That earth's great treasure lies in human personality;
And that service to humanity is the best work of life."

Information for International Award Program

Introduction

The JCI Awards program is an opportunity for JCI members and organizations to showcase and celebrate their worthy achievements of the year. Every JCI National and Local Organization is highly encouraged to submit entries across an array of subjects. With this program we show that JCI excellence can be found in any corner of the world. It reminds us that we must achieve great entrepreneurial action together for true sustainable change to occur, emulating JCI's International Collaboration Area of Opportunity. This program even has several awards to more specifically celebrate the achievements of international cooperation projects. Through these awards we encourage international collaboration and camaraderie. This reminds JCI members that we must not only honor those closest in our circles. Instead, we must honor JCI members no matter where they are in the world. When one JCI member or organization succeeds, we all succeed.

Projects aligned with JCI RISE and JCI's core values serve as valuable anchors for membership growth and retention, as it showcases the impact JCI can have on society, individuals and businesses.
