.

Message from
The Charter President
East Kowloon Jaycees

East Kowloon Jaycees, an English speaking Chapter, sponsored by Kowloon Jaycees, is formed by a group of young and enthusiastic men and ladies in Hong Kong. During the organizing period, we have encountered many difficulties. At long last, all the problems have been solved and our First General Meeting was held on 24th November, 1979 witnessed by our then National President, Senator Sonny Yu and over 100 guests.

The Jaycees is the world's largest organization in the leadership development of young people. Our Chapter will, therefore, play an active role in the Jaycee movement under the guidance of our National Body and we all subscribe to the ideals of the Jaycee Creed.

I wish to record our gratitude, on behalf of all East Kowloon Jaycees members, to the advice and assistance so freely given to us from the Jaycees, in particular, our National President Senator Major Tang, National Immediate Past President Senator Sonny Yu, 1979 Kowloon Jaycees President Mr. Edmond Pang, 1977 Kowloon Jaycees President Mr. Thomas Tang and 1974 Kowloon Jaycees President Mr. Joseph Kong.

We are also thankful to our Guest of Honour, the Honourable Sir Denys Roberts, Chief Justice, community leaders and fellow Jaycees, who witness the official founding of East Kowloon Jaycees to-night.

C. K. Tang
Charter President
East Kowloon Jaycees.

Message from The President Kowloon Jaycees

On behalf of all members of Kowloon Jaycees, I wish to send my heartiest congratulation to the East Kowloon Jaycees on the occasion of their Charter Night.

The establishment of a new LOM does not only reflect the growth of Jaycee movement but also it provides more opportunity for the young people to benefit from the Jaycee training through participation in community development projects.

It is the third Charter Night in the past three months but certainly I find this one of East Kowloon Jaycees different in that Kowloon Jaycees have played an important role in bringing about the formation of this new chapter. I take pride to say that the Board of Kowloon Jaycees had made the right decision last year.

East Kowloon Jaycees - The Formation and It's Outlook

It was a plan of the Kowloon Jaycees in early 1979 to sponsor a new Chapter at the end of the year. Kowloon Jaycees feel that to establish a new chapter will provide more chance for the members to develop further in the Jaycee movement. Secondly, it will meet with the JCI policy to extend the membership.

During the Kowloon Jaycees Board Meeting in September 1979, a final decision was made to establish this new mixed English-speaking Chapter – EAST KOWLOON JAYCEES. Five members were responsible to form the organizing committee and to recruit new members.

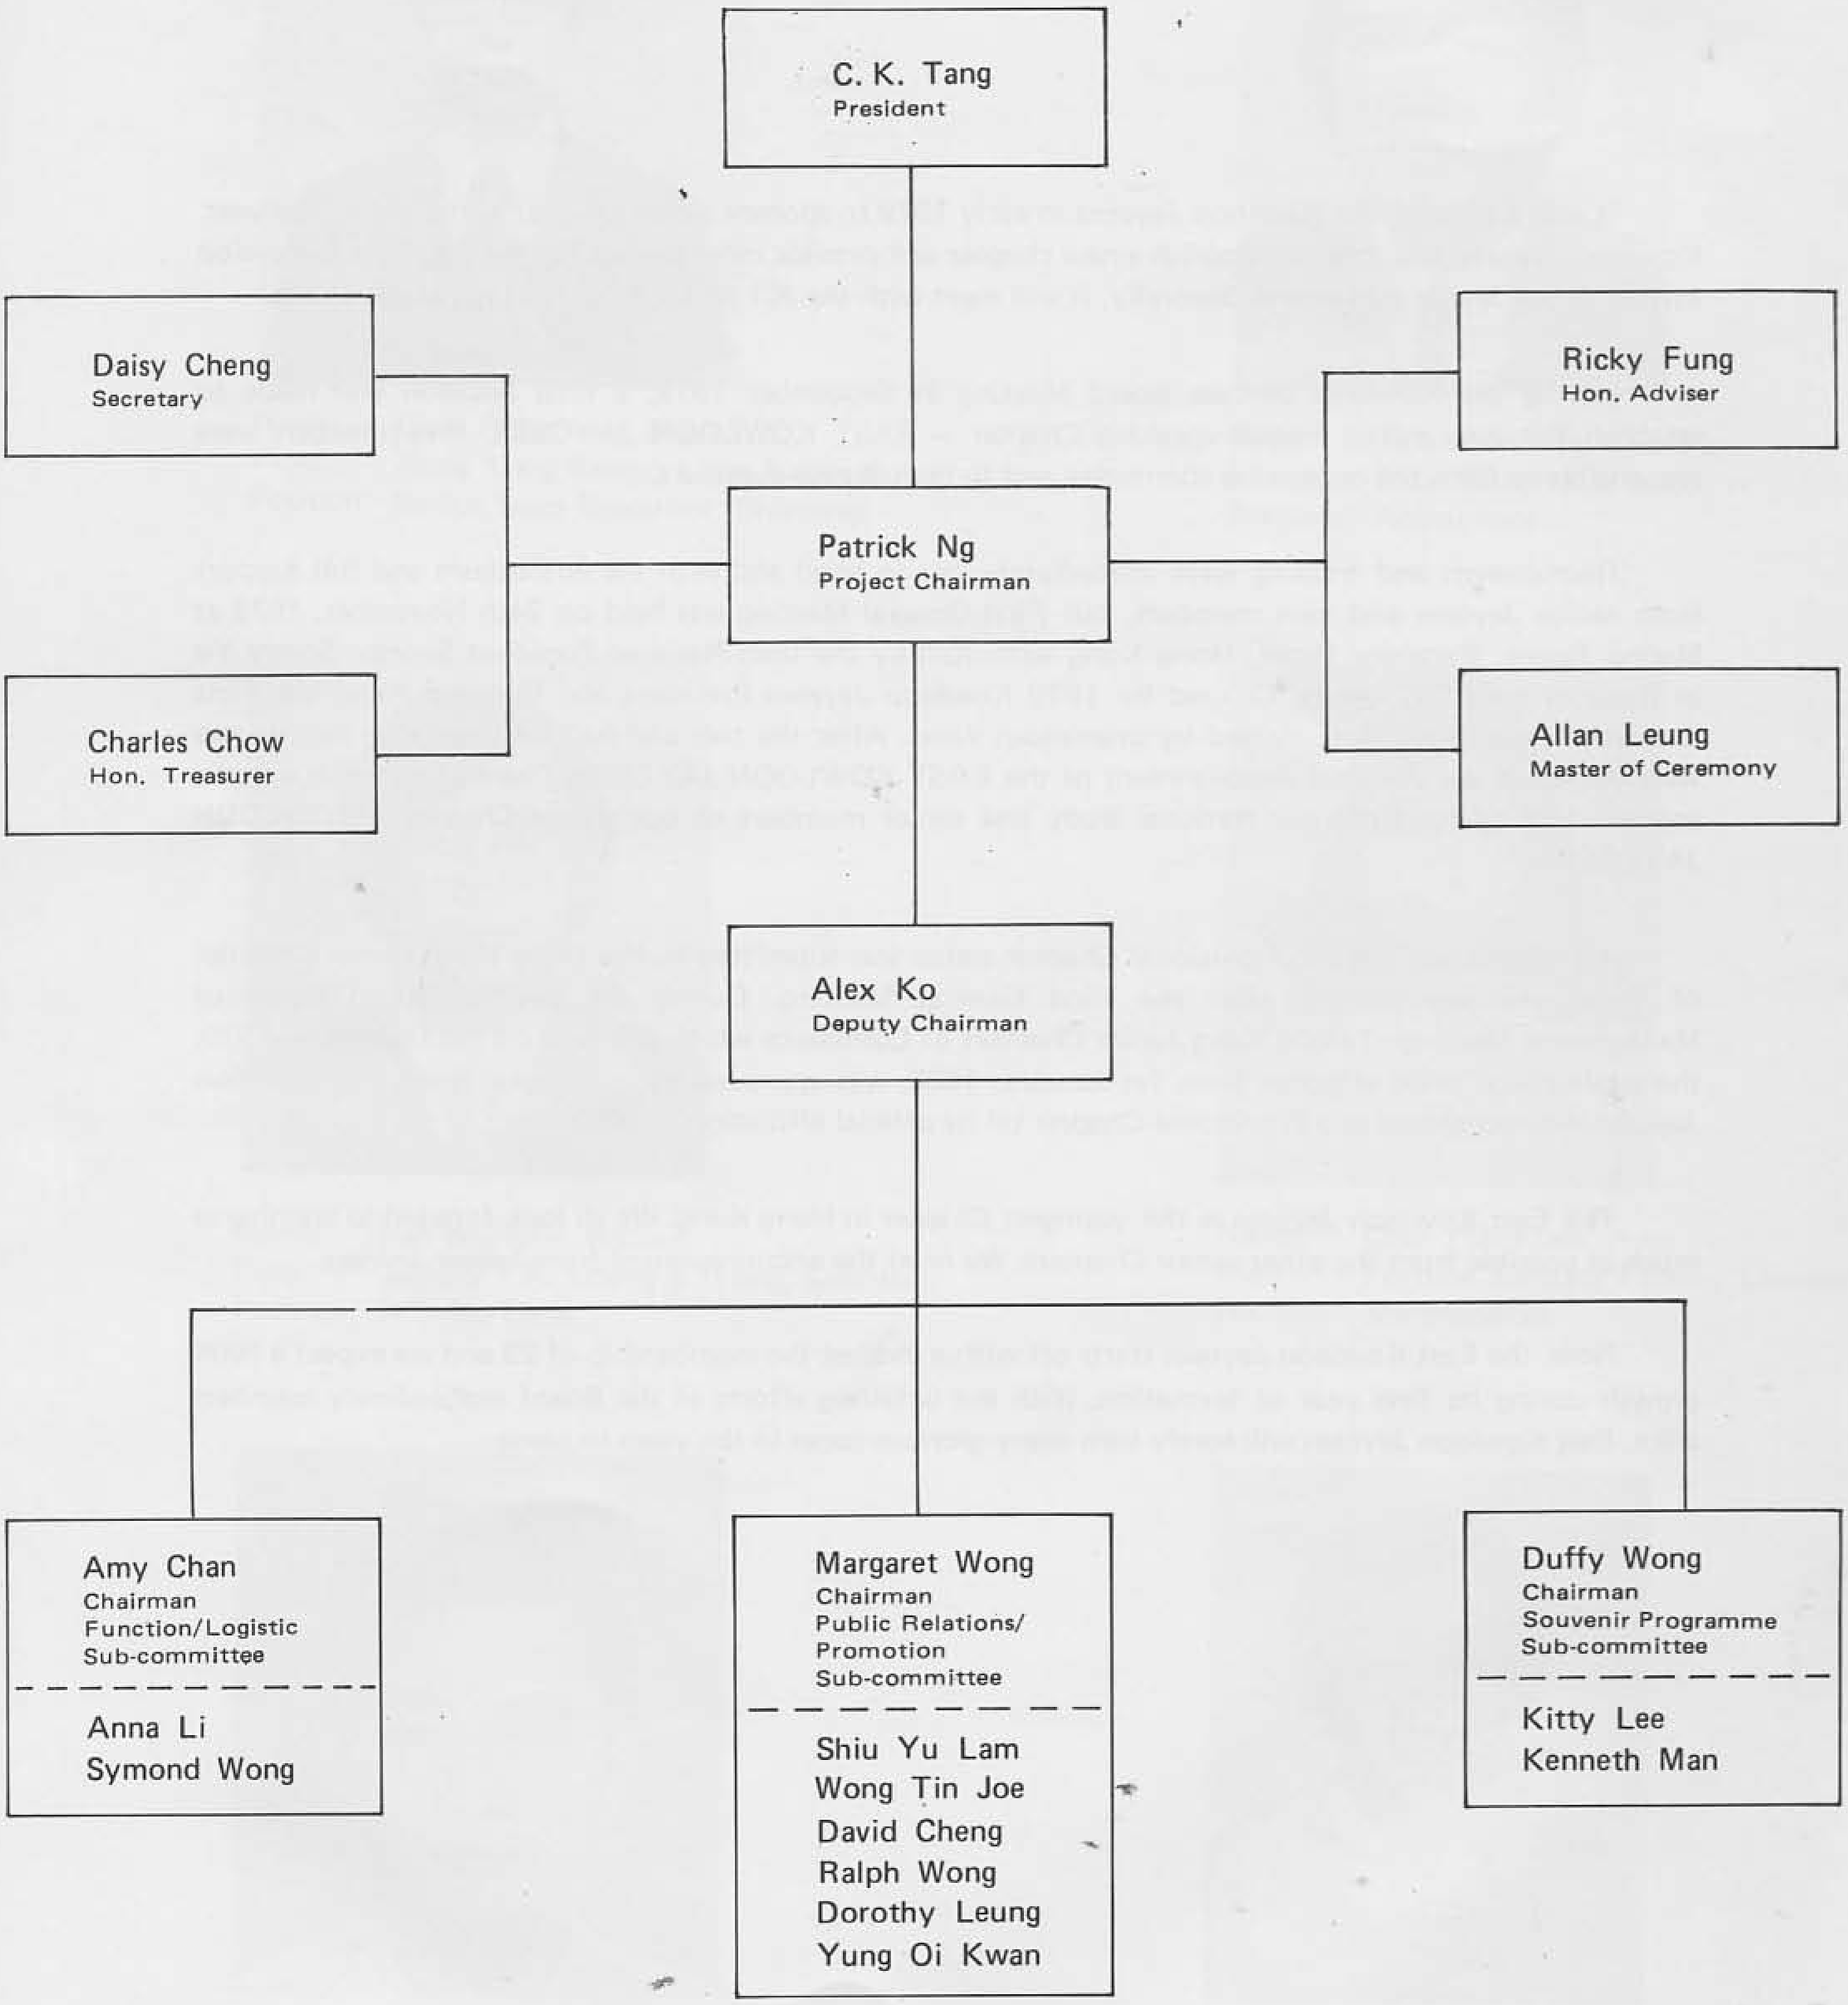

Recruitment and training were immediately put to hand and with the enthusiasm and full support from senior Jaycees and new members, our First General Meeting was held on 24th November, 1979 at Marina Room, Excelsior Hotel, Hong Kong witnessed by the then National President Senator Sonny Yu in front of over 100 guests. Chaired by 1979 Kowloon Jaycees President Mr. Edmond Pang, our First Executive Committee were elected by unanimous votes. After the two and half hard working months, we were happy to see the final establishment of the EAST KOWLOON JAYCEES. Thanks to the full support and valuable advice from our National Body and senior members of our parent Chapter – KOWLOON JAYCEES.

An application for the Provisional Chapter status was submitted to the Hong Kong Junior Chamber of Commerce immediately after the First General Meeting. During the twelfth (Joint) Board of Management Meeting of Hong Kong Junior Chamber of Commerce which was held on 3rd December, 1979, the application, to be effective from 1st January, 1980, was approved by unanimous votes. East Kowloon Jaycees was recognized as a Provisional Chapter till its official affiliation in 1980.

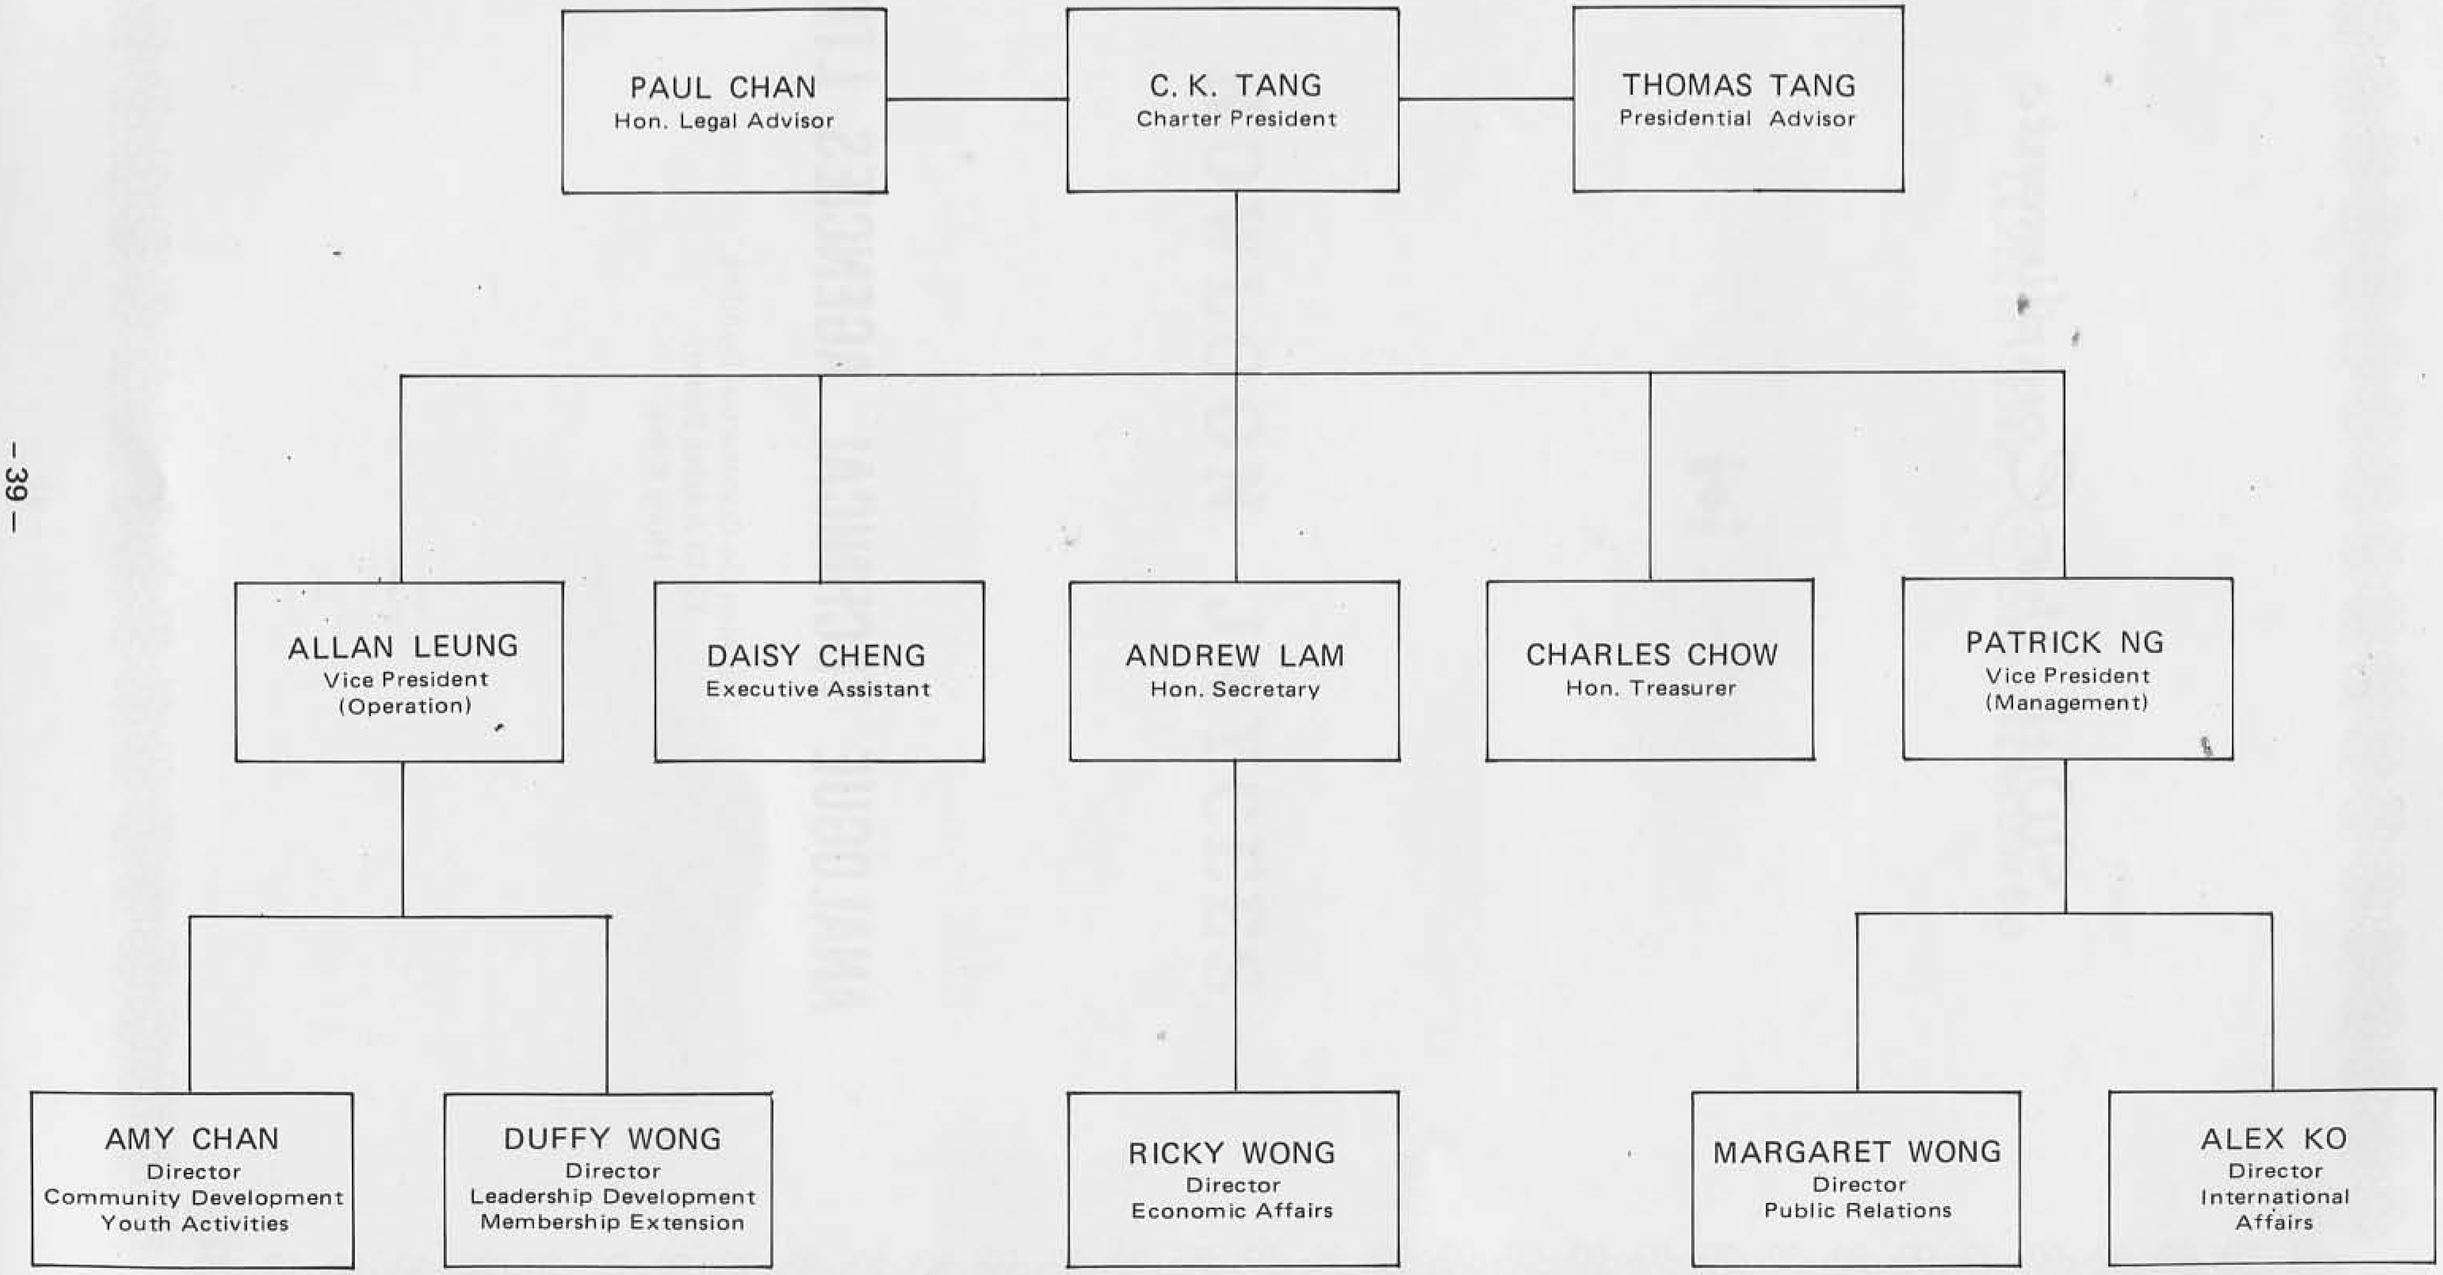

The East Kowloon Jaycees is the youngest Chapter in Hong Kong. We all look forward to learning as much as possible from the other senior Chapters. We need the encouragement from fellow Jaycees.

Now, the East Kowloon Jaycees starts off with a modest the membership of 23 and we expect a 100% growth during its first year of formation. With the unfailing efforts of the Board and ordinary members alike, East Kowloon Jaycees will surely turn many glorious pages in the years to come.

Cafe-Venda also gives you a hot little choice — 130 cups of piping hot coffee, tea, lemon tea and chocolate.

And **Cafe-Venda** only needs about as much space as your Secretary's typewriter.

So, if you like the idea of hotter hot drinks, give us a call.

Then for those of you who prefer more than a selection of hot drinks, there's the Hot 'N Cold water dispenser. You'll need a little more effort to mix a hot drink. But it will serve you a cold one right away.

The new breed.

One glance, one moment, one day

CITIZEN QUARTZ DIGI-ANA ALARM . . . The new breed of watch that takes a new look at time. Its digital section shows the world of now — hour, minute, seconds . . . day, date, month. The analog part moves through time — what it was, is, will be.

With an alarm and push-button illumination

DIGI-ANA ALARM reminds you it's time with a 24-hour alarm — and can give you an hourly time signal. Turns into a 1/100-second stopwatch. Gives you a choice of 12-or 24-hour time readout. Built-in illumination allows easy nighttime viewing.

Plus these other features

DIGI-ANA ALARM lets you use stopwatch and alarm simultaneously . . . automatically makes end-of-month and leap year corrections . . . runs 2 years on a single power cell, and flashes a warning when that runs down.

Wouldn't you say it's time for a CITIZEN QUARTZ DIGI-ANA ALARM?
