Welcome to Las Vegas!

Everywhere you look, from the Las Vegas Strip to the dazzling Fremont Street Experience, there's an incredible variety of amazing things to see and do. Take a roller coaster ride around Manhattan skyscrapers. Trek through space at warp speed. Visit the world's tallest Coke® bottle, or the tallest observation tower in the U.S. Take a chance with Lady Luck. Dine from buffet to gourmet. Swing into championship golf. Or relax beside a refreshing pool. These are just some of the many incredible choices waiting for you in this remarkable desert playground.

Entertainment

From top-name celebrities to spectacular stage shows – it's no wonder Las Vegas is called the "Entertainment Capital of the World." Most showrooms offer two performances nightly. Dress is casual but a bit more formal for evening and dinner shows. Show times and prices vary. Reservations can be made in advance by calling the reservations office at the respective hotel. For a current Las Vegas Show-guide, write to the Las Vegas Convention and Visitors Authority (LVCVA) at 3150 Paradise Rd., Las Vegas, NV 89109-9096, or call 1-800-332-5333. From Canada call 1-800-233-5836. You also can visit our Web site at vegasfreedom.com.

Gaming

While Las Vegas offers many forms of entertainment and recreation, the biggest game in town has always been found in the casino. Every year, millions of visitors to Las Vegas try their hands at games of chance such as blackjack, baccarat, poker and even bingo. If you're a sports fan, you may want to spend some time in a resort race and sports book, where you can wager on your favorite teams. There are hundreds of themed slot machine games, and casino-resorts offer "slot clubs" that give participants incentives to play.

Gratuities

Las Vegas was built on its world-class hospitality, and it is quite common to offer a gratuity, or "tip," to resort employees who make your stay convenient and enjoyable. A 15 to 20 percent tip is the generally accepted amount for waiters and waitresses. For bell captains and bellmen, a tip of $1 to $2 per bag of luggage is recommended. If you use the concierge or VIP services at your hotel to make travel plans or show reservations, a $5 tip is appropriate. While in the casino, a small bet for the dealer is the usual method of tipping at the gaming tables. Tips are also appropriate for keno runners and slot attendants. At a showroom without assigned seats, a tip of $5 to $20 to the maitre'd will usually ensure desired seating. For valet parking attendants, a tip of $2 is normal; a tip of $1 per day to your hotel maid will also be appreciated.

Currency Exchange

Most major hotels and casino cashiers will accept foreign currency and exchange it for U.S. dollars. However, you cannot purchase foreign currency from the casino cashier. For complete currency exchange services, American Express operates an office in the lobby of the MGM Grand, 8 a.m. to 6 p.m. daily, (702) 739-8474.

Legal Age

To gamble you must be 21 or older. The drinking age is the same. The city has many youth-oriented activities. Check your individual hotel for details.

Weather

The weather in this desert resort is mild most of the year. Las Vegas averages 320 days of sun, while the average rainfall is 4.19 inches per year.

Parental consent is required for persons under 18 years of age. If divorced, you are required to bring divorce papers with you. Other stipulations may apply for visitors outside the United States.

Many hotels offer rooms with roll-in showers, transfer showers and tubs with built-in or portable seats. Ask your reservations agent to book a room with your specific needs in mind. In addition to the accommodations, every Las Vegas hotel has accessible slot machines, and many have accessible table games too.
