We believe:
That faith in God gives meaning

That the brotherhood of man

# Message From Patron

It gives me great pleasure to extend my warmest wishes to the Hong Kong Jayceettes on the occasion of their annual fund-raising event – "Fantasia '82".

In the past 12 years, the Hong Kong Jayceettes have offered a wide range of meaningful activities for the betterment of the community. Through these activities, enthusiastic young individuals have been given opportunities to further develop their abilities in leadership, to realize their potential and to cultivate a sense of community consciousness and responsibility.

The impressive performance of the Jayceettes has long been recognized by members of the public, and I would like to pay personal tribute to the Jayceettes in appreciation of their dedicated service to the community.

May I also congratulate the President, Miss Emily Ma and Project Chairman, Miss Valerie Cheung for making this function a great success.

Finally, I wish the "Fantasia '82" every success.

Mrs. Charles Yau
Patron
"Fantasia '82"

# Message From The President Hong Kong Jayceettes

LEADERSHIP TRAINING THROUGH COMMUNITY DEVELOPMENT is our motto. For the past 12 years, The Hong Kong Jayceettes have been doing substantial community projects to train our members as well as to better Hong Kong at large. To name but a few of these projects they were, "Toy Libraries", "Better Opportunities for the Mentally Handicapped", "Against Child Abuse Campaign", "Promotion of Hong Kong Products", etc. All these projects received good compliments and favourable respones from the public and also achieved distinguished recognitions from Jaycees International and Hong Kong Junior Chamber of Commerce.

All our projects cannot be accomplished without funds. This year, through the hardwork of the organizing committee, our fund raising project – FANTASIA '82 – has contributed financial backup to our community programs which are "Retirement Portfolio", "Better yourself-Better Your World", "Waste Recycling", etc. These projects are aimed to arouse the awareness to the existing problems confronting all of us in Hong Kong.

Taking this opportunity, I would like specially to thank our patron Mrs. Charles Yau for her generous support to this project. My appreciation also goes to all parties concerned for their advice and participation to make this function materialized. Last but not the least, I would like to thank all of you for coming to this "FANTASIA '82" and wish you all a wonderful and enjoyable evening.

Emily Ma.

# Message From National President

Besides their ability in carrying out distinguished community projects, the Hong Kong Jayceettes have also demonstrated their competence in organising fellowship activities which are always creative and entertaining. But what is more laudable is to organise one project – "Fantasia '82" for two purposes : to provide fellowship for members and to raise fund for the chapter. The Jayceettes have done it and with success.

Congratulations and best wishes to the Jayceettes.

Andrew Wong

# Vote of Thanks From Project Chairman

On behalf of the Organizing Committee, I have great pleasure in welcoming all Jaycees and guests to the "Fantasia '82". We are happy and honoured to also welcome Mrs. Charles Yau, Patron of this fund-raising event. We are grateful for her generous contribution and support of our endeavour.

"Fantasia", to members of the Organizing Committee, is a challenge, a vision and a fantasy – one that is far beyond our reach. With great determination and dedication, however, we have eventually brought into existence the Utopian – "Fantasia '82". This enthralling occasion is created both to earn and to entertain in such a way that all Jaycees and friends could enjoy a marvellous evening while contributing to a worthy cause.

I wish to express my heartfelt thanks to all members of the Organizing Committee without whose inspiring effort and zealous devotion, the "Fantasy" would not have been realized.

A special word of thanks must also go to those who have contributed so generously in the way of sponsorship, donations, advertisements, gifts and prizes.

I wish you all a fantastic evening.

# History Of Hong Kong Jayceettes

Hong Kong Jayceettes is one of the thirteen local chapters of Hong Kong Junior Chamber of Commerce, which is in turn affiliated to our parent organization Jaycees International Inc., (JCI), U.S.A. Our aims are to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility and fellowship necessary to create positive change.

Hong Kong Jayceettes officially became a fully pledged chapter on 19th October 1969 during the Hong Kong Junior Chamber National Convention, but its history or inception dates back to 1967 when the Jaycees started to request their wives and girl friends to form an auxillary group to assist them in their projects. This group was then affiliated to the Victoria Jaycees, one of the local chapters of the Hong Kong Junior Chamber of Commerce. In 1968, the Hong Kong Jayceettes went one step further and became an auxillary group affiliated to the National body of the Hong Kong Junior Chamber of Commerce. They did all the 'behind the curtain' work for their brother chapters. However, the spirit of liberation and the desire to do their own projects were strong and culminated in the determination to form a lady chapter of its own, with equal standing like their brother chapters. In October 1969, the Hong Kong Jayceettes pleaded for independence and through thicks and thins, the only Lady Chapter of Hong Kong Junior Chamber of Commerce was officially accepted and it was the first Lady Chapter in Asia and the second in the world.

The Hong Kong Jayceettes members are all young ladies of today – highly intelligent, hard–working and charming women who are dedicated to share the responsibility of giving the world a better tomorrow. Besides winning many outstanding international and local awards, the Jayceettes can proudly claim to be the pioneer and initiator of many community projects such as the "Voice of the Unvoiced", "Earth Population Awareness Program", "Toy Libraries", "Better Opportunities for the Mentally Handicapped", "Entertainment & Economy Exhibition", "The Young & The Restless", "Against Child Abuse Campaign", "Promotion of Hong Kong Products" and especially in hosting the "1979 JCI Hong Kong Conference". In 1981, the Hong Kong Jayceettes are proud to have won the "Most Outstanding LOM of the World Award" at the Berlin World Congress.

"Yes, Harry, you really saved my bacon with that advice about Printrite."

"I just never realised it was possible to get bulk printing done so fast in Hong Kong. And including typesetting too! Apparently they have even bigger typesetting capacity than trade typesetters – but they use it only for their own printriting customers. Must admit, I never realised that!"

"Anyway they did a fantastic job on that memorandum for me. Everything will be signed today. Thanks again!"

Sorry we can't really do it yesterday! But almost. Some people say we perform miracles!
