1969 is the greatest milestone in human history – the First Human Landing on the Moon. "That's one small step for man, one giant leap for mankind." In the same year, JCI Hong Kong Jayceettes was founded and became the first Female Chapter in Hong Kong and the Asia and the Pacific region, and the second in the JCI.

2019 marks the 50th Anniversary of JCI Hong Kong Jayceettes. We are proud to have all Past Presidents, Senators, fellow Jayceettes who laid a strong foundation for the Golden Past by launching numerous outstanding and innovative projects which continuously created a sustainable impact to society and engaging active citizens at all levels.

We have been nurturing caring and daring female leaders with JCI core values for the last 50 years. The impactful projects we organized in the past demonstrated our united female power in serving our community.

Most importantly, with our members' wholehearted dedication and commitment, there are significant and remarkable footprints made in JCI Hong Kong Jayceettes' history.

In this occasion, I would like to honor our partners, including different HKSAR Government Departments, NGOs, sponsors and overseas chapters, which have been endlessly supporting us since 1969. Your generous contributions provided us opportunities to grow and glow and these are reflected in our accomplishments in the past.

As we celebrate our Golden Jubilee, our members are proud of the impactful past achievement and our contribution to society. We are also proud to have empowered with the Greatest Love of Jayceettes' Sisterhood.

I would like to express my deepest appreciation to Jayceettes for your gracious support to "The Golden Past". With the solid foundation, we dare to explore our potential and create a "Gleaming Future" for the Chapter.

My utmost gratitude also goes to my 50th Anniversary Celebration Banquet Chairman Vincy Wong, Project Advisor Past National President Senator Nora Cheng and the incredible team! I am grateful beyond words to work with you all and it is my honor to be the President of a brilliant team which dares to showcase the Golden Jubilee of JCI Hong Kong Jayceettes!

Congratulations to JCI Hong Kong Jayceettes 50th anniversary. The first female chapter in Asia and Pacific established 50 years ago. It is my great honor to be your National Assigned Executive Officer in the year of your 50th anniversary.

It is not easy for an organization to stand for 50 years. This requires the active participation of all members to put on the effort together. The seeds planted by the predecessors 50 years ago have become a strong tree today.

Hong Kong Jayceettes has been all time elegant and detail minded. Everything you do follows the JCI Mission by providing development opportunities that empower young people to create positive change.

Looking back over the past 50 years, JCI Hong Kong Jayceettes has successfully organized numerous meaningful projects and they were well recognized in various Award Ceremonies not only in Hong Kong, but also in ASPAC and World Congress.

At the same time, these events are held to allow members to grow and become a successful leader. Hundreds of capable female leaders were nurtured in the past 50 years, including our 1988 JCI President Senator Jennifer Yu.

This year with the theme and slogan "The Golden Past, A Gleaming Future", under the leadership of President Ellen, leads the way to each member in mentality and ability with the great improvement, and there is no limit to the future.

The two flagship projects "SDG Junior Ambassador Programme 2019" and "Female Elites' Series 2019 Business on Stilettos" have been completed very well, bringing positive changes to both her members and the society.

On behalf of JCI Hong Kong, I would like to express my sincerely appreciation to all your continuously effort and support, I have great confidence that JCI Hong Kong Jayceettes will continue to dedicate their efforts for a gleaming future.

Congratulations once again on your 50th Anniversary!

President, JCI Manila

Congratulations to the JCI Hong Kong Jayceettes for your 50th Golden Jubilee! It is truly a special milestone that you have reached, and your brothers from JCI Manila are honored to celebrate with you here in the Fragrant Harbor of Hong Kong. With this year's slogan of "The Golden Past, A Gleaming Future", the Jayceettes had another landmark year, drawing from its great history, while looking forward to the chapter's future. As JCI Manila, forges ahead on its 71st year, it hopes to join in the excitement of every Jayceette in celebrating their 50th Anniversary. This will mark the start of a new era, not only of Jayceette history, but also of Manila-Hong Kong relations as well. With JCI Manila's Slogan of "Every Brother Counts", we hope to develop our common friendship with more members from both chapters. Every Manila member will get the chance to form meaningful relationships with our sisters from Hong Kong. We hope to use these interpersonal relations in creating more sustainable programs which will ultimately benefit the communities that both chapters serve, both in Manila and Hong Kong. Most notably, the joint project Financial Literacy for Overseas Foreign Workers (FLOW) will hopefully start such a landmark program that can address many UN Sustainable Development Goals including Quality Education, as JCI members provide financial education to Foreign Domestic Workers in Hong Kong. It will also support the key advocacy of the Jayceettes in promoting gender equality, since majority of the Foreign Domestic Workers are female. Truly, it is an exciting time to be a member of JCI Hong Kong Jayceettes, and we all look forward to what the future will bring for this magnificent chapter.

Again, congratulations and Mabuhay!

JCI Hong Kong Jaycees

50th Anniversary

The Golden Past
A Gleaming Future

1969 President
Hazel Lo

It has been an arduous journey to come to the 50th year of the lady chapter. I note with pride that many members have attained their goals and ventures in what would have been impossible before the Jayceette knowledge and experience.

We live in a very challenging and demanding community. There are many hurdles in life not often found in the books. Many might put them into the 'too hard' basket, and simply walk away.

I am certain that all of us have looked at this movement as a training ground, where one could learn from the mistakes and benefit from the experience. With the passage of time, the bonding and the encouragement of the group, the sharing of joy and disappointment in the execution of the many projects, have made life more significant. These experiences may have helped to confront so many real-life situations with ease and eventually lead to satisfying and rewarding results.

May I take the opportunity to congratulate all our members for their untiring efforts and dedication, and keeping the spirit going, as 'service to humanity is the best work of life'.

My most heartfelt congratulations to President Ellen and her fellow Jayceettes for a successful 50th Anniversary Celebration. I am sure all your hard works and endeavours will be remembered by us all for a long, long time.

"Learn today, lead tomorrow" was the motto by which we joined the Jaycees movement. Through this, thousands of humble young men & women were trained to become prominent leaders of our community, no matter in whatever aspects, big or small, locally or internationally. By all those achievements in the last 50 years, I am sure you would agree with me that being a Jayceettes was an important milestone of our youth and I am so proud of being part of you.

It is a pity that I am unable to celebrate this auspicious occasion with you in person but my thoughts are with you all always. Once again, have a wonderful celebration and Gleaming Future in the days to come!

Jayceettes's 50th Anniversary reignites my memories flashing back to 1974, when a group of us stood in an open truck touring HK distributing pamphlets promoting "Population Awareness".

Then in 1979, all Jayceettes worked day and night organizing the biggest Asia conference in HK history.

I am grateful to Jayceettes in providing me such a golden opportunity in formulating my skill in relationship leadership. It has helped me in navigating my career across a multi-cultural landscape.

Very happy to witness that Jayceettes continue to blossom with devoted members such as yourselves.

香港女青年商會成立至今50年，在歷屆會長的悉心帶領，全體同人集思廣益、群策群力之下，在培育婦女領袖人才方面作出實質貢獻，為社會帶來正能量。

時光飛逝，歲月如梭，曾出任1986年會長的我，對女青年商會帶給我的啟發和發展機會，實在感激不盡。轉眼我卸任會長已30多年了，許多生命中的人和事，都因時間的轉移而改變，唯是對女青商的那份深厚感情，我始終不變。那是因為我仍然緊緊擁抱這份永不會遺忘的青春回憶，因為我這麼多年來見証着姊妹們各自在自己的領域和崗位上展示她們的創造能力和領導才幹，為社會的福祉付出了不少的心血，為推動香港的經濟發展作出了貢獻。

際此50週年金禧大慶，我謹祝香港女青年商會鴻圖大展，再創輝煌！！

Congratulations to JCI Hong Kong Jayceettes on the occasion of the 50th Anniversary.

The Golden Jubilee year is a wonderful opportunity for all Jayceettes to come together and celebrate the Chapter's remarkable achievements in half a century. Heartfelt appreciation goes to President Ellen and all past presidents. Under their capable leadership, the Chapter has always risen to its challenges and made the most of its opportunities. Through active involvement in organizing meaningful community projects, members have also received leadership training and self-development opportunities, and have proceeded in their careers and professions with commitment to serve the society.

2006 President
Jeritza Wong

Congratulations to JCI Hong Kong Jayceettes on the 50th Gold Anniversary!

50 years is such a long way and I am fortunate to have met some extraordinary women who have paved the splendid history of the JCI Hong Kong Jayceettes before my time. I have also witnessed many brave young Jayceettes who strived to make the best of themselves and contributed to the betterment of the society. I am proud to be one of you and privileged to have walked the way with many of you.

Though I am unable to be with you on this special occasion, I am paying my utmost respects to all the Past Presidents, Senators, and all the members of the JCI Hong Kong Jayceettes for the great achievements and honours you have brought to the chapter and for yourselves over the years.

Happy 50th Anniversary and enjoy the celebrations!

Happy Birthday to JCI Hong Kong Jayceettes on her 50th anniversary!

Over the past half century, JCI Hong Kong Jayceettes continued the mission of JCI in providing development opportunities to young ladies to develop herself to be a better person. I am grateful to be a member of this big family and can participate to celebrate this memorable occasion.

I send my congratulations and best wishes to all members of our beloved chapter.

2007 President
Eva Lum

On the joyous occasion of the 50th Anniversary of the Junior Chamber International Hong Kong Jayceettes, I would like to convey my heartiest greetings to the chapter.

Upholding the belief that "Service to humanity is the best work of life", the chapter has organized many great projects over the years. Perhaps most memorably, in the 1970s the "Earth Population Awareness Program" helped raise awareness of family planning. Its slogan "一個嬌，兩個妙，三個吃不消，四個斷搶挑" is still popular today.

Dedicated to nurturing female leaders, our chapter organized the "Effective Lady Manager" Seminar for 10 consecutive years between 1990 and 2000. Since 2000, we have also organized numerous seminars and talks hosted by elite female leaders.

I am privileged to be a part of an organization that strives to realize our members' potential and enhance our ability to contribute to society. I look forward to many more years of the Gleaming Future.

2008 President
Anny Kwan

Congratulations to JCI Hong Kong Jayceettes' Golden Jubilee. I am honored and proud to be part of this celebration.

Over the last 50 years, JCI Hong Kong Jayceettes have impacted the local and global communities and societies through making positive changes led by its members. Having already shown in the past what the chapter is able to achieve, I want to say how much hope I have for the future achievements and experiences they can contribute. I wish the Chapter reaches new heights, continues to make positive impacts and changes to the society and to our own members.

2012 President
Winnie Yeung

Eleanor Roosevelt once said, "I am who I am today because of the choices I made yesterday."

One of the best choices I made was to join Jayceettes 12 years ago. With the love and support from my Mother Chapter, I have become a better friend, a better teammate and a better leader.

Happy Birthday, JCI Hong Kong Jayceettes!

The world is changing, how can leaders lead themselves and lead others in this environment? There are a lot to learn.

Listen humbly, speak boldly and think analytically. JCI Hong Kong Jayceettes offered this chance to its members in the past 50 years. This is how leaders are developed.

Wish JCI Hong Kong Jayceettes happy 50th anniversary and all the best in the future.

2013 President
Pauline Lau

Happy 50th Anniversary to JCI Hong Kong Jayceettes!

Vincy Wong
50th Anniversary Banquet Chairman

Today – Oct 19 2019, is not only an important day for Jayceettes, but also for our community. On this exact day 50 years ago, a group of passionate ladies gathered together to accelerate community development by establishing JCI's First Female Chapter in Asia – JCI Hong Kong Jayceettes. For half a century, all our beloved Jayceettes have worked closely together, joined hands, and contributed to a better future for the world — and this is the inspiration for the cover of the souvenir program that you're looking at. The blooming flower is made up of 50 different triangles, closely linked to each other, together forming a shiny & unique flower.

The first official Jayceettes event that I joined was the 39th Anniversary Banquet back in 2008, and I never imagined I would have the pleasure to be the Chairman of this momentous 50th Anniversary Celebration, leading a team of capable young ladies, organizing the most enjoyable celebration we could bring for everyone! This banquet would not be possible without the unfailing support & guidance of President Ellen Chung & Project Advisor Past National President Nora Cheng, and all the sweats, efforts & dedication of my team.

Tonight, we unite and gather to celebrate the 50th birthday of our beloved chapter. As we look back on the sweet memories and achievements Jayceettes have achieved over the last five decades, may we wish our beloved chapter new heights of success in the years ahead! Thank you all for joining us on this historic occasion, we hope this would be another memorable moment that you have with Jayceettes!

1969 2019

Timeline

1967

1967
The idea of lady chapter was started by a JC. The JCs requested their wives and girlfriends to form an auxillary group to assist them in their projects. This group was then affiliated to the Victoria Junior Chamber, one of the local chapters of the JCIHK.

1968
Hong Kong Jayceettes went one step further and became auxiliary to the National body of the JCIHK. The spirit of liberation and the desire to do its own projects were strong and culminated in the determination to form a lady chapter of our own.

1969

On October 19, JCI Hong Kong Jayceettes pleaded as an independent chapter of the JCIHK. Besides being the only lady chapter, it was the first lady chapter in Hong Kong; the first lady chapter in Asia and the second in the world.

Better Vision

"This is a platform which offers us opportunities to explore the world and re-discover ourselves. By participating various events, we can make friends from all walks of life. By working projects together, we can exchange ideas and think out of box. 'The Best way to predict the future is to create it.' – Peter Drucker"

Better Yourself, Better Your World

"It's certainly a life changing experience in joining JCI HK Jayceettes where I met a group of young passionate ladies who are determined in developing themselves while making positive changes to the society. I have learnt a lot more here than I could have ever imagined before. It was both a challenging and rewarding experience, and it certainly helped me in thinking more deeply about the value of life."

"It has been a great opportunity for me to grow in different aspects ever since I joined Jayceettes, e.g. personal development, management, presentation skills through organising different projects and attending training programs. All members are willing to teach, support and guide me, giving excellent positive spirits to new members. These all made me enjoy my Jayceettes' life very much."

2018 Member Debbie Lam

"Jayceettes is a community in which I met not only close friends, but also mentors who inspired my career and personal growth. I would recommend Jayceettes to any girls who are looking for social interactions which is enlightening in so many different ways!"

3 Secrets of Brightening your Career

"We put forward a unqiue HK Master of Ceremony Competition to nurture emcee talents which was a big demand in the market. In 2005, there was not many all-round emcee training, through an open competition, we would like to unleash the talents' potential, provide professional training and share valuable experiences. Fortunately, we had Ms Candy Chea Shuk Mui being our adjudicator!"

Affirming the final line of the JCI Creed, "That service to humanity is the best work of life", Jayceettes members identify social needs and issues, and develop community projects every year to improve the well-being of the community. Implementing the global goals and sustainable development goals proposed by the United Nations, our projects aim at creating positive social impact to our society. We also won numerous community development awards in JCI World and Asia-Pacific Conferences over the years.

Estabished Toy Library in Tsz Wan Shan

"One of the impressive projects in 1977 was Toy Library. We were honourably having The Past World President of the Junior Chamber International, who came to our Toy Library Opening Ceremony to show his support. Moreover, he even mentioned Toy Library for 2 pages in his biography. Toy Library was launched at a time that the less privileged children might not have toys to play at home but at library. Children had fun there! This project was then re-launched in 1981 showing continuity. I sincerely hope we can always re-launch meaningful projects to continue creating its positive impacts."

"In less than 6-month time we are proud to say that we did create some impact to the society in arousing public's awareness on discrimination on breastfeeding.

Everything just started from a simple hope of us to help the breastfeeding mothers and their babies. With the support from our president, advisor and many Jayceettes and friends, we got recognition from breastfeeding groups, government and drew citizen's attention on this topic through extensive media coverage. And we believe that "breastfeeding, best feeding" could sow the seed into the mind of Hong Kong citizens."

"I joined LEAD, a program which was initiated by 2004 World Presdient Elected Fernando Schez-Arias, and which has become one of the flagship training programs of JCI Training Institute since 2002. Around 40 potential leaders got together for a 2-day learning experience. Group discussions, interactive games, role plays, team building exercises, lively and inspring presentations by professional JCI coaches did provide a new horizon to me.

Besides the practical leadership skills, the friendship with other future leaders is the experience I treasured most. We exchanged values and shared personal experience with each other that cherish mutual understanding of different cultures and broaden my mindset to look upon the world from different respectives."

2004 Member Joanne Lam

"Besides making lots of new friends from all over the world, I also had the chance to take part in various exciting events in the congress. Being the MC of the Asia-Pacific Night, I enjoyed hosting the event and playing games with friends from different countries. The most exciting game was that the participants had to imitate the moves of a professional dancer and the one who did best would win!

For me, highlight of the Congress was the JCI World Debating Championship. It's the first time ever in the history of JCIHK to take part in the championship and it was a BIG SUCCESS. Though we did not win the Championship was privileged enough to be awarded the Most Outstanding Debater from the English championship!"

Coordinated with our three sister chapters, awarded design was even exhibited in the Asia Pacific Conference to convey loving messages overseas. It is a meaningful project to share the love and care among Asia."

2004 President Mariana Ng

"I am fascinated by this powerful belief and strong bonding between all JCI chapters in HK, not to mention other JCI chapters all around the globe, you can imagine how powerful the positive impact we create to the world and the next generation.
