HONG KONG JUNIOR CHAMBER

Message from The Guest of Honour

A generation has passed since the Hong Kong Junior Chamber of Commerce was founded. Indeed, Jaycees and Jayceettes are now celebrating the Thirtieth Anniversary of Hong Kong's affiliation with Junior Chamber International.

In the intervening years, successive administrations have rendered many and diverse service to the community while training young people to be useful citizens imbued with the noble tenets of the Jaycee Creed.

The future holds a rich promise of even greater achievements in a progressive society when young and dedicated members forging ahead together will do much more for community betterment.

Congratulations to all those who have done so well in the past and best wishes to the new leaders who now pledge their commitment in the traditional way.

A. de O. Sales

Hong Kong, 24th December, 1979.

Message from National President 1980

Stepping into the year of the Eighties, the Hong Kong Jaycees have reached its 30th year of existence.

Throughout these past years, the Hong Kong Jaycees have made significant contribution towards the attainment of the objects for which this organisation is formed. This we owe it to the capable and dynamic leadership of all the Past National Presidents, without the dedication and sacrifices of our predessors, we would not have been able to reach this far.

1980 to me would mean a year of growth and harmony, however, will by no means be an easy year for the Hong Kong Jaycees, when Energy Crises is so imminent, coupled with inflation and many other social problems that confront us from day to day. It is in these hard times, that we need more leaders with talents and devotion to social and economic commitments.

We feel proud to be the Officers who are going to lead this Organisation on its 30th Year. This Inauguration together with the 30th Anniversary Celebration would mean a year of growth for the Hong Kong Junior Chamber. The National Board together with the cooperation of all LOMs will try our best to enlarge and consolidate our membership, establishing healthy competition among chapters, fostering an intimate relationship between LOMs and NOMs, and most important, the unison with the concerns and aspirations of the Community at large.

In the year ahead, we will be working actively towards enlisting more new members and providing more dynamic leadership to meet the urgent needs of our Society.

We are confident that by the year end, we may look back in pride and claimed that we have had achieved another successful year in attaining and fulfilling the objectives of our organisation.

Let's join hands to take another giant step forward in this 30th Year of the Hong Kong Junior Chamber !

Major Tang
National President 1980

Message from Immediate Past President And Senate Chairman

The Inaugural Ceremony in 1980 has a special significance to the Hong Kong Jaycees as a whole, because it also commemorates 30 years of activities of Jaycee movement in Hong Kong.

In all these years, thousands of young people have passed through our organization. The majority, if not all, reaped their fair share of experience from their involvement. All claimed that Jaycees have added a few extra sparkles to their own life.

I urge our current Board of Directors to take the opportunity of our 30th anniversary to fully extend our membership, so that more young people can benefit from this most valuable training.

My best wishes for a most successful 1980!

Sunny Yu

Message from Ball Chairman

1980 is a milestone of the Jaycee movement in Hong Kong. Over the past thirty years, the organisation has been growing tremendously well in all aspects. Needless to say, these achievements count a lot on the continuous efforts dedicated by our predecessors. Under the guidance of experienced members, the superb potential of the new blood will have no doubt be developed with overwhelming success and a resplendent future is expected.

On this occassion, I would like to extend my sincerest feliciations and warmest congratulations to all the new officers and wish them a prosperous and fruitful year.

Taking this opportunity, I must thank Mr. and Mrs. A. de O. Sales as our Guest of Honour. To those who have contributed their generous support and assistance I would like to express my sincere appreciation and gratitude.

Message from JCI President

I am pleased to salute the young men and women who have gathered tonight to celebrate the thirtieth anniversary of Hong Kong Junior Chamber of Commerce.

Over the past thirty years, your NOM has achieved a very impressive record, both in terms of community service and of personal leadership. The Hong Kong area has benefited greatly from the continuous efforts of your predecessors, and Jaycees International has been well served by those of your officers who went on to pursue an international career, in particular by my esteemed friend Arnaldo de Oliveira Sales, 1956 JCI President and your guest of honor today.

I urge you today to look back on those thirty years as an inspiration for the next thirty-and the next thirty start now. Dare, reach for the stars, achieve and lead. In 1980, bring opportunities to your members and to your community. I look forward to an impressive 1980 record by the Hong Kong Junior Chamber.

Patricio Izurieta
1980 JCI President

Message from JCI Vice President Assigned to Hong Kong

On the occasion of 1980 Inauguration and 30th Anniversary, I would like to extend my whole-hearted congratulations to all the key officers and members of Hong Kong Jaycees.

I consider it my great honor and pleasure to be assigned to a NOM with such a bright history and tradition, and believe that this commemorative event must be a huge milestone for the continued success and progress of Hong Kong Jaycees, one of the most outstanding and leading National Organization in this part of JCI World.

Although I am unable to join you at the ceremony on February 10 in person, my spirit will be there with you. My very best wishes for another prosperous year of your organization, guided by your superb leadership.

Regards,

Motohiro Ishikawa
JCI Vice President

Message from JCI President 1950

I was delighted to receive an invitation from Major Tang, 1980 National President of the Hongkong Jaycees to attend your 30th Anniversary celebration on February 10, 1980. Needless to say, nothing would have pleased me more than the privilege of attending this highly auspicious occasion which marks a significant milestone in the history of the Hongkong Jaycees and of the many lifelong personal friendships that were formed from our association with the early Jaycee group.

I recall with some nostalgia, the celebration of the Hongkong Jaycees 25th anniversary in 1975 which some of us "oldtimers" of the Manila Jaycees were privileged to attend. Your hospitality and manifestation of friendship were overwhelming. The high regard and respect that the Jaycee organization has earned in the eyes of the community and the Government are indeed most impressive and inspiring.

A message on this memorable occasion would not be complete without paying tribute to the early pioneers of the Hongkong Jaycee movement whose farsighted idealism, exemplary integrity and unwavering belief in the principles of Jayceeism were the cornerstones around which the Jaycee structure of Hongkong was solidly built. I wish to make special mention of the invaluable contributions of Mr. A. O. de Sales, former JCI president, and Messrs. J.S. Lee and Roger Lobo, both of whom became JCI vice presidents, Mr. Hilton Cheung Lin, Paul Lim and many others who were dynamic leaders in this worldwide movement of young men dedicated to welfare and progress of their community.

On behalf of the early Manila JC group who helped organize the Hongkong Jaycees and all the present Philippine Jaycees, I offer our sincerest congratulations on the occasion of your 30th anniversary and our best wishes for your even greater success during the challenging decade of the eighties.

Message from National President 1951

The Hong Kong Junior Chamber of Commerce is celebrating its 30th Anniversary. It is indeed an appropriate occasion for past and present Jaycees and Jayceettes to rejoice and reaffirm our dedication to the Jaycee Creed.

Since the Jaycee Movement was first launched in Hong Kong 30 years ago in the early post war era, it has provided an opportunity for our rising generation to participate in community service and leadership training as Jaycee activities. Throughout the years the achievements of Hong Kong Junior Chamber have won local as well as international recognition. A number of our Jaycees have continued to serve and assume greater responsibility in public service. It is heartening to see that they are prominent civic leaders in our community.

I would like to take this opportunity to wish the Hong Kong Jaycees every success in the new decade.

J. S. Lee

Message from National President 1954

Those of us who were fortunate in becoming involved with the Jaycee movement in our early years can well appreciate how "The Jaycee Creed", the experience we have gained in our work towards the betterment of our community and the friendship we have fostered continue to guide our daily lives.

I am very pleased and indeed greatly honoured for having had that privilege and I wish every young person this opportunity to leadership and of service to humanity.

May the Junior Chamber continue to enrich the lives of its members and progress in its endeavours.

Yours sincerely,

R. H. Lobo

Francis J. Chen

Message from National President 1955

On this the occasion of the 30th Anniversary of the Hongkong Junior Chamber of Commerce, I wish to congratulate my fellow Members on the teeming monument that is the sum total of three decades of community work in our City. These civic endeavours harken back to the concerted and sustained exertions on the part of all the young men and women inducted into HKJCC since 1950.

Now, some of these men and women are no longer young and have quietly faded into the background. Others have left Hongkong. Still others have reached earth's final shore and are at rest. To these people, no less than to the Members that are active on the scene, I address my salute. It may be proudly asserted here that all Members, at one stage or another, each in his or her own degree, have contributed time and effort towards the moulding of the Hongkong Jaycee image: civic mindedness, propensity for leadership training, selflessness in fellowship.

The Jaycee ideal is founded on the firm belief in mutual understanding and mutual aid. However, we do not claim monopoly of such convictions; many other Service Clubs are likewise motivated. But we Jaycees do have a hallmark of our own. In translating our belief into community projects, we never stop at formulating the projects, but invariably undertake to carry them out ourselves. We do so by way of assiduous committee work, ardent open forum debates, untiring field team visitations. It is this hallmark which inculcates a keen sense of civic awareness and provides the proving ground for leadership training.

A review of our community programs since HKJCC's inception reveals a complete lack of self-gain to any Members, individually, or in groups, during or after the life span of the programs. And Jaycees working together on such undertakings, there arises a fellowship equally oblivious of personal material benefits. What friendships faster and more lasting than emanate therefrom?

The above thoughts momentarily take me back more than a quarter of century to the four intensely active years, 1953-57, during which I held portfolios, both in HKJCC and in JCI. It is with an aging sense of affinity and a sudden surge of youthful pride and joy that I offer to share these sentiments with you all on the eve of our 30th Anniversary. In conclusion, permit a further observation. What we have said or done in Jaycee may soon recede into oblivion, but the friendships we have struck up in Jaycee stay forever.

Message from National President 1959

The Jaycee movement is a vehicle for self-expression through service to the community; self-development and leadership training are the by-products of such service.

My Jaycee activities spanned a period of ten years. During that time I can look back to many active appointments, and participation in many community projects. The following allocation of Project Funds for 1959 gives some indication of community service activities in my Presidential year, and may be of interest:-

Noodle-making Machine for Catholic Relief Services	*$12,460*
Hobby Centre for Boys & Girls Club's Association	*12,415*
Walking Sticks for Blind	*1,485*
Beach Picnics for Underprivileged Children	*1,000*
Christmas Parties for Underprivileged Children	*4,000*
Photographic Competition for Tourist Promotion	*1,150*
17th Jaycee Children's Library	*4,500*
Overseas Scholarships' Reserve	*10,000*
Local Scholarships & University Loan Schemes	*5,950*
Hosting of Overseas Scholars & Boy Scouts	*800*
Schools Oratorical Contest	*500*
English-language Evening Classes	*419*
	$54,679

The year was also marked by the first Jaycee Business Lecture Series, and the setting up of an Organizing Committee for the first Harvard Advanced Management Programme held in Hong Kong in 1960.

(Note: Awards to John MacKenzie for Jaycee activities include:-

A Certificate of Appreciation from the Australian Institute of Management for the Chamber's successful promotion of a Hong Kong delegation to the XIIth International Management Congress, Melbourne 1960 (this contributed greatly to the formation of a Hong Kong Management Association in 1960).

Hon. Life Membership of H.K.J.C.C. in recognition of services rendered as Secretary General of the XVIIth J.C.I. Congress, Hong Kong 1962.)

Message from National President 1960

It has always been my firm belief that the Junior Chamber has a role in the life of Hong Kong which is more profound than is generally realised. The movement makes substantial and constructive contributions to the community in funds and personal effort. Equally important is the contribution to Hong Kong's human resources. Working together in the Junior Chamber develops qualities of initiative and co-operation which are needed at all levels of our community and are not so easily developed in our eduational system and other institutions.

Twenty years ago, on the 10th Anniversary of the Junior Chamber in Hong Kong I made this point and forecast that Jaycees would be filling more and more important posts in public life and in commerce and industry, and displaying those special qualities which are the mark of service in the Junior Chamber. I could hardly have known how true that would be. We need only to look around Hong Kong today to see how many Jaycees occupy important positions in every kind of organisation and serve the public of Hong Kong with wisdom and distinction. It is a record of which we should all be very proud.

I offer my best wishes for continued success.

Message from National President 1962

January 21, 1980

Eighteen years may seem to be a long period, but it appears to be only yesterday to me on December 28th, 1962 when I finished my annual report to signify the end of my term as National President. There was then only one chapter in the Chamber. But today you have 9 Chapters and it is very gratifying to see that we have now grown and flourished to include even one Jaycette Chapter. My most sincere congratulations to all my succeeding Presidents and Directors for their efforts and achievement and my very special congratulations to all the younger generations of Jaycees who worked so hard to attain such solid and steady expansion.

1962 was a very prosperous and successful year for the Hong Kong Junior Chamber of Commerce. Our major project for the year was the organising and hosting of the World Congress. It was an opportunity for us to learn organising, planning of meetings, entertainment, publicity and all related matters for a huge international meeting hosting over 1,000 delegates. The experience we gained and the training opportunity we offered to all our local young man was so unique that it simply could not be measured by monitary standard or any other tangible means, besides we also put Hong Kong into the eyes of all the youth in the whole world. To enhance our success we have been able to make a handsome surplus which was turned into a Trust Fund to provide for the expansion and promotion of the Chamber in Hong Kong as well as to assist promising young Jaycee to attend overseas international J.C. meetings. I am proud to say that in 1962 we managed to contribute our small part to lay the foundation for the expansion of the J.C. movement we see today.

President Major Tang, all Board of Directors and young Jaycees, allow this exhausted rooster to congratulate you on your 30th Anniversary on your success and also to remind you that J.C. has always been the cradle for future leaders in Hong Kong and in the World. Put your effort to consolidate your gain and then move on steadily forward. Some day you will all be leading politicians and prominent citizens of your community.

I am proud to be associated with the Hong Kong Junior Chamber of Commerce in celebrating its 30th Anniversary, together with the Inauguration Ceremony of the 1980 NOM and LOM Officers.

2. The Jaycees have established for themselves a reputation for community service and leadership training which is second to none.

3. I wish the Hong Kong Junior Chamber of Commerce every success in the years to come.

Message from National President 1964

In Hong Kong, there is a large number of voluntary service organisations, however, none, dare I say, provides the same opportunity in leadership training while servicing our community as the Jaycee movement. Because of its unique feature of age limit, and because of its emphasis on members' participation at all levels, the Jaycee membership gives more exposure and better understanding of different social, economic and political problems through participation in organising projects/functions and at the same time gives young people the opportunity to know each other better through working together.

With only one chapter of 300 members in 1964, the size made it sometimes difficult for every member to have an opportunity of knowing every other member intimately until one has served several years in committees. It is therefore gratifying to see the seed of extension planted in previous years now blossoms to so many chapters, not to mention the active Jaycettes. Because Jaycees are generally young people in their early stage of career development, the organisation stands a better chance of success, as it is a fact of life that most of us have less commitments both in business and in private before growing older, and by then it becomes difficult to devote the same amount of time as one gets more busy every day. I consider myself very fortunate to be able to learn so much from and to make so many good friends in my Jaycee years and I have no hesitation to recommend Jaycee membership to every young person. Comparing with the humble achievements in our early years, I must take this opportunity to congratulate National President Major Tang, local chapter presidents and all other officers for the good work that they are contributing to this worthy cause.

Message from National President 1965

Thirtieth Year is an important milestone for an organization of young people.

For the past three decades, the Hong Kong Junior Chamber of Commerce, through its internal programmes and community projects, has provided training opportunities for its members to enable them to accept responsibilities in their careers and community. It is, therefore, not surprising that some of our members have attained high positions in the area of Commerce, Industry and Community Affairs. I feel confident that this unique organization will continue to provide the future leaders in our community.

On this momentous occassion of the Thirtieth Year celeberation, I extend to all Jaycees my hearty congratulations and every good wish for success in their efforts to build better individuals for a better community.

Message from National President 1966

The 30th anniversary of our organisation is something to celebrate and to be proud of. So many of; us in our time contributed and in turn benefitted.

I am particularly proud to have been associated with the founding of the Kowloon Jaycees. Our small band of pioneers participated in this successful experiment by being the first to break away and diversify what had, up to then, been a one chapter chamber.

There were pros and cons then for undertaking the venture, but time has shown that this was a wise move and now the strength of the entire Hong Kong National Chamber is that it can continually renew itself when needed from the dedicated men and women that make up the local chapters.

We always hear that ours is basically a leadership training organisation. That is true. But the type of leadership it trains young people for is voluntary work, though of course this training cannot fail to spill over into other aspects of life.

To lead by example, motivation and selflessness is the Jaycee trait. There are no bosses or servants or pay in Jaycee. The rewards are self satisfaction, a gain in organisational experience, an appreciation of democratic procedure, and lasting friendships within this brotherhood that binds us.

The birth of Harbour Lights, our National Magazine.

The formation of a ladies' auxiliary - which eventually been the Hongkong Jayceettes in March.

The creation of a National Convention. This was held in OCtober.

Finally the Jaycee Week, with a great Luncheon at The Hilton Ballroom in December.

There were but a few of the exciting functions during 1967.

May I wish the HongKong Jaycee continued success and many more years of exciting activities in Hong Kong.

Message from National President 1968

As a National Organisation with more than one chapter, the Hong Kong Junior Chamber of Commerce had only been in existence for two years when I took office in 1968. My previous position had been National Treasurer in 1967 and, as President the following year, my prime objective was to establish the Chamber on a sound financial basis, encourage the affiliated chapters to raise project funds and generally expand membership.

I believe we achieved these objectives and I am particularly pleased to observe that there are now as many as nine affiliated Jaycee chapters.

Looking back on my ten years of active participation n Jaycee affairs, I can be happy with the knowledge that the experience I gained and the many friends I made during that time helped me in later years, in my business and as a member of Hong Kong society.

Best regards to all members of the Hong Kong Junior Chamber.

Message from National President 1970

I am pleased to have the opportunity of congratulating the Hong Kong Junior Chamber on its 30th Anniversary and of sending my very very best wishes for the future.

The 80's will offer more challenges to Jaycees in the field of community service, youth, elderly and leadership training. I am confident that Jaycees will be ready to meet challenges and assume responsibilities.

Just 10 years ago, we pledged and resolved to initiate programs with true significance to Hong Kong such as the Hong Kong Outstanding Young Men Award. This year, 1980, is not and cannot be, just another Jaycee year. You are on the threshold of the 30th year as the finest organization for young men and women for involvement in community service and leadership training. I wish you every success.

Message from National President 1971

It is my great pleasure to offer my sincere congratulations on such grand occasion of the 30th Anniversary of the Hong Kong Junior Chamber of Commerce and the Inauguration Ceremony of the 1980 NOM.

During these thirty years the Jaycees have dedicated themselves to serve the community and at the same time provided opportunity for many young people to train themselves to become useful citizens. I am very pleased to witness many of them having excelled themselves and become leaders of the community.

The Jaycees have organized numerous meaningful community projects all of which have borne excellent results and have been deeply appreciated by our community. I am sure that the 1980 NOM will keep up with the traditional stamina and good spirits and bring the Jaycees to a higher level of achievement.

May I take this opportunity to wish you all a very happy and prosperous 1980.

Message from National President 1972

It is my great pleasure to greet all the members of the Hong Kong Junior Chamber on the occasion of its 30th Anniversary Celebration.

For ten solid years actively engaged in Junior Chamber projects and other responsibilities, I had been deeply involved in the Junior Chamber works. I will never forget the moment of joy, hard works, the sense of accomplishment upon completion of a project, the evaluation of merits and errors, and above all, fellowship.

All Jaycees and Jayceettes must realize the opportunity and training for personal development through actual participation in community development projects. This is the most direct method in leadership training within the frame-work of Junior Chamber.

In community services, Jaycees and Jayceettes are always enthusiastic in carrying out various projects, no matter how small or insignificant they seem to be at the time. I do remember vividly the sub-committees, during my time, fervently worked on the projects: Road Safety Campaign and Bicycle Contests, University Loan Fund, Scholarship, Management Course, Libraries, Children's Playgrounds, etc. We did all these in catalytic manner. Now, we can see that our projects had eventually drawn the attention of the general public and the Authorities, as a good number of outstanding organizations, engaged in similar activities but in larger scale, came into being afterwards.

So, personal development is not selfishness or only for oneself. It is indeed the prerequisite and preparatory measures to serve the community better in future. Also, small and insignificant projects can be developed into a well established organization for the benefit of the community. And so, our Creed ends with ".....that service to humanity is the best work of life."

I wish to take this opportunity to wish you successful years ahead in the Jaycee works under the leadership of the National President and the Board of Directors.

30 years is no short establishment for a voluntary organization like 'Jaycees' and in our past 30 years, we have not only serviced our community but also produced a great number of leaders.

To the young people of Hong Kong who are not our members, they sure have missed a lot but to our members, I appeal to them to contribute as well as to gain as much as possible from our organization.

I wish our 30th Anniversary, a year of success, prosperity, and a year to be remembered by all for years to come.

Hong Kong Jaycees History

The Jaycee Movement reached Hong Kong in 1949, when a Philippine Jaycee John Ng who was the Special Liasion Officer of the JCI 5th Congress and was charged with the mission of converting Hong Kong to Jayceeism arrived in November. Through the introduction of his cousin, Mr. Alex Ng, a Jaycee Senator still, Mr. John Ng was presented to Rev. E. Bourke, former director of Wah Yan College, Hong Kong. A meeting was then arranged for him to meet a group of young business-men. During the meeting, Mr. John Ng's explanation of the aim and purpose of the Jaycee movement succeeded in firing the imagination of his audience. Eight days later, sponsor group of the Hong Kong Junior Chamber of Commerce was formed and Mr. Paul Lim was elected as convenor of the organizing committee. Mr. Austin Coates from Hong Kong Government, then an Assistant Colonial Secretary of Hong Kong, was assigned to serve as Advisor to the Organizing Committee.

The tempo of laying the foundation of the Chamber was further stepped up when in Ramon V. Del Rosario, the JCI Vice-President for Asia, offered to recommend prompt recognition of the Hong Kong's Jaycee membership status. He also invited the Organizing Committee to send observers to Manila to attend the JCI 5th Congress. On 21st March, 1950, a sponsors' meeting was called to receive the report of the return observers from Manila. The account of their vivid experience gave Hong Kong a deeper insight into Jaycee movement. A week later, the Provisional Constitution which had been in the making during the previous three months was adopted. Finally, on 6th April, 1950, the Inaugural General Meeting of the Hong Kong Junior Chamber of Commerce was held and the first Board of Directors was elected. 1965 - The Kowloon Junior Chamber was formed and the then existing members of Hong Kong Junior Chamber of Commerce later called themselves Victoria Junior Chamber. Hong Kong Junior Chamber of Commerce then became the National Organization consisting of two LOMs as mentioned above.

1966 - JCI Regional Conference was again held in Hong Kong.

- Island Junior Chamber, the third Local Chapter, was established and affiliated to Hong Kong Junior Chamber of Commerce.

Message from Kowloon Jaycees President

MESSAGE

Every year, the Inaugural Ball marks the beginning of office of a new Jaycee administration. It is the time when a dynamic group of young men and women reconfirm their jayceeism and pledge themselves to serve the organisation as well as the community.

The 1980 Inauguration will undoubtedly be a most memorable one since it is not only the 30th Anniversary of the Hong Kong Junior Chamber, but also it is the year in which as many as twelve LOMs exist in sharing the same ideals of jayceeism. As far as the Kowloon Jaycees are concerned, 1980 is a year of challenge as they will be organising the National Convention for the first time in many years.

On behalf of all Kowloon Jaycees, I take this opportunity to wish our National Organisation and all the LOMs much success and satisfaction in their activities.

Message from Island Jaycees President

M E S S A G E

Once in a year new officers of Hong Kong Jaycees for 1980 are installing and swear-in to their respective offices during this evening occassion. And as usual, each of them is full of enthusiasm, lots of expectations, hoping to make their year a successful one.

Island Chapter is no exception!

We have made our year plans; set up goals of achievements; full of confidence and expectations; ready to serve the community whatever JCI is aiming for .....

However, our efforts alone may not be sufficient. We need assistance and support from fellow Jaycees, and on the other hand, we are quite prepared to give hands to others whenever is required.

Let us work together in harmony! May God bless us!

With best wishes from Island Jaycees.

Message from Hong Kong Jayceettes President

MESSAGE

20th January 1980

As year 1980 rapidly approaches, we can only reflect on what an exciting year 1979 had been, with the JCI Conference being held in Hong Kong and hosted by the Jayceettes.

Today, the spotlight again shines on the Inaugural Ball for it carries with it two special significances, not only that a new administration is born which will determine future outlook but that it focuses thirty years of growth and development of the humantarian ideals of the Jaycees movement in Hong Kong.

We hope that throughout this year, peace between nations can be maintained.

We also hope that all the Jaycees and Jayceettes will combine their efforts to make our future mutually secure and to give the help needed to enable everybody to enjoy the pleasures of life that we more fortunate enjoy.

May we pledge our whole hearted support for the 1980 National Board and every Officer of each chapter in all its efforts to make a noteable contribution to the progress and development of the nation.

We wish all of you good health, happiness and prosperity for the future.

Message from East Kowloon Jaycees President

17th January, 1980.

1980 is a great year for The Hong Kong Jaycees. This is because apart from the celebration of the 30th Anniversary since 1950, we has a great success to promote the Jayceeism to the young people in Hong Kong through the efforts from all Chapters and the excellent projects they has done.

This kind of achievement has arose the interest of the Hong Kong young people to joint our Jaycee family. Now, The Hong Kong Jaycees has established three provisional chapters which proved to us that our hard working is rewarded.

On the occasion of the Inaugural Ball, we wish to offer our Theme "ENTHUSIASM + LEADERSHIP = PRESIDENTIAL DEVELOPMENT" to all Jaycees in Hong Kong.

On behalf of the East Kowloon Jaycees, I wish every success to National President Major, National Executive Committee, NOM Directors, LOM Presidents and their officers.

Bulova's new generation

Tough on the field. Elegant at the club.

In 1875 Joseph Bulova lovingly handcrafted the first Bulova watch. From this small beginning Bulova has withstood the test of time to become one of the biggest names in Switzerland.

Our watches have long been renowned for reliability and toughness. Because of this, the Bulova Accutron movement was chosen for use in the Apollo Space Program. And played a critical part in its success.

Along with winning a reputation for reliability, Bulova has frequently won Switzerland's most prestigeous award for elegant design.

Now in the same tradition comes Bulova's new generation. Precision-made Swiss watches designed to take the toughest action. And styled with subtle Swiss elegance.

They're watches you can wear anywhere.

BULOVA

Swiss made for toughness. Swiss made for elegance.

Bulova Showroom and Service Centre: Metropolitan Bank Building, 25-31 Carnarvon Road, Tsimshatsui, Kowloon. Telephone: 3-695131.

指壓、全身保健、刺絡拔罐、針灸宗合療法

半身不遂　汗斑　暗瘡　口眼喎斜　小兒疳積　椎間盤突出　坐骨神經痛　過敏性鼻炎　習慣性便秘　陽萎早洩　失眠　頭痛　四肢麻木　腰背酸痛　內傷瘀積　風濕骨痛

推拿—是什麼：

推拿療法是中國醫學中的一個重要組成部份，古代的推拿治病，在實踐中早已積累許多豐富的臨床經驗，經過歷代繼續發展下來，不斷推陳出新，至今更爲普遍及科學化的一種物理療法。

推拿醫生既要俱備古今理論及臨床經驗，根據辨症論治的原則，依照人的陰陽經絡穴位，施用各種不同技巧補瀉手法，如點穴位，推血道拿經絡來調整人體內部的神經組織，促使機能抗病功能，從而達到防病治病的目的。

推拿的優點：

推拿由古至今實踐證明，確實很有其效，而且安全可靠，頗受大衆歡迎。尤其生活在香港的人，工作緊張，夜生活過多，睡眠不足，精神疲勞，導致長期失眠，便秘，中氣不暢，腰酸背痛，經推拿後，立即見效。另各種慢性病如：風濕關節炎，頸椎病變，坐骨神經痛，腰間盤突出症，胃下垂等是一般藥物所不易奏效的，諸類疾病，只要不演變到難於恢復的程度，一經推拿治療便可收到顯著效果，增强機體抗病力，促使身體康復，但有些常見的肌表病變，膚色蒼白，枯燥弦緩，失去肌肉美觀，未老先衰，肚腩鬆弛等，可做全身保健經絡平衡術之推拿，便可以逐漸轉變紅潤，光澤，豐滿，保持肌肉應有之韌性，防止過早衰老，而獲得青春。

診症時間：上午十時至晚上十時止，星期日上午十時至下午六時（公衆假期照常）
