The JCI Creed

We believe:
That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That Government should be of laws rather than of men;
That earth's great treasure lies in human personality; and
That service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U. S. A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippines Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were on paper:

The brotherhood of man transcends the sovereignty of nations.
Economic justice can best be won by free man through free enterprise.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since the Creed was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every member is free to interpret the Creed in the light of his own conscience."

MESSAGE FROM NATIONAL PRESIDENT

Our work this year was marked with the visit of JCI World President Fernando Sanchez-Arias on February 9-11, who blew us a very encouraging whistle, and also conducted a very enlightening training seminar to our members.

I was further enlightened on attending the 1st Asian Pacific National Presidents Summit at Dhaka, Bangladesh on February 11-14. During this Summit, JCI set the targets of achieving a membership growth by sixty per cent, completing the new JCI corporate identity programme worldwide within three years, and transforming the training institute at JCI to a JCI University.

Let's go back to our own home. We have purchased a new home and will move there on May 6 this year -- the same day when JC in Hong Kong got its birth in 1950 -- a double celebration for us!

Another energizing act has been the incorporation of the Hong Kong Junior Chamber Foundation Ltd. It is now applying for charity status, and certainly we'll benefit from its formation.

Dr. Patrick Ho, Secretary for Home Affairs Bureau, has sent us (me and all LOM Presidents) an official invitation for a meeting on April 15-16 - an impetus for our contribution to community.

Our work so far has been filled with passion and achieved in action. Let's keep on with "Entrepreneurs in Action".

National President

The new Chamber Office will be ready for occupation in late April and we will move to our new premises on April 29, 2004. The new Chamber Office is located on 21/F, Seaview Commercial Building, 21-24 Connaught Road West, Hong Kong. There are three seminar rooms, boardroom, meeting rooms and more storage spaces available. The opening ceremony will be held on May 6, 2004.

First Senate Gathering

The first Senate Gathering was held on Feb 28, 2004 in Eaton Hotel. Mr Kennedy Wong (World Outstanding Young Person awardee of 2003) and Mr To Chung (Ten Outstanding Young Person awardee of 2003) were invited as the guest speakers of this gathering to share their experience and views with us. The second Senate Gathering will be held on June 26.

Members' Survey - 2004-05 Budget

The Financial Secretary The Honorable Mr. Henry Tang, GBS, JP announced the 2004-05 Budget on March 10, and the Community Concern Group (CCG) has conducted a members' survey in the form of anonymous questionnaire, collected JC members' views on various aspects of the 2004-05 Budget.

Over 70% of the respondents show positive or neutral feedback on the overall comment on the 2004-05 Budget, while over 60% opine that the 2004-05 Budget has created positive or neutral effects towards their daily life. This overall comment to a certain extent echoes the mission of the 2004-05 Budget "Giving Our Community a Respite".

Regarding the comments on major proposals and forecasts in the 2004-05 Budget, the respondents generally agreed to and satisfied with the majority of the various proposals put forward. Over 50% of the respondents have showed positive responses on the following proposals:

- Extension of salary tax deduction for Home Loan Interest
- Issuance of Government bonds
- Provision for tourism promotion and training
- Studies on development of spa resort facilities
- Launch of "Design Smart" initiative
- Reduction of civil establishment

However, almost 60% of the respondents pointed out that it is not an appropriate moment for the raising the Standard Rate of Salaries Tax from 15.5% to 16%. Almost 20% of the respondents opine that they are not satisfied with 2 sessions in the 2004-05 Budget, namely the "Directions for Development" and "Broadening the Tax Base"

CCG has compiled a comprehensive survey report, and will be distributed to various Government bureaus, major political parties and the mass media. Copy of the survey result has also been mailed to all JC members via NOM's mailing service. It is also available in the CCG homepage:

Recruitment Seminar I

From the left, NP Frank Pak, Mr Benny Cheung, Mr George Lung and Project Chairman K W Chan.

Guest speaker Mr Benny Cheung.

JCI-HK Recruitment Seminar 1 (co-hosted by Victoria Junior Chamber, Peninsula Junior Chamber, Hong Kong Jayceettes Junior Chamber and North District Junior Chamber) had been successfully held on March 6, 2004 with over 120 participants attended this meaningful event. The most encouraging reward to the hard work of OC team was that 20 new friends have joined our JC family on spot. Several new friends had also turned up in the happy hour gathering subsequently held on March 12, 2004.

This event would not be a success without the full support of JCI-HK, especially NP Frank Pak, NEVP Arthur Lui, NMD Raymond Li and NMO Kinny Tam, Presidents of 4 co-hosting chapters as well as your fellows JC. The credits should go to our two guest speakers JCI-HK Ambassador - Mr. Cheung Wai Leung Benny and Past National President George Lung who shared their invaluable experience, and a group of devoted OCs including Jeritza Wong / Bonnie Law (Promotion), Cris Tang(Program), Marbel Yeung Alfred Fung(Venue and Logistics), Midori Shum (Secretary), Grazia Wu (Treasurer) and Winnie Chan (MC).

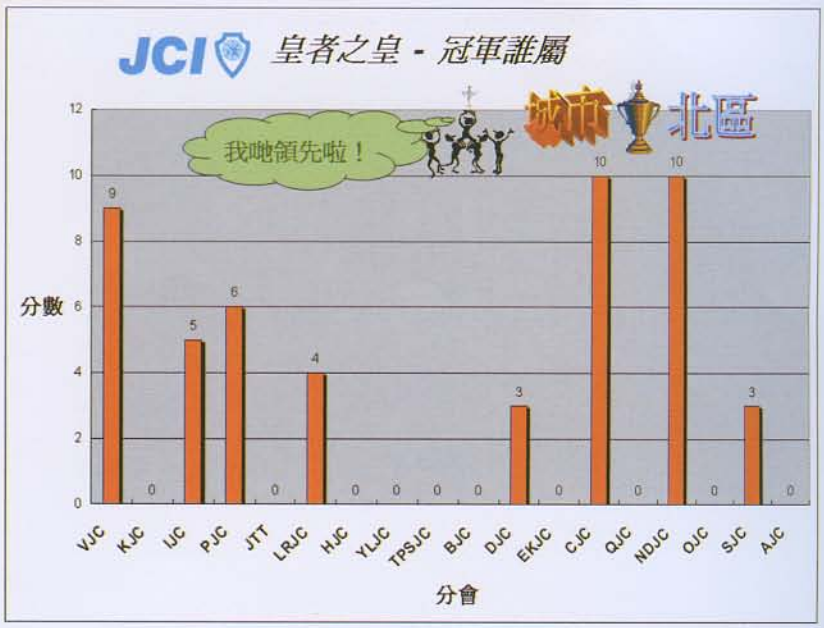

Guest speaker Mr George Lung.

Basic Leadership Management Training Program.

Time Management and Goal Setting, 1 March 2004.

We were very pleased and honored to invite Ms Shirley Lai (2004 Presidential Advisor of Yuen Long Junior Chamber and 2003 National Vice President) & Ms Florence Yuen (2004 JCI Special Assistant to the World President in Finance and Sponsorship and 2003 National Vice President) to present the topic on "Goal Setting and Time Management". This was the second course of our Basic Leadership Management Training Program in 2004.

The class was taught in interactive and dynamic way, with the combination of useful techniques and knowledge on time management and goal setting.

This course was designed to assist participants in identifying their most wanted goal, and provide a frame work on how to make use of time, in order to make these goals happen. Shirley and Florence shared with us the way of controlling time at work in order to achieve more effective results in less time. They also introduced some simple but proven techniques for mastering time and setting up goals, and identify your most wanted real goals.

The feedback of this course was encouraging. Having completed this training course participants were able to:

* Identify particular time wasters and adopt methods to avoid.
* Recognize various causes of delay and apply simple techniques to overcome these.
* Use of practical techniques for organizing work.
* Clarify objectives - where do you want to be? What are your top three goals?
* Understand how to prioritize activities which base on their urgency and importance.

See... there are lots of participants!

Our next Basic Leadership Management Course will be focused on "Project Management", which will be hold on 23 April 04, 7:30pm, at JCIHK Sheung Wan office. Experienced trainer from Queensway Junior Chamber, Past President Senator Amy Leung and guest speaker from the Hong Kong Police Force will share with us their experiences and knowledge on how to run project with limited resources, obtain support, and how to solve problems that may be unexpected during project implementation.

Seats are limited, please contact your chapter president for reservation, or contact Ms Ellen Wan on 9621-4006 for further details.

Speech Competition - 我話無問題

Youngsters are the valuable assets of our society and they will become our future leaders. In order to equip themselves for the future challenges, Kowloon Junior Chamber organized a speech competition named 我話無問題. The semi-final finished on the 28 March 2004 and 10 Contestants have been short-listed and the Final Contest would be held on 25th April 2004.

Judging is a difficult task....

The feedback from schools and students were encouraging. Students from more than 10 schools had turned up for the semi-final in order to fight for the chance of advancement. Their performance was terrific. Unlike the traditional speech competition, students used a lot of visual aids and tools during their performance. Their topics were also very interesting and challenging which gave a hard time to our judges. Finally, 10 contestants could be advanced to final round which would be held in the late April.

One of the participants presented her speech in a lively way.

We would like to express our tribute to the semi-final judges Mr. Anthony S K Wong, Advisor of Chinese debating team of Chinese University Hong Kong, Mr. T K Tong of Heep Yan Secondary School (協恩中學), together with Mr. Ken Leung and Ms. Almedia Joyce Chan of Kowloon Junior Chamber for their professional Judgments and recommendations.

The final contest will be held on 25th April 2004 (Sunday), from 2:00 pm to 5:00 pm at the Podium of World Trade Centre, Causeway Bay. It is our honor to have 少爺占 and 芝See菇Bi, who are both renowed Disc Jockey in the Town to be our Judges for the final. We wish to see you all there and should you have any questions, please contact Mr. Charles Wong at 9811 9884 or Email us at speech@kowloonjc.org.

City Junior Chamber

City Junior Chamber held Opening Ceremony of the 16th Asian-Pacific Children's Convention in FUKUOKA (Hong Kong Selection) in East Point City on 21st March 2004. A total of 300 participants enjoyed the program. GOH Frank Pak, President of JCIHK, announced the opening of the program and famous singer Miss Ho Wan Sze was appointed as "Creative Star" and shared her idea on "being creative". Gentlemen from CJC present the details of the project to participants.

The Asian-Pacific Children's Convention in FUKUOKA (APCC) aims to promote international exchange and mutual understanding between children and young people from all over the Asian-Pacific Region. Since 1989 the organization invites children from different countries to join the exchange program for two weeks in July. The children who take part have the opportunity to exchange ideas with children from over 40 countries where the culture and background will be very different from their own. And it is hoped that the children will grow up to become global citizens devoted to peace and understanding. City Junior Chamber has been responsible for such selection 8 children from Hong Kong to join the program since 1996. This year City JC has "Creative" as the main theme of the Selection Program and a total of 110 11years old primary students have enrolled the project. Leadership Development Seminar - *Aren't you a prophet? How to become a visionary leader?*

NP Frank Pak presented souvenirs to our co-organizers.

"Leader is to stand out and lead the team member towards a common goal", as quoted by one of our speakers.

The Leadership Development Seminar organized by NDJC was held on 7 March 2004. It was our honor to have guest speakers like Past National President Junia Ho, Legislative Councillor Ms. Ng Oi Yi, Senior Counsel Mr. Ronny Tong and Financial Expert Mr. Paul Pong to be our guest speakers. We trust that after attending this seminar, participants will be able to grasp the global trend from the perspective of politics, economic, legal and human resources.

The organizing committee commenced preparation work for this seminar since September 2003. Our OC Chairlady Mara learnt to be a team leader as well. The most difficult part was that all OC got a full-time job. Although she met with some frustrating response, she managed to get rid of it and ask for help. That's why she believed that leader must have many helpful friends!

We have to thank everyone who has given us a helping hand. It would be a valuable experience treasured by every one of us.

Prof. PC Wong is our moderator and we have fruitful discussion with our guests PNP Junia Ho, Legco Councillor Ng Oi Yi, Mr Paul Pong and Mr Ronny Tong.

Many reporters interviewed guest speaker Ronny Tong

ICAC Against Corruption Carnival

North District Junior Chamber took part in the ICAC Against Corruption Carnival held at Sheung Shui Choi Yuen Estate Playground on Feb 29, 2004 as one of the co- organizers and the event was successfully concluded with fun. It was really a hot day so was our enthusiasm towards Jaycees. Many families joint the Carnival as well. NDJC hosted a stall game called "Against Corruption" on that day and we attracted lots of children in participating in the game. It was really a challenge to us because not all the children gave good "shots" to the corruption figures!

It is really our pleasure and good experience because it shows the close link between our JC and the community with our President Anglie being one of the officiating guests for the event.

Sha Tin Junior Chamber

The Art of Living & Building Personal Resilience Programme

Seminar I - The Art of Public Speaking

Sha Tin Junior Chamber successfully launched their hallmark LD/BA project at the JW Marriott Hotel on April 3, 2004. Keynote speakers including Mr. Martin Lee, Dr Norman Bird and Ms Judy Chai coached participants on the Art of Public Speaking from different know-hows and a number of angles. The participant not only learnt about dos and don'ts for speaking in different places and on different occasions and those general skills in public speaking, but also they had an opportunity of training on their voice effectively.

The feedback from participants was superb and encouraging. In fact, prior to the event day, Metro Radio and a number of presses had already showcased the event, thus catching a bit of public attention and promoting our JC image and the programme.

On the same occasion, it also highlighted the official opening ceremony of the series of seminar under the global theme of "The Art of Living & Building Resilience Programme", which is a series of life skill and soft skill weekend seminars with a meaningful aim to empowering those young executives to face challenges in their social and career life. Apart from the topic on the art of public speaking, the chapter will also launch various seminars on personal financial planning, healthy living, public relations etc., to be conducted by prominent celebrities in town, in the second and third quarters of the year

NP Frank Pak, Pres. Migi To and Chairman Jessie Chan officiated the opening ceremony.

There are more than 100 people joined the seminar.

Giving a Loving Hand to Students

In the Community Development area, Sha Tin Junior Chamber (SJC) focuses on Youth Career Development this year. SJC co-operated with Sheng Kung Hui Ma On Shan (South) Children and Youth Integrated Services Center in providing mock job interviews for students in part of their Annual Form 5 Students Future Path Programme (中五放榜路路通). SJC members paid their visit to two secondary schools in Ma On Shan - Wong Fung Ling Secondary School on January 17th and Fung Yiu King Secondary School on February 14th and served as interviewer. These interviewers were very eager in providing experiences and knowledge to the students and assisted them in gearing up for their future path after their HKCEE in May. The supports to the students were also highly appreciated and the assistance will be extended to the students of the other 2 secondary schools in Sha Tin District before the announcement of their results in HKCEE this year.

SJC members interview the students.

Pres. Migi To received the souvenir from the organizer.
