AWARD PRESENTATION
(August 3, 1985)
Caritas Social Centre, Kowloon.

We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

MESSAGE from GUEST of HONOUR

1985 is the International Youth Year and as the year commenced, countless events of varied nature and scales were lined up in support of the Theme "Peace, Participation, Development" advocated by the IYY Central Co-ordinating Committee of the government. Many voluntary organizations also echoed to this theme by presenting or initiating projects to bring our youths together worthy causes.

The Hong Kong Jayceettes have been known for their contributions to community services and youth activities. Projects launched by the Hong Kong Jayceettes, namely "Computer and Brains", "The Young and the Restless" and "Youth-Resources of Hong Kong's Future Development", etc. have not only aroused the public's awareness on pressing issues, but also promoted a storng sense of civic-mindedness among our population.

Their concern for the local youths once again surfaces in this IYY as they take hearts to plan their Theme Project "Participation, Youth In Action" which indeed proved to be highly effective in educating the youths on the structural change and future development of the local government and cultivating a sense of civic-mindedness among the young people.

I am glad to be invited as the Guest of Honour of their 1985 Theme Project "Participation, Youth In Action" and I am delighted to congratulate them on having put up such an tremendous effort.

Mr. Li Yuet Ting, JP
Deputy Director of Education

MESSAGE

Hong Kong Jayceettes has to be complemented in the selection of your theme project in "Participation, Youth in Action". It also responds to the Major Emphasis Theme of Hong Kong Jaycees in "Community Harmony through Youth Participation".

Hong Kong is undergoing a period of change, but as young men and women who have been brought up in the old system, can they adopt to the necessary changes? I believe they can, on the condition that they are aware of the process themselves. This is the time for them to learn, better still, to take part in the change as well as to be involved more in our society.

My best wishes to a very successful project.

Paul Cheung
President
Hong Kong Junior Chamber of Commerce

MESSAGE

For years, the Hong Kong Jayceettes have built its reputation as a leadership training organization. We started out as trainees to acquire the necessary knowledge and skill to develop our leadership potentials. As we graduated, we assume the role of trainers to help more young men and women to become future leaders. We train by getting them involved in community projects so that they could develop an interest in community issues and shoulder the responsibility to improve the well-being of our community.

Hong Kong is now experiencing a political change and its future rests in the hands of the growing-ups. Unfortunately, we found that majority of our youth population lack the interest and patience to appreciate the situation or to take part in any community activities. The Hong Kong Jayceettes sees the urgent need of educating our youths on their responsibilities to discharge their social obligations properly; promoting civic-mindedness among them; and encouraging them to actively participate in shaping a prosperous future for Hong Kong. Hence, our Theme Project for 1985 "Participation, Youth In Action" emerged.

We are grateful that many concerned parties including our sponsors, the Rotary Club of Hong Kong South, Readers Digest Asso. (F.E.) Ltd. and Mr. Alfred Tso, Tuen Mun District Board Member for their support and we are confident that the project serves its purpose as it wraps up on this evening of award presentation officiated by our Guest of Honour, Mr. Li Yuet Ting, JP, Deputy Director of Education Department.

FOREWORD

1985 has been designated by the United Nations as the International Year of Youth. To commemorate this meaningful occasion, the Hong Kong Jayceettes, as a voluntary organization of young ladies who strive to promote leadership training through community involvement has initiated a Theme Project entitled "Participation, Youth In Action". The objectives are to arouse youth's interest in the political well-being of Hong Kong and to encourage them to seek representation in our future government.

An organizing committee was formed early in January to implement this project. This group of enterprising ladies had all been very enthusiastic in the last seven months and their dedicated performances deserved full credit.

HIGHLIGHTS OF THE PRELIMINARY

Busy as they were, the adjudicators carefully judged on the performance of the contestants

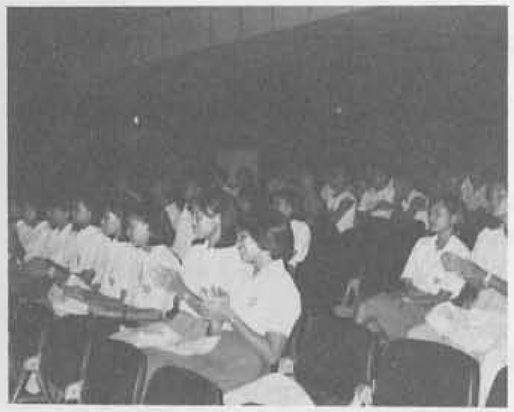

These young ladies expressed their concern to the future of Hong Kong through a melodic song

The engaging performance of the cast held the audience captive throughout

The young actors threw everything in the play to convince their peers of the importance of civic-mindedness

HONG KONG JAYCEETTES HISTORY

Hong Kong Jayceettes is one of the 15 local chapters of the Hong Kong Junior Chamber of Commerce which is affiliated to our parent organization, Jaycees International Inc. (JCI). Our aims are to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive changes.

1967 marked...
... the inception of the Hong Kong Jayceettes which comprised a group of Jaycees' wives and girl friends who rendered assistance to the men in their projects.

1968 brought...
... the ladies one step further to become an auxilliary group affiliated to the National body of the Hong Kong Junior Chamber of Commerce; and to perform all the 'behind the scene' routines for their brother chapters.

1969 was...
... the year when we pleaded for independence to be officially accepted as the only Lady Chapter of the Hong Kong Junior Chamber of Commerce, the first Lady Chapter in Asia and the second in the world.

1977 turned...
... out to be an eventful year as the Hong Kong Jayceettes organized a great number of projects, particularly the establishment of the 1st Toy Library in Hong Kong at the Tszwanshan Estates.

1979 carried...
... a special meaning for all members of the Hong Kong Jayceettes as we had successfully hosted the '1979 JCI Hong Kong Conference"

1981 ends...
... with great honour and prestige for us when we won the "MOST OUTSTANDING LOM of the WORLD" Award at the Berlin World Congress.

1983 represented...
... another record year in the history of the Hong Kong Jaycees as one of our past president Senator Kitty Leung was elected as the first lady National President of the Hong Kong Junior Chamber of Commerce in 34 years.

1984 saw...
... greater involvement of the Jayceettes in the International scene subsequent to the election of another of our past president Senator Jennifer Yu as the JCI Vice President.

1985 opens...
... a new page in the history of the Hong Kong Jayceettes. We are not yet ready to predict a successful year, but we do look forward to an enjoyable one!
