Jaycee Creed

We believe that faith gives and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of man;
That earth great treasure lies in human personality;
And that service to humanity is the best work of life.

Jaycee Prayer

We reaffirm our conviction that faith in God gives meaning and purpose to human life, may the Lord guide us in all our undertakings.

The Power of Belief

"Believe in yourself. You gain strength, courage, and confidence by every experience in which you stop to look fear in the face... you must do that which you think you cannot do." - Eleanor Roosevelt.

The Essence of Leadership

"A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. He does not set out to be a leader, but becomes one by the quality of his action and the integrity of his intent. In the end, leaders are much like eagles... they don't flock, you find them one at a time."

The Essence of Success

"Successful is the person who has lived well, laughed often and loved much, who has gained the respect of children, who leaves the world better than they found it, who has never lacked appreciation for the earth's beauty, who never fails to look for the best in others or give the best of themselves."

May I take this opportunity to greet my brother Jaycees and sister Jaycees on the occasion of our Anniversary Celebration.

Our theme is very timely. It connotes a noble endeavor, befitting mankind's desire to improve the life of others who are less fortunate while it is true that we Jaycees are trained for leaderhip, but being a leader that we learn to care for others. It is by leading others that we serve and show our utmost care for the future of people.

I would like to commend the Camiling Jaycees for services done towards the community. Services, which expect nothing in return, no compensation nor any commendation or medal. Yet I know that you feel fulfilled and happy, why because we are; you are; Jaycees by heart and mind.

Mabuhay po kayong lahat!

MUNICIPALITY OF CAMILING
OFFICE OF THE SANGGUNIANG BAYAN

I extend hearty felicitations to the Camiling "Tangguyob" Jaycees on the occasion of their 18th Induction and Turnover Ceremonies on March 23, 2002.

Another illustrious year in the mainstream of coactive Jayceeism is about to conclude and a fresh batch of young and dynamic visionaries will be inducted into office. From this circumscribed and ineludible course of recurrent events unfolds the unerring verity that once again, the perpetual chain and cycle of governance will come full circle.

I commed the outgoing officers for the sterling record of service selflessly rendered for the prosperity and well being of the town's youth. The town's officialdom acknowledges with unending gratitude their estimable dispensation of services for their peers and for Camiling that for years, has but concurrent appreciation.

The incoming officers equally deserve to be complimented for dauntlessly accepting the charge of upholding the ideals of the organization. In their trust, and with the overwhelming under propping of the members, I am confident that the Camiling "Tangguyob" Jaycees shall continue to endure today's mounting challenges for the youth to become tomorrow's respectable governors and leaders and emerge triumphant.

Best wishes for a happy induction and turnover ceremonies.

Its valuable contribution to the success of hte JC movement in the country continues to serve as a source of inspiration especially to us who are part of the 2002 National Board. It is in this light that I, on behalf of the members of the 2002 National Board, extend my sincerest felicitations to theCamiling Tangguyob" Jaycees led by 2002 President,JC Sherwin Wai Sia and 2001 President, JC Mc Donald Santos on the occasion of your Induction and Turn-Over Ceremonies.

After all, our fulfillment as leaders come not only in the form of awards or trophies, but rather in the satisfaction that we have done our share in making a positive difference in the lives of others.*

The goals that we set for ourselves can only be attained with the support and cooperation of each and every JC. May the good Lord guide us in all our undertakings.

MESSAGE

JUNIOR CHAMBER OF THE PHILIPPINES
Philippine Jaycees Inc.
Affiliated with the JUNIOR CHAMBER INTERNATIONAL
"A Worldwide Leadership Development Organization"

It seemed not too long ago when ***JC Mc Donald Santos*** *took his oath of office as President. But time really flies so fast and now, we will again witness the induction of a new set of officers led by* ***JC Sherwin Wai Sia*** *to take the cudgels for your organization.*

The year 2001 was an extraordinary year for the Philippine Jaycess. While it may not have been one of the busiest terms of our organization, it certainly was one of the most memorable. During this term, we have just witnessed a sudden change of government, gone through the rough and tumble times of a transitional administration, the distraction and the excitement of an election, succumbed to the threat of another global war provoked by the ugly face of terrorism, and seen a host of other significant earth-shaking events. Yet through it all, our organization managed to stay above partisan politics and not to be adversely affected by the concomitant shifts normally brought about by a change of leadership.

It was a tough year, but no one dare object that we finished it with a leaner, but meaner and more stable organization. I had my doubts and fears last year as I was being inducted to lead the Philippine Jaycees in 2001. I knew it was not going to be an easy job. But, with the overwhelming support that the national officers, and you, the LOM and members have given me throughout my term, I believe we have made a difference this year. Despite the odds, the Philippine Jaycees was still able to undertake its traditional projects as "The Outstanding Young Men", "The Outstanding Policemen of the Philippines" the "Youth Leadership Excellence Awards, "Batang LEADER", as well as a host of others much more in your LOM. We were even cited by the National Disaster Coordinating Council for our relief efforts in helping the victims of the Mount Mayon eruption.

It was an honor, memorable and enjoyable learning experience for me and ***JC Donald*** *for having served as your NOM and LOM President respectively. We welcome and congratulate the new set of officers for the year 2002 and we are confident that we will be passing the torch of leadership to a more able set of hands who will carry the prestige that our organization has developed through these years.*

Mabuhay ang Jaycees!

Immediate Past National President

MESSAGE

During the recent National Convention in Tacloban City, our first-lady National President laid down the thrust of this year's administration thru our NOM Theme ***JC Cares "Committed Action for Responsive and Effective Service."*** *She challenged the entire JC membership not to "reinvent the wheel" but to bring about a new organization that will truly embody our mandate as the foremost young leadership development organization using our vast network and experience.*

Today, I am delighted to see the new batch of leaders of our organization who have responded to her call to make the JC movement truly responsive and relevant and pave the way for an environment conducive to the sustained growth and development of our membership.

As the new leaders of your chapter, the officers must possess competence, integrity and strong adherence to the Jaycee ideals as embodied in the Jaycee Creed to perform your sworn duties and responsibilities effectively. These high ethical and leadership standards is what we want to nurture and want our membership to appreciate and emulate. That is why this year's board are doing our best to support the efforts of the LOM toward this end. I therefore commend your Board of Directors for supporting our goal of elevating the standards of leadership that has been the hallmark of our ogranization.

To the officers and members, accept my heartfelt congratulations and wishing you a great year ahead. May you always exemplify the character of a true Jaycee and live up the expectations of being called as such.

Mabuhay kayong lahat!

My sincerest greetings to the Camiling "Tangguyob" Jaycees on the occasion of its 18th Induction and Turn Over Ceremonies on March 23, 2002.

This year's theme, ***JC CARES, "Committed Action for Responsive and Effective Service"*** *is very timely for Jaycees today, since it focuses on our desire to be of service to our fellowmen in these difficult and trying times. As Jaycees, we are faced with the gigantic tasks of leading our nation out of disunity and despair. We should however, take these as learning experiences to make us aware and responsive to the changes and demands of society and the world.*

May we all continue to join hands in building a solid foundation for a new, revitalized and more focused Philippine Jaycees.

To 2002 President, JC Sherwin Wai Sia and her/his Board, my special congratulations and MABUHAY KAYONG LAHAT!

It is my pleasure to greet my incoming officers and members on the occasion of our 18th Induction and Turn Over Ceremonies on March 23, 2002.
