NATIONAL PRESIDENT

HONG KONG JUNIOR CHAMBER

Message From
NATIONAL PRESIDENT HONG KONG JAYCEES

M E S S A G E

This message is probably one of the last messages I have to write before I retire as National President of The Hong Kong Junior Chamber of Commerce, and I am glad that this message is for a young and dynamic chapter, The Harbour Jaycees Ltd..

Since their full affiliation one year ago, they once again demonstrated what Jayceeism is all about. With over 30 projects completed this year, I feel that they have communicated to the publice in the most efficient way "THAT SERVICE TO HUMANITY IS THE BEST WORK OF LIFE".

On the occasion of their 2nd. Annual Ball, I wish the Harbour Jaycees best of luck and thank them sincerely for their year of hard work and service to our Community.

John Lo
National President, 78

In the short time of two years that the Harbour Jaycees Ltd. has been in existence, its members have done much useful work for the community.

They are to be commended for all their significant achievements and congratulated on the truly splendid recognition they won at the World Congress recently held in Manila.

May the universal acclaim be only an incentive for even more beneficial community service in the years to come.

Message From JCI WORLD PRESIDENT

OFFICE OF THE PRESIDENT
CARL PETERSON

MESSAGE OF GREETING FROM CARL PETERSON

1978 JCI PRESIDENT

My first message to the Harbour Jaycees was one of motivation. For the occasion of their "Brotherhood Night," I wanted to insufflate some of that enterprising Jaycee spirit that has carried our organization to such heights.

My second message to you, Harbour Jaycees, will be one of thanks, for your motivation has yielded amazing results. It will be a message of recognition, and no one would be more pleased to issue such a message than I, as I have endeavored to put this year under the sign of recognition. "Recognition should go to those that deserve it," I said earlier, and truly this applies extremely well to your LOM.

Hardly two years old, and yet already so active, your LOM has conducted scores of projects and has recently seen two of its members elected to the highest office in the national organization. The Harbour Jaycees also won the Hong Kong most outstanding LOM award and hosted a national convention and a JCI officer training school. Yours is truly an exceptional LOM.

I have pleasure in giving you the recognition you deserve and in encouraging you to do always more, always better.

Thank you for your efforts in 1978; thank you for the support you will give my successor in 1979. And God bless you.

Carl Peterson
1978 JCI President

From beginning to end, the Harbour Jaycees have been characterized by aggressiveness and capability. That being awarded as the most outstanding new LOM in the latest Manila World Congress does witness once again the achievements of Harbour Jaycees in the past. I am certain that before long the Harbour Jaycees will continue to grow and prosper. At this merry moment, may I wish the newly elected officers every success in their term of office.

Message From PROJECT CHAIRMAN

A relatively new member of Harbour Jaycees, I feel most honoured to have been appointed as Chairman of the Organizing Committee for its 2nd Anniversary Ball.

Having just been awarded the Most Outstanding New LOM of the World, Harbour boys have every reason to be proud of.

But complacency is often a stumbling block to success. The award is a target, not an end in itself. Every one of us must remember there is always room for improvement.

Harbour is two years old, let's hope for many more greater moments in many many more two years to come.

History of Harbour

ORIGIN

The history of Jaycees movement in Hong Kong can be traced back to 1949 when Mr. John Ng, a Jaycee from Philippines appointed by Jaycees International came to Hong Kong to introduce and spread Jayceeism.

The following year, the first Board of Directors of the Hong Kong Junior Chamber of Commerce was formed and became formally affiliated to Jaycees International in 1951.

FORMATION OF HARBOUR

Since then, membership of Jaycees grew by leaps and bounds but the formation of new chapters lagged behind. In order to create more opportunities for enthusiastic youth, a number of Jaycees and a group of energetic young men who believe in Jayceeism started to plan for a new chapter in October, 1976.

After two formal meetings and three lectures on Jaycees Knowledge, the First General Meeting was called on November 11, 1976 in Furama Hotel in the presence of over one hundred witnessess — the Harbour Jaycees, with membership of seventy-nine, was born. The name of HARBOUR was chosen by the founders because it is a link between Hong Kong island and Kowloon peninsula, and it was hoped that this new chapter will play a key role in Jaycees affairs.

With the enthusiastic and hard-working members, Harbour Jaycees managed to raise some HK$35,000. — in their Charter Night Ball on January 15, 1977, at Oriental Room, Hong Kong Convention Centre, to finance their community projects in their first year of existence.

The Harbour Jaycees Ltd. was later officially incorporated on August 19, 1977. This new organization was recognized and became the 7th full member of Hong Kong Junior Chamber of Commerce in the next General Assembly during the 12th National Convention in October, 1977.

Year 1977

In 1977, under the leadership of President Sonny Yu, Harbour undertook a total of 35 projects including: Hong Kong Citizen — Our Rights and Obligations, Youth Camp, Kwuntong Carnival Day, Essay Writing Competition on "How to develop Hong Kong Tourist Industry", Man and his environment, Traffic Accident Notice Board, "Labour Ordinance in Practice "Seminar etc . . . . .

At the end of the year, the membership stood at 101, an increase of 27% for the year.

Year 1978

The next year Norman Choy was elected as its President. Continuing its brotherhood spirits and service to community, HARBOUR completed 37 projects including Harbour Village, Tai Hang Tung Carnival Day, 13th National Convention, JCI NOM officers Training School, Voice of Junior Police Call, Youth Camp, "Diversification of Electronic Industry "Seminar etc . . . . .

In May, a Sisterhood Pact was signed with Penang Jaycees, Malaysia. During the World Congress held at Manila in November, a Friendship Pact was concluded with the Balikatan Jaycees of the Philippines. A Sisterhood Pact would be signed in Hong Kong at the time of the Asian Conference in 1979.

In recognition of the good show put up by its members, Harbour was awarded the **"Most Outstanding New LOM of the World"** in the 33 World Congress in Manila this year.

It is certainly an honour and the result of years of hard work to receive an award. With support and guidance from brother/sister chapters, Harbour has experienced an encouraging start. Let's hope it will do even better in the years to come.
