MESSAGE FROM GUEST OF HONOUR

Congratulations to the President and Members of the Queensway Jaycees on the occasion of its 5th Anniversary. It has always been a pleasure for me to be associated with the Jaycees, and I am glad to note that the Queensway Jaycees has a notable record of service, despite only five years of activities.

In conjunction with this celebration, they are also using this occasion to raise funds for various projects, and I would like to take this opportunity to wish them every success in their worthy cause.

SIR ROGER LOBO
C.B.E., L.L.D., J.P.

MESSAGE FROM PRESIDENT JUNIOR CHAMBER INTERNATIONAL

It is my great pleasure to greet all the members of the Queensway Jaycees on the occasion of your 5th Anniversary and Fund Raising Ball.

I would like to thank all the Jaycees who have served our Organization in the past, because without their dedication and assistance we would not be celebrating today.

Congratulations to everyone for their hard work. They are an example and inspiration to young people in the community.

I would like to send a special greeting to Queensway Jaycees 1989 President Ivy Tam and her Board and wish them continued success.

Although I am far away, my heart will be with you and I would like to take this opportunity to assure you of my full support and warmest regards.

We are, "Jaycees... Making It Happen".

Isfahani Sameen
1989 President
Junior Chamber International

MESSAGE FROM EXECUTIVE VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

Change is on the winds blowing across Hong Kong. As I write this letter, Sir David Wilson is in London discussing Hong Kong with Mrs. Thatcher. The ink on the last draft of the Basic Law is hardly dry. Probably as you meet to commemorate your fifth anniversary members of a parliamentary committee from the United Kingdom will be in Hong Kong to assess the situation with a view toward 1997. Hong Kong is experiencing a flight of people and capital.

Our challenge as leaders is to manage change, to give it shape. Our generation is in a particularly important and pivotal role in the history of Hong Kong. These are exciting times. The need for leaders with vision, moral values, purpose and energy is obvious. Prepare yourselves for power. Jaycees are about leadership development and realizing potential. We invest in people by providing training, peer support, role models and opportunity.

What is universal about the desire to perfect, to compete, to build and to improve? What is the universal appeal to the human spirit of art, music and dance? What father or mother does not want a better world for their children? When we consider these questions, we realize what unites us and why the brotherhood of man transcends the sovereignty of nations.

I encourage you to seize the opportunities this year presents. Use your skills, focus on people. Act prospectively. Shape your future. I know that you will continue to be a positive and creative force.

STEPHEN A. YACOBI
Executive Vice President
Junior Chamber International

MESSAGE FROM VICE PRESIDENT JUNIOR CHAMBER INTERNATIONAL

I am extremely pleased to extend my sincerest best wishes to the Officers and members of the Queensway Jaycees on the occasion of their 5th Anniversary Celebration and Fund Raising Ball on April 15, 1989.

As the 14th Chapter affiliated with the Hong Kong Junior Chamber of Commerce, I am sure you are well underway in becoming a truly outstanding leadership training organization. It is impressive to note that you are giving special importance to the children and elderly in your community thru your chapter project: "Better Communication for Better Life".

I am confident that the Queensway Jaycees will rally behind the goals and objectives of the 1989 National Administration and live up to the expectation of the people and the community where it now exists.

To President Ivy Tam and the members of the Queensway Jaycees, my heartfelt congratulations and best wishes for continuing success.

SERGIO O. VALENCIA
Vice President
Junior Chamber International

MESSAGE FROM NATIONAL PRESIDENT HONG KONG JUNIOR CHAMBER OF COMMERCE

It gives me great pleasure to congratulate the Queensway Jaycees on their 5th Anniversary and Fund Raising Ball.

Since their formation in 1984, the Queensway Jaycees have demonstrated a growing concern for the community. Their efforts in organising many meaningful projects, such as the 'Beat Shop Theft Poster Design Competition & Exhibition', the 'Forum on Electronic Road Pricing Scheme' and the 'Combat Psychotropic Drug Abuse' have greatly benefited the society. They also hosted the 1987 Hong Kong Jaycees National Convention quite successfully.

All of these achievements indicate that the Queensway Jaycees are growing stronger, and will no doubt attract more young people to this growing organization.

All I want to say to them is keep up the good work. I am sure that the Queensway Jaycees will be counted among the most outstanding chapters in Hong Kong.

I wish President Ivy Tam and her Board of Directors a fruitful 1989 and all the members a successful fund raising ball.

JUNIA HO
National President

MESSAGE FROM GENERAL LEGAL COUNSEL HONG KONG JUNIOR CHAMBER OF COMMERCE

It gives me much pride to extend my sincere greetings to the Queensway Jaycees on the occasion of their "5th Anniversary Ball".

Queensway Jaycees was established in 1984 and formally became the 14th Chapter of the Hong Kong Junior Chamber of Commerce. The Chapter is currently composed of a group of relatively young people who are fully committed to serve the community and at the same time aim to develop their personal skills.

During the past 5 years, they have contributed vastly to the community by carrying out a number of meaningful projects. Their achievements were recognised during the 1986 JC International World Congress at Nagoya, Japan, whilst their "Beat Shop Theft" project was awarded the "Most Outstanding Criminal Justice Award". In addition, Queensway Jaycees had also supported the Hong Kong Junior Chamber of Commerce by hosting a very successful Convention in 1987.

The 5th Anniversary Ball provides the precious opportunity which enshrines the glorious achievement of Queensway Jaycees throughout the past five years.

May I, taking this opportunity, convey my heartiest wishes to the Queensway Jaycees in the years to come.

Wallace Yuen
National General Legal Counsel

MESSAGE FROM PRESIDENT SINGAPORE ISLAND JAYCEES (SISTER CHAPTER)

I take this opportunity on behalf of my members and board of directors to convey our heartiest congratulations to your members and board of directors on your anniversary.

As your sister chapter in Singapore, we wish you well and many successful years to come.

Though we are unable to be with you on this auspicious occasion, rest assured that our 'presence' will be with you.

We look forward to having joint projects, the exchange of correspondence as well as mutual understanding and cooperation which are the essentials for internationalism.

Best regards and 'all the very best for 1989'.

CLARA CHAN
President
Island Jaycees

MESSAGE FROM PRESIDENT QUEENSWAY JAYCEES

I take great pleasure to say hello to my fellow Queensway members and extend my warmest welcome to our guests.

Tonight, we celebrate our 5th Anniversary of the founding of the Queensway Jaycees. When we start to think about significance of the occasion — to celebrate and consolidate the achievements of the past made by our predecessors and to build on them to ensure its continual advancement will be our purpose.

The future prosperity and stability of a Chapter lie in the devotion and contribution of its own members. It will be a happy, thriving and respected place if they care for its well-being, if they stand together to make it worthy of themselves and their dear ones, and if they are willing to be involved in its betterment.

With strong support from our senior members and enthusiasm of the prospective members, I am pleased to witness yet a very successful Fund Raising Ball which has provided tremendous learning and practising opportunities for our members. A true reflection of our belief that "Service to humanity is the best work of life". This project not only sets the purpose in raising funds for the Chapter's administration and community projects, but also arouses the high spirit of the whole Chapter.

On behalf of the Board of Directors, I would like to extend my hearfelt appreciation to Project Chairman Helen and her organizing committee, for their deligence and dedication in making the event a success.

Let's have a successful, enjoyable and memorable night. Best regards for the future.

IVY TAM
President

MESSAGE FROM PAST PRESIDENTS QUEENSWAY JAYCEES

It has been a great honour and pleasure to be the Charter President of Queensway Jaycees and to witness the growth of such a enthusiastic young chapter throughout this five years. Five years is a milestone for a chapter to reach maturity and I sincerely extend my best wishes to all members who continue to give their unassailable support to this family.

RAINBOW LI
Charter President

I am proud and honoured to be a member and past president of a fast growing chapter of The Hong Kong Junior Chamber of Commerce, The Queensway Jaycees. Our acheivements over the past five years are significant and well recognized. Our membership have almost doubled; our financial status sound; and most important of all, we have acquired the experience and developed the team spirit and culture for further development. A firm foundation has now been laid and I am confident that Queensway Jaycees will have even better achievements in the next five years and will become one of the leading chapters among Hong Kong Jaycees.

LARRY LAU
President 1985

It has been a great delight to see Queensway Jaycees to have grown and gain strength throughout all these years since it was established five years ago. Running such a large family with its members coming from different sectors of the community is by no means a simple task. While admiring those who have contributed to today's success, I extend my best wishes to all members who would continue to lend their support and to forge out a better tomorrow in Queensway Jaycees.

All the best!

SARITA LO
President 1986

To-night while we sit back and relax, one cannot forget that as in every anniversary, such a happy event will not be made possible without the hardworks and dedications of the Organising Committee and certainly, the support of friends in and out of our Jaycees family.

So before we prepare ourselves to move onto yet another fruitful year, let us make a toast to President Ivy and her Board of Directors for such a great start and pledge our support for the continuous success of Queensway Jaycees.

FLORENCE TAM
President 1987

Joining Jaycees is like going for a treasure hunt. The treasure is there, all you need is to make some efforts to dig it out. I must confess that I've fully enjoyed the wonderful experiences I've had in Queensway. There are always plenty of training opportunities. Hope that you share the same kind of feeling with me.

DAVIS KWONG
President 1988

HOSPITALITY IS PART OF OUR TRADITION

EXPERIENCE THAT TRADITION EVERYTIME YOU TRAVEL SAUDIA.

Apart from the modern fleet and the ultra luxurious touches like our unique new Al-Faris seats in First Class, you'll feel a certain something extra whenever you board one of our jets.

It's not just our "Haute Cuisine" menu that gives you a choice of such dishes as lobster thermidor, or even the superb in-flight service you get from our cabin crew.

It's our very own unique Arab hospitality that makes Saudia so different.

And so much more enjoyable to fly.

Experience our genuine Arab hospitality every time you travel Saudia.

We have the right connections. You can pick up flights to the Kingdom in Bangkok, eight times a week, in Singapore twice a week, and Manila, seven times a week.

Once in the Kingdom, we can fly you to 23 domestic destinations. We cover the country.

For further details, contact your usual travel agent or our GSA Intergulf Express HKG Ltd, Tel: 5-228439.
