The JCI Creed

We believe

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.

History of the Creed

The year was 1946; the place, Milwaukee, Wisconsin, U.S.A.; the event, the United States Junior Chamber National Convention. Visitors came from Canada, Mexico, South America, Europe and the Philippine Islands. It was here that the idea of a JCI Creed was born.

Past President of the Ohio Junior Chamber and National Vice President of the United States Junior Chamber C. William Brownfield realized at this convention that the organization did not have a Creed. He was inspired by the devotion of Junior Chamber members "to the purpose of serving mankind in a thousand different ways, right down at the grass roots where freedom lives or dies."

Brownfield saw Junior Chamber as "the potential for a new force in the world, one capable of changing the balance between victory or defeat for our chosen way of life in a time of crisis."

The actual writing of the Creed took place in July 1946 during a drive from Brownfield's hometown of Columbus, Ohio, to his coal mine in New Lexington, a journey of about 75 minutes. He started that journey with a firm conviction in his mind to work on the Creed. It was during that trip that the following words came to mind and were put on paper:

The brotherhood of man transcends the sovereignty of nations.
Economic justice can best be won by free men through free enterprise.
Government should be of laws rather than of men.
Earth's great treasure lies in human personality.
Service to humanity is the best work of life.

In 1950 the first line, "We believe that faith in God gives meaning and purpose to human life." was added.

Since it was written, Junior Chamber members all over the world recite the Creed at local, national and international meetings and functions. During that time there has been much discussion of the interpretation of the Creed. The author himself said, "Every Member is free to interpret the Creed in the light of his own conscience."

Looking at some of the young people in Hong Kong nowadays, what is noticeably missing is the commitment and skills in serving the community. A lot of them do not even understand the meaning of serving others whilst enriching their own lives. They need to be guided through effective training.

I have no hesitation to recommend to them the JC movement in the hope that they would, like million of young people including myself, benefit from JC training and services.

I would like to join with others in thanking the outgoing Board for a job well done and congratulate the Incoming Board for taking up the challenge of leading the organization in going forward.

May I wish you all a very successful inauguration and a good year of achievements.

全球經濟一體化所帶來的深刻變化，令社會對熟悉政府運作和公共財務的人才，需求甚殷，這些人才不但要熟悉國際政治，也要熟悉本土政治，這樣才能勝任未來廿一世紀的競爭和挑戰，而香港正正缺少這類專才。

人才的來源，除了學校教育之外，更着重實踐和在適合的環境成長，香港如能夠提供這樣一個環境和空間，去讓各類人才在各種不同的位置得到流動和磨練，相信香港的政經地位將牢不可破。

謹祝香港青年商會會務蒸蒸日上。

The eventful 2003 has highlighted the best side of the Hong Kong people - a united community to combat the killer disease SARS.

During these difficult times, Junior Chamber International Hong Kong has contributed its share with its commitment to work with the Hong Kong community actively in the fight.

We, in Hong Kong, are in need of more of the spirit like that displayed by members from the Junior Chamber to continue to cope with our post SARS recovery issues which are the many new challenges ahead for your new Board of Directors in 2004. I appeal for your continuous work for good causes and wish you every success in these endeavors.

Message from National President Junior Chamber International Hong Kong

It is my honour to welcome you in this Inauguration. Taking this opportunity, I would like to thank our Guest of Honour, The Honorable Elsie LEUNG Oi-sei, GBM, JP, Secretary for Justice, and other honorable guests for attending. Their presence and support are greatest encouragement to us.

A new year always signifies excitement and challenges. The 2004 National Board will take it as our responsibilities to turn whatever challenges into meaningful outcomes. We are always ready and willing to render our services to our beloved organization and our community.

The previous year, marked with SARS and wars in the Middle East, was undoubtedly an extraordinary year for the world, so was that to Hong Kong and our Junior Chamber. Thanks to our predecessors whose hard work and effort have laid a sound foundation for us to continue to ride on. With the endeavours of all our LOMs and members, we trust that we can build from strength to strength.

When Hong Kong is revitalizing her energy and mega-characters, the National would like to echo this by striving for excellence with our theme, "Entrepreneurs in Action". Entrepreneurship embraces strengths built upon meritocracy, leadership and professionalism in a well-built organizational framework that will sail off from the areas of finance, membership, public relations and leadership we set out in the National Convention.

Junior Chamber is an international organization. To better reflect our organization as an international entity, it is now renamed as Junior Chamber International Hong Kong. We are also going to move to a new chamber office, where we can turn our action into vigor and build up our relations with external organizations.

Shouldering on us are the expectations from our members and community that we know, are by all means meaningful and worthwhile. The National is longing for fruitful and prosperous 2004 in the days ahead.

Let's progress together. Love being in JC family and with it.

Message from President Junior Chamber International

Becoming a Leader requires a great amount of courage, dedication, and vision. It also requires the ability to inspire others to swim towards new destinies and take coordinated actions that help the entire team achieve a higher level of success. In this path to Excellence we encounter individuals who go beyond perceived limitations and show us that what may appear difficult or even impossible can be achieved with determination and the right attitude.

As you gather for the 2004 Inaugural Ceremony of Junior Chamber International Hong Kong, you begin a beautiful new process of changing realities. I appreciate the work of your 2003 officers and I know that those being inaugurated tonight will continue their tradition of working with passion, taking actions to create proactive changes, and elevating the name of JCI in their communities.

The coming years will demand a new breed of leaders to develop JCI into an organization recognized worldwide as a model of leadership and management. We must ensure, through our leadership and actions, that JCI moves forward, meeting the changing needs of our members head-on and attracting the leaders of tomorrow. Message from Senate Chairman Junior Chamber International Hong Kong

I am extremely delighted to congratulate the National and Chapters' Board of Directors on the occasion of the inauguration, for your commitment to serve Junior Chamber International Hong Kong.

JCI Senatorship confers life membership and highest honor to members who had contributed tremendously in various aspects to our organization. Senators are our treasure! They serve as living examples of how individuals can achieve great height.

This year, I hope to foster fellowship amongst Senators and strengthen the linkage between Senators and other members. I also target to gather efforts of all Senators to continue their contribution to Junior Chamber International Hong Kong so that our organization can grow in quantity and quality.

I wish you all a very successful 2004!

Alice LIU

Message from Trustee Chairman Junior Chamber International Hong Kong

On behalf of the Board of Trustees, I write to congratulate all Members of the Junior Chamber International Hong Kong on the occasion of their 2004 Inauguration.

As National and Chapter Officers take oath to serve the Organization, they are taking a bold step forward in their life. They pledge their dedication to lead, and to train people to lead. It is this kind of dedication that gives the Junior Chamber the spirit and the perseverance to strive for greater heights in the fulfilment of the Junior Chamber Ideals.

As a result of the hard work of our seniors, the JCIHK was able to have surpluses by hosting certain JCI World Congresses and Conferences in Hong Kong. Their wisdom in investing, which coincided with the rapid economic growth in Hong Kong, has enabled these surpluses to grow at a tremendous speed. Even after giving out subsidies over the past 38 years, the Trust Fund now still holds a portfolio of assets and investments valued at close to $20 million. This great wealth belongs to each and every one of the JCIHK, administered by the Board of Trustees on your behalf, with the mandate to help the organization financially, when in need.

2003 was a difficult and eventful year for the world, the region and Hong Kong. The Hong Kong JC members were inevitably affected. In support, the Board of Trustees approved some $380,000 by means of subsidies and sponsorships to JC projects.

Our 2003 administration at both National and Chapter levels have done a great job during these difficult times in maintaining the momentum of the JC movement in Hong Kong.

We are sure their followers will take strength from this good foundation and take our achievements to further heights.

Once again I wish our new leaders a great year in 2004.

Edmond PANG

Message from Chairman Long Range Planning Committee Junior Chamber International Hong Kong

It is my pleasure to congratulate the officers of the Junior Chamber International Hong Kong and its eighteen Chapters for their determination to serve the organization in 2004.

Through the leadership roles at various levels in the organization, our Junior Chamber leaders would acquire managerial and leadership training and hands-on experience. In particular, they would experience the leadership principles including (a) knowing themselves, (b) explaining themselves, (c) expecting much, (d) gaining commitment, (e) building now, (f) preparing themselves, (g) moving fast, (h) finding themselves, and (i) remaining steadfast.

Guided by these principles, our leaders need to help lay solid foundation for the sustainable development of the organization. So doing requires clear and well-communicated vision, sound strategies, stretched and yet realistic goals, well-coordinated action plans, and strong commitment to deliver results.

Best wishes for a fruitful and prosperous 2004.

Vote of Thanks from Inaugural Ball Chairman

The Inaugural Ball is the most solemn moment each year to all Junior Chamber members. It is also the very first official event of the Junior Chamber International Hong Kong. In this dignified event, the officers of the National Board as well as the Local Chapters will take their oaths of office to commit themselves to our organization and to strive for the betterment of our community. It is my greatest pleasure to be the Chairman of the Inaugural Ball 2004 in serving our organization and to support this meaningful event.

On this special occasion, we have the greatest honor to have Ms Elsie LEUNG Oi-sie, GBM, JP, Secretary for Justice of the Hong Kong Special Administrative Region Government, as our Guest of Honor to witness the installation of the 2004 officers of Junior Chamber International Hong Kong and its affiliated Chapters. Taking this opportunity, I would like to express my sincere gratitude to all sponsors, advertisers, National Officers and the Chapter Presidents for their generous donations and contributions to make this event successful.

We have arranged this year's installation ceremony in the form of a ball in response to members' views. A film starring the 2004 National EXCOM is shown as a highlight of the program. With all these difficult tasks, the Organizing Committee has taken about two months to complete the project. I must also extend my utmost appreciation to the creative, hardworking and dedicated Organizing Committee for their continuous efforts and devotion.

I would like to extend my heartfelt thanks to the Project Advisor Senator Andrea Suen for her invaluable advice and guidance throughout the project. My gratitude should also go to National President Senator Frank Pak, National General Legal Counsel Senator Clement Woo and National Honorary Treasurer Yury Lam for their unfailing support. I would also like to send my sincere thanks to National Secretary General Felix Cheng and my mother Chapter, Harbour Junior Chamber, for rendering considerable assistance.

Last but not least, your presence tonight has made this event successful and meaningful. On behalf of the Organizing Committee, we wish you all an enjoyable evening, a prosperous and successful Year 2004.

JCI Opportunities
Junior Chamber can be called an organization of opportunities. The opportunities available within Junior Chamber are so numerous it could take a lifetime to grasp them all. Most members select those which cater to their particular needs and make the most of them. Basically, there are four Areas of Opportunities within the organization: Individual, Community, International and Business. Projects are conducted in each Area. As the members work on these projects, they encounter opportunities for total development.

JCI Corporate Slogan: Entrepreneurs in Action
The word "Entrepreneur" has a vast range of positive meanings. Primarily denoting "a person who organizes a business undertaking," it can also describe someone who takes bold actions for the community--a social entrepreneur. Innovative, cutting edge, creative, and energetic, an entrepreneur has fresh, original ideas and is ready to risk implementing them. The words "In Action" were selected to indicate that our members are active and proactive, always working toward change. Regardless of the area of enterprise development, training, environment, children, peace, internationalism, our members help improve their communities, their countries and their world.
The slogan "Entrepreneurs in Action" depicts our members' determination and courage to create and use opportunities to generate change, to break barriers and to explore new fields. Pioneers in business and in life, they are trailblazers; they radically redefine limits, and how they can be reached and surpassed. Junior Chamber's ranks include leaders who are investors, venture capitalists, entrepreneurs, and professionals in diverse fields. Their entrepreneurial action empowers them to forge change to make the world a better place. They are visionaries, risk-takers and mavericks; they transform great dreams into reality. With strength and determination, they are reaching new limits, continually striving to do more and be more in their businesses, their communities, and in the lives they help change.

Junior Chamber International Hong Kong History

Flashback 1950's - Practical Idealists pioneered the Jaycee Movement in Hong Kong

CONFERENCE
OF ASIA

JCI

JUNIOR CHAMBER INTERNATIONAL
OPENING PLENARY SESSION

The Program of JCI Asia Conference in 1951

In late 1940's, Hong Kong was recovering from the Second World War. There were urgent need and great opportunity for local community leaders to contribute to its social and economic development. The Jaycees thus found their role in the making of Hong Kong.

A group of dynamic young men, of various nationalities and background, were inspired by Junior Chamber International to form the Hong Kong Junior Chamber (Jaycees).

With unbounded enthusiasm and tireless efforts, those pioneer Jaycees worked hard in different community projects and training program, and participated in a series of international meetings. It opened also its first office in the then Hong Kong Bank building.

Assessing the needs of the society then, these young men put ideas into action. Projects were put in hand which aroused civic consciousness among young people here. A novel project was the timely setting up of more than 30 children's libraries, including portable and mobile van libraries. This was a most prominent achievement much appreciated by the public.

The first children's library was established in 1952 at the War Memorial Centre in Wanchai, followed by the ones in Shek Kip Mei and Yuen Long (Nixon Library). In 1955, Hong Kong Jaycees donated the first mobile Van Library to the Social Welfare Office under the Chinese Languages Department. As a result, thousands of children were given the chance to read and learn. The success of the project led to the first award for the Hong Kong Junior Chamber in the Melbourne World Congress in 1952. The children's library project was further developed into a scholarship program, helping those who wanted to learn.

5,000 Books Donated By HK Jaycees To New Children Library

Extracted from Standard-Sing Tao The Hon R Todd, Secretary for Chinese Affairs, opened the Children Library together with acting Hong Kong Junior Chamber of Commerce President A de O Sales on Jun 12, 1951. Over 5,000 books were donated!

Side by side with civic projects, there was keen interest in business pursuits too. The Jaycees held its first trade exhibition in Melbourne in 1952, and repeated the project elsewhere until the territory stepped up its official presence at numerous trade and industrial exhibitions in the years that followed.

In a move to broaden their vision and widen their horizon, pioneer Jaycees were also active in attending various Conferences and Congresses, not only Jaycees but other such occasions as well.

The experience gained led to the success of hosting the first and the fourth JCI Regional Conferences in Hong Kong in 1951 and 1954 which won community plaudits and put the Chamber in the forefront of Jaycees in the continent.

Junior Chamber International Hong Kong History

The participation in, and the hosting of, international conferences, added a new dimension to the members and at the same time uplifting the regional exposure for Hong Kong. Hong Kong Jaycees quickly attained high international office. From 2 Regional Presidents for Asia to JCI President in 1956 and Vice President for Commissions in 1957.

A dream became a reality when President Colin J Ure signed the contract for the construction of the Jaycee Peng Chau Health Clinic in the presence of representatives of Peng Chau Rural Commuttee. The designer of the clinic was Mr Peter Ng (the gentleman standing in the middle), an authorized Architect. He became our President in 1962.

With wholehearted participation and genuine contribution by the Jaycee members, Hong Kong Jaycees earned wide international recognition in a few years. Jaycee activities were seldom out of the press and were extensively reported. And so, Hong Kong Junior Chamber had an accepted place in the community here.

At the same time, with the rapid development of Hong Kong in the 50s, it became apparent that facilities for the training of future executives were almost non-existent. Hong Kong Junior Chamber shown foresight and initiative in promoting institutional development. It particular, it took pride in its contribution to the formation of the Hong Kong Management Association.

Jaycees was therefore called 'catalysts' and 'pacesetters' locally. They were described by the then Governor Sir Alexander Grantham as 'Practical Idealists' - young men with high ideals put into practice by concrete projects for community betterment.

Undoubtedly, Jaycees in the 1950s laid down a solid foundation for the Hong Kong Junior Chamber to go forward with more growth and development while it won wide prestige in the community and high recognition in the Jaycee world.

The members still had the cherished ambition of bidding for a World Congress, a daunting task then without proper facilities and adequate funding. Plans were laid carefully soon afterwards as the new City Hall was being built. The bid won in a contest and so Jaycees had the unusual challenge of holding here the first worldwide meeting. The successful response was sound organization with total membership involvement.

Two survey teams were set up to inspect the 23 children libraries donated by the Jaycees in the past years to various organizations and schools. Eight of them had been selected for replacing some worn books and adding to their shelves some new editions.

Flashback 1960's - Growth and Development

In the continuation of the relay, Hong Kong Junior Chamber stepped into its further developing stage.

Applying the experiences gained and together with the endeavor of the Jaycee members, the 17th World Congress of Junior Chamber International was, for the first time, held in Hong Kong in 1962. It was a grand and memorable event, widely covered by the media. The use of the whole new City Hall became the talk of the town. The success of which not only reaffirmed the social status of Jaycees in the community, but also was a confidence booster for each Jaycee member.

Junior Chamber International Hong Kong History

The handsome surplus from the Congress also led to the formation of the Trust Fund. It gave the Chamber a sound foundation which enabled the Jaycees to carry out many projects for community development with the confidence and helped it eventually to buy an office.

With the continual injection of new blood, Hong Kong Junior Chamber was restructured into a core National Organization Member (NOM) and 2 affiliated chapters of Victoria and Kowloon Jaycees in 1965.

JCI Regional Conference was hosted in Hong Kong again in 1966.

To spread the Jaycee spirit, Jaycee Week program was also launched in the 60's to promote Jaycees to the public. The first Chinese speaking chapter (Peninsula Jaycees) and the first all lady chapter (Hong Kong Jayceettes) were then formed in 1969.

The coming together of members from various backgrounds provided the impetus for a diversification of community projects.

The Annual Dragon Seed Races shared our concern for the boat people in the Kowloon typhoon shelters.

The Miss International Goodwill Contest, and the later Miss Hong Kong Contest in the 60's were first initiated by the Jaycees and became an international friendship program which promoted the international goodwill and enhanced cultural exchange of Hong Kong.

The TOYP was first introduced by Hong Kong Junior Chamber of Commerce in 1970. His Excellency The Governor was the Patron.

The addition of more members and more projects, called for better communication, co-operation and administration. The introduction of management course and projects such as Anniversary Ball played an important role in answering to the needs.

Through such projects in 1960s, Hong Kong Junior Chamber became more concerned with membership development and began to strive for more opportunities in leadership training and to step up work for betterment of the community.

Flashback 1970's - Many First and Meaningful Projects

Stepping into the decade of the 70's and after the celebration of the Silver Jubilee Anniversary, it marked the beginning of an expansion in chapters and rapid increase in international awareness of their high standard of administration activities.

His Excellency the Governor Sir Murray Maclehose sent his message to welcome the delegates of JCI Regional Conference.

March in of Chief Delegates at Seoul Conference, 1976.

It was a memorable period which had many encouraging rewards and meaningful projects carried out. Five more chapters were formed. JCI Asia Pacific Conferences were again hosted in Hong Kong in 1972 & 1979.

In 1974, during the World Congress held in Auckland, Hong Kong Junior Chamber won the first Local Organization Member (LOM) Award and the JCI Presidential Award and the JCI Presidential Award of Excellence in NOM management.

Three years later, Hong Kong Junior Chamber was awarded the JCI Presidential Award of Excellence for Outstanding Achievement in Chapter Extension with an increase of 25%, and the JCI Presidential Award of Excellence for Outstanding Achievement in Growth with an increase of over 50% in membership in the year of 1979.

The Jaycee owned Chamber Office was opened in the year 1977 with the help of the Trust Fund, which further enhanced the sense of belonging of members in the Jaycee family.

Many well-known projects were initiated and received wide publicity. To name a few:

- The first 'Outstanding Young Men Award' was launched (forerunner of the 'Ten Outstanding Young Persons Selection' (TOYP) program which received increasing support and commendation from the public until now).
- The 'Exchange program' in 1971 was the first Youth Voyage which deepened the cultural exchange and understanding between Hong Kong and Japan.
- The first 'Solar Heating System' installed in Wu Kai Sha Youth Camp received the first LOM award in JCI World Congress.
- The much acclaimed 'Earth Population Awareness Program' which propagandized the slogan: 'One is cute; Two is ideal; Three is too much for the bill, Four breaks the family quilt' was adopted by The Family Planning Association as a slogan for family planning education program.
- The "Pop Folk" Concert in those days was the only outdoor concert attracted the youths in Hong Kong.

For the first time in Hong Kong, two toys libraries for children were set up by Jaycees in Tze Wan Shan and Tuen Mun.

- The 'Eye Care Campaign' and 'Kidney Donation Campaign' etc. projected the importance of health.

Flashback 1980's - Challenging Decade

The Jaycee movement in the 80's was confronted with many challenges but at the same time opened up many new and exciting opportunities.

More LOMs were added to the Jaycee family in the 80's, increasing the total membership to over 1,300 and 19 chapters, in which two chapters - Macau Jaycees and Hou Kong Jaycees in Macau - formed the Macau Jaycees and affiliated with JCI as an independent National Organization Member at the end of 1988.

With more energetic young persons joining the Jaycees, many meaningful and innovative projects were held, such as 'Young Scientists Awards', 'The International Children Drawing Competition & Exhibition', 'Chunk-Click and Go', 'Spread the Lights', 'Good Children Awards', 'Courtesy Campaign', 'N. T. Regional Outstanding Student Selection' and 'Road Safety Campaign' etc.

There were also honorable and glamorous moments for Hong Kong Junior Chamber in the 80's. Senator Jennifer Yu was elected as the first Lady World President for 1988. Four TOYP awardees of Hong Kong were separately honored as recipients of the Outstanding Young Person of the World Award during the JCI World Congresses in the years 1983, 1984, 1985 and 1988. Furthermore, three lady National Presidents were elected, and led the Hong Kong Junior Chamber of Commerce in 1983, 1987 and 1989 respectively.

1983 Theme Project, Diversified Economy, Future Stability & Prosperity won The Best NOM Theme Project Award during the 19th World Congress held in Taipei in Nov 1983.

To echo the 1986 theme of Hong Kong Junior Chamber of Commerce raining the Youth, Heading for Peace 100 pigeons were released into the sky of Statue Square in Central.

Approaching the end of 1980's, Hong Kong Junior Chamber was faced with many public issues as did the community at large. Even so, the Hong Kong Junior Chamber still pressed on with the mission of community involvement and played an important role as training organization for young people.

Hong Kong Junior Chamber had the honor to be invited to participate in the first 'Youth Rally' of the 'Youth Festival' in December 1989. Relationship with outside youth organizations and Government was further strengthened and the image of Jaycees in the eyes of the public was also kept up.

Flashback 1990's - Scaling New Heights

Entering the nineties - a decade of change and transition - the Hong Kong Junior Chamber continued to uphold its mission of advocating social responsibility among young people. In the first-ever direct election in Hong Kong in 1991, the "One Plus One - Support Direct Election" campaign was organized by all 17 local chapters, once again marking the Jaycees' active participation in civic affairs.

NP Daniel Cham joined the HK delegation to take part in the International Model United Nation organized by the UN and JCI. JC delegates and NGO representatives from all over the world took part in the 5-day event in the UN Headquarters.

The Chief Secretary Sir David Ford joined hands with the Jaycees in the grand opening of the JCI Hong Kong Congress

In 1993, the Hong Kong Junior Chamber hosted the JCI World Congress, an event that attracted more than 6,000 delegates from over 100 countries around the world. 30 years had elapsed since the Hong Kong Jaycees last hosted the World Congress in 1962 with wide acclaim.

The decade of the nineties also witnessed a series of improvement programs within the organization. With funding support from the Hong Kong Junior Chamber Trust Fund a new office in Sheung Wan was acquired in 1990 to provide a more spacious training and meeting facility for the Junior Chamber's 1,500 strong membership. The "National Business Network" (NBN) and the "Training and Development Committee" (TDC) were subsequently established to offer a wider scope of networking and development opportunities for the members.

Since 1996, the Hong Kong Junior Chamber has been actively involved in the "Right Decisions Program". The project, originated by JCI and executed on a worldwide level, promulgates the importance of youngsters in making the right choice for their actions. The "Right Decisions Program" has been implemented in primary and secondary schools since 1998.

Flashback 2000's - Now and the Future

In celebrating the 50th Anniversary, Hong Kong Junior Chamber renewed our pledge of traditional commitment to work for community betterment and for the happiness and prosperity of the territory.

Besides serious training schedule, members also had moment for rejoice in Vanguard Leaders, a prominent training originated by JCI.

Hong Kong Junior Chamber participated in "上環續紛夜市慶千禧". Professor Right Decisions was well recognized by the public.

In 2001, it was the first time in the history of Ten Outstanding Young Person Selection that a Community Service Day was included. The purpose of this was to bring the message that the awardees of TOYP Selection will take the lead to serve the community especially the less concerned group. On October 28, the awardees of 2001 TOYP Selection together with hundreds of members of HKJC, disabled persons, students and volunteers participated in creating a giant paper flower sculpture made up by over 73,000 pieces of paper flowers. All the paper flowers were hand-made by disabled persons, students, and volunteers. Through the challenge of setting world record, public concern on the employment opportunities of disabled people in Hong Kong was aroused. Besides, fund for the first self-financed floral workshop of Hong Kong Federation of Handicapped Youth was raised through the event.

First time online interview with JCI President Karyn Bisdee was broadcasted to the world during her visit to Hong Kong.

In line with the adoption of JCI Corporate Identity Program in 2003 Copenhagen Congress, Hong Kong Junior Chamber changed its name to Junior Chamber International Hong Kong in 2004

"You and I Bring Hong Kong Back" Campaign

In the post-SARS era, JCIHK and her 18 affiliated chapters conducted a series of actions entitled "YOU and I Bring Hong Kong Back" Campaign aiming at revitalizing our spirit and sense of belonging to Hong Kong.

The highlights of the Campaign included the "Survey Results Announcement and Forum" in July. The survey found that the SARS epidemic had made a positive impact on Hong Kong people's attitudes towards the value of life. Prominent speakers such as the Hon Mrs Rita FAN, Professor Joseph CHENG Yu-shek, Professor Dennis LAM Shun-chiu, Mr Peter WONG, and Mr Derek KO shared their valuable experiences and views on how to revitalize Hong Kong by our contribution. Another highlight was a survey conducted by the University of Hong Kong in October regarding HK people's confidence. It revealed that most respondents had an increased sense of belonging toward Hong Kong and believed that the number of people willing to help others had increased.

A press supplement to report the survey results and the projects carried out by JCIHK and her affiliated chapters under the "You and I Bring Hong Kong Back" Campaign was published in Economic Times on October 31 2003. YOU and I, and together we can do it!
